Farewell to Manzanar Top Shelf Productions

From the New York Times bestselling author of Deacon King Kong and The Good Lord Bird, winner of the National Book Award for Fiction: The modern classic that Oprah.com calls one of the best memoirs of a generation and that launched James McBride's literary career. More than two years on The New York Times bestseller list. As a boy in Brooklyn's Red Hook projects, James McBride knew his mother was different. But when he asked her about it, she'd simply say 'I'm light-skinned.' Later he wondered if he was different too, and asked his mother if he was black or white. 'You're a human being! Educate yourself or you'll be a nobody!' she snapped back. And when James asked about God, she told him 'God is the color of water.' This is the remarkable story of an eccentric and determined woman: a rabbi's daughter, born in Poland and raised in the Deep South who fled to Harlem, married a black preacher, founded a Baptist church and put twelve children through college. A celebration of resilience, faith and forgiveness, The Color of Water is an eloquent exploration of what family really means.

NATIONAL BESTSELLER • Every year, Ceyala “Lala” Reyes' family—aunts, uncles, mothers, fathers, and Lala's six older brothers—packs up three cars and, in a wild ride, drive from Chicago to the Little Grandfather and Awful Grandmother's house in Mexico City for the summer. From the celebrated bestselling author of The House on Mango Street and winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. Struggling to find a voice above the boom of her brothers and to understand her place on this side of the border and that, Lala is a shrewd observer of family life. But when she starts telling the Awful Grandmother's life story, seeking clues to how she got to be so awful, grandmother accuses Lala of exaggerating. Soon, a multigenerational family narrative turns into a whirlwind exploration of storytelling, lies, and life. Like the cherished rebozo, or shawl, that has been passed down through generations of Reyes women, Caramelo is alive with the vibrations of history, family, and love. From the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature.

"A beautiful, painful, and necessary work of historical fiction." --Veera Hiranandani, Newbery Honor winning author of The Night Diary
Caramelo A&C Black

In his Nautilus Award-winning classic Touching Spirit Bear, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscall in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. Touching Spirit Bear is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

A special 75th anniversary edition of Richard Wright's powerful and unforgettable memoir, with a new foreword by John Edgar Wideman and an afterword by Malcolm Wright, the author ' s grandson. When it exploded onto the literary scene in 1945, Black Boy was both praised and condemned. Orville Prescott of the New York Times wrote that “ if enough such books are written, if enough millions of people read them maybe, someday, in the fullness of time, there will be a greater understanding and a more true democracy. ” Yet from 1975 to 1978, Black Boy was banned in schools throughout the United States for “ obscenity ” and “ instigating hatred between the races. ” Wright ' s once controversial, now celebrated autobiography measures the raw brutality of the Jim Crow South against the sheer desperate will it took to survive as a Black boy. Enduring poverty, hunger, fear, abuse, and hatred while growing up in the woods of Mississippi, Wright lied, stole, and raged at those around him—whites indifferent, pitying, or cruel and Blacks resentful of anyone trying to rise above their circumstances. Desperate for a different way of life, he headed north, eventually arriving in Chicago, where he forged a new path and began his career as a writer. At the end of Black Boy, Wright sits poised with pencil in hand,

determined to “ hurl words into this darkness and wait for an echo. ” Seventy-five years later, his words continue to reverberate. “ To read Black Boy is to stare into the heart of darkness, ” John Edgar Wideman writes in his foreword. “ Not the dark heart Conrad searched for in Congo jungles but the beating heart I bear. ” One of the great American memoirs, Wright ' s account is a poignant record of struggle and endurance—a seminal literary work that illuminates our own time.

After the attack on Pearl Harbor, everything changed for Yoshiko Uchida. Desert Exile is her autobiographical account of life before and during World War II. The book does more than relate the day-to-day experience of living in stalls at the Tanforan Racetrack, the assembly center just south of San Francisco, and in the Topaz, Utah, internment camp. It tells the story of the courage and strength displayed by those who were interned. Replaces ISBN 9780295961903

"Unflinchingly illustrates the reality of life during this extraordinary moment in American history."—Dinitia Smith, The New York Times
Censored by the U.S. Army, Dorothea Lange's unseen photographs are the extraordinary photographic record of the Japanese American internment saga. This indelible work of visual and social history confirms Dorothea Lange's stature as one of the twentieth century's greatest American photographers. Presenting 119 images originally censored by the U.S. Army—the majority of which have never been published—Impounded evokes the horror of a community uprooted in the early 1940s and the stark reality of the internment camps. With poignancy and sage insight, nationally known historians Linda Gordon and Gary Okihiro illuminate the saga of Japanese American internment: from life before Executive Order 9066 to the abrupt roundups and the marginal existence in the bleak, sandswept camps. In the tradition of Roman Vishniac's A Vanished World, Impounded, with the immediacy of its photographