"Indistractable provides a framework that will deliver the focus you need to get results." —James Clear, author of Atomic Habits "If you value your time, your focus, or your relationships, this book is essential reading. I'm putting these ideas into practice." —Jonathan Haidt, author of The Righteous Mind National Bestseller Winner of the Outstanding Works of Literature (OWL) Award Included in the Top 5 Best Personal Development Books of the Year by Audible Included in the Top 20 Best Business and Leadership Books of the Year by Amazon Featured in The Amazon Book Review Newsletter, January 2020 Goodreads Best Science & Technology of 2019 Finalist You sit down at your desk to work on an important project, but a notification on your phone interrupts your morning. Later, as you're about to get back to work, a colleague taps you on the shoulder to chat. At home, screens get in the way of quality time with your family. Another day goes by, and once again, your most important personal and professional goals are put on hold. What would be possible if you followed through on your best intentions? What could you accomplish if you could stay focused? What if you had the power to become "indistractable?" International bestselling author, former Stanford lecturer, and behavioral design expert, Nir Eyal, wrote Silicon Valley's handbook for making technology habit-forming. Five years after publishing Hooked, Eyal reveals distraction's Achilles' heel in his groundbreaking new book. In Indistractable, Eyal reveals the hidden psychology driving us to distraction. He describes why solving the problem is not as simple as swearing off our devices: Abstinence is impractical and often makes us want more. Eyal lays bare the secret of finally doing what you say you will do with a four-step, research-backed model. Indistractable reveals the key to getting the best out of technology, without letting it get the best of us. Inside, Eyal overturns conventional wisdom and reveals: • Why distraction at work is a symptom of a dysfunctional company culture—and how to fix it • What really drives human behavior and why "time management is pain management" • Why your relationships (and your sex life) depend on you becoming indistractable • How to raise indistractable children in an increasingly distracting world Empowering and optimistic, Indistractable provides practical, novel techniques to control your time and attention—helping you live the life you really want.

Real, compulsive and intense: Cat Clarke is the queen of emotional suspense. For fans of Jandy Nelson, Paula Hawkins, and Megan Abbott. 'Emotive, creepy AND funny. A quality page-turner' SARAH CROSSAN 'A new Cat Clarke novel is always something to celebrate and Girlhood could be her best yet' JUNO DAWSON Harper has tried to forget the past and fit in at expensive boarding school Duncraggan Academy. Her new group of friends are tight; the kind of girls who Harper knows have her back. But Harper can't escape the guilt of her twin sister's Jenna's death, and her own part in it - and she knows no one else will ever really understand. But new girl Kirsty seems to get Harper in ways she never expected. She has lost a sister too. Harper finally feels secure. She finally feels...loved. As if she can grow beyond the person she was when Jenna died. Then Kirsty's behaviour becomes more erratic. Why is her life a perfect mirror of Harper's? And why is she so obsessed with Harper's lost sister? Soon, Harper's closeness with Kirsty begins to threaten her other relationships, and her own sense of identity. How can Harper get back to the person she wants to be, and to the girls who mean the most to her? A darkly compulsive story about love, death, and growing up under the shadow of grief.

Everything I Never Told You John Wiley & Sons

* "This beautifully realized debut delves into the emotions of a girl recovering from drug addiction and grief, all wrapped up in a solid mystery." -Kirkus Reviews (starred review) * "Sharpe creat[es] a lacerating picture of grief and regret. ...The murder mystery is compelling, and its resolution serves as a reminder that love is irrevocably tied to loss and that few people get out of it unscathed." -Bulletin of the Center for Children's Books (starred review) "This romance is full of struggle and strong emotions, likely to find an appreciable YA audience."

-School Library Journal Sophie Winters nearly died. Twice. The first time, she's fourteen, and escapes a near-fatal car accident with scars, a bum leg, and an addiction to Oxy that'll take years to kick. The second time, she's seventeen, and it's no accident. Sophie and her best friend Mina are confronted by a masked man in the woods. Sophie survives, but Mina is not so lucky. When the cops deem Mina's murder a drug deal gone wrong, casting partial blame on Sophie, no one will believe the truth: Sophie has been clean for months, and it was Mina who led her into the woods that night for a meeting shrouded in mystery. After a forced stint in rehab, Sophie returns home to a chilly new reality. Mina's brother won't speak to her, her parents fear she'll relapse, old friends have become enemies, and Sophie has to learn how to live without her other half. To make matters worse, no one is looking in the right places and Sophie must search for Mina's murderer on her own. But with every step, Sophie comes closer to revealing all: about herself, about Mina and about the secret they shared.

The Rules for Breaking Little, Brown Books for Young Readers

From the bestselling author of Tides of Honour and Promises to Keep comes a poignant novel about a young couple caught on opposite sides of the Second World War. In the fall of 1939, Grace Baker's three brothers, sharp and proud in their uniforms, board Canadian ships headed for a faraway war. Grace stays behind, tending to the homefront and the general store that helps keep her small Nova Scotian community running. The war, everyone says, will be over before it starts. But three years later, the fighting rages on and rumours swirl about "wolf packs" of German U-Boats lurking in the deep waters along the shores of East Jeddore, a stone's throw from Grace's window. As the harsh realities of war come closer to home, Grace buries herself in her work at the store. Then, one day, a handsome stranger ventures into the store. He claims to be a trapper come from away, and as Grace gets to know him, she becomes enamoured by his gentle smile and thoughtful ways. But after several weeks, she discovers that Rudi, her mysterious visitor, is not the lonely outsider he appears to be. He is someone else entirely—someone not to be trusted. When a shocking truth about her family forces Grace to question everything she has so strongly believed, she realizes that she and Rudi have more in common than she had thought. And if Grace is to have a chance at love, she must not only choose a side, but take a stand. Come from Away is a mesmerizing story of love, shifting allegiances, and second chances, set against the tumultuous years of the Second World War.

The Secret Life of Amanda K. Woods Hachette UK

Have you ever woken up in the sultry heat of the morning, your hair and beard teeming with maggots? Have you ever felt the cold barrel of a semi automatic gun against your forehead? When Danny Bent cycled 15,000 kilometres from the UK to India to raise money for ActionAid, it was a decision that took twenty years and one minute. For twenty years he had wanted to do something to raise money for charity. The one minute was when as their teacher he was put on the spot by his pupils and declared that the means was by bike, and he was going to India. What he had signed up for was slogging along roads with trucks bearing down on him, unable to see and choking in the smog; shooting down treacherous descents with 100 foot drops, shaking with cold and too numb to brake; muscle burn and saddle sores; delirium and food poisoning; thirst and malnutrition; foul and insanitary conditions; life-threatening crises; obstructive border guards, crazed dogs and inquisitive passers-by. 'You've Gone Too Far This Time, Sir' is a real and compelling blow-by-blow account of Danny's trip across Europe, the former Soviet Republics, Russia, China, Pakistan and India. And what people he met They are the true delight of this book, mostly charming, sometimes reckless, occasionally threatening, always unpredictable, and forever inviting Danny to be up for the challenge of entertaining them, in one instance by dancing in front of a packed stadium, in another by eating sheep's brains in a local night market. Danny turns the wheels, you turn the pages. The pace is relentless. The story is both heart-stopping and heart-warming. The arrival is breakdown-and-cry emotional. And there's loads of fun and wonderment along the way too. What a book What a ride Live your dream. Go for it, Danny.

"Polly, Dennis, Angela, Adrian and the rest are bound to lose their spiritual innocence as well as their virginities on the journey between university in the 1950s and the marriages, families, careers and deaths that follow. On the one hand there's Sex and then the Pill, on the other there is the traditional Catholic Church. In this razor-sharp novel, David Lodge exposes the pressures that assailed Catholics everywhere within a more permissive society, and voices their eternal question: how far can you go?" -- Provided by publisher.

For more than a century, the United States has been the world's most powerful state. Now some analysts predict that China will soon take its place. Does this mean that we are living in a post-American world? Will China's rapid rise spark a new Cold War between the two titans? In this compelling essay, world renowned foreign policy analyst, Joseph Nye, explains why the American century is far from over and what the US must do to retain its lead in an era of increasingly diffuse power politics. America's superpower status may well be tempered by its own domestic problems and China's economic boom, he argues, but its military, economic and soft power capabilities will continue to outstrip those of its closest rivals for decades to come.

Former Suffolk County cop Gus Murphy returns to prowl the meaner streets of Long Island's darkest precincts, with a Russian mercenary at his back, in the stunning second installment of Reed Farrel Coleman's critically acclaimed series, now in paperback. Gus Murphy and his girlfriend Magdalena are put in harm's way when Gus is caught up in the distant aftershocks of heinous crimes committed decades ago in Vietnam and Russia. Gus's ex-priest pal, Bill Kilkenny, introduces him to a wealthy businessman anxious to have someone look more deeply into the brutal murder of his granddaughter. Though the police already have the girl's murderer in custody, they have been unable to provide a reason for the killing. The businessman, Spears, offers big incentives if Gus can supply him with what the cops cannot—a motive. Later that same day, Gus witnesses the execution of a man who has just met with his friend Slava. As Gus looks into the girl's murder and tries to protect Slava from the executioner's bullet, he must navigate a mine field populated by hostile cops, street gangs, and a Russian mercenary who will stop at nothing to do his master's bidding. But in trying to solve the girl's murder and save his friend, Gus may be opening a door into a past that was best left forgotten. Can he fix the damage done, or is it true that what you break you own...forever?
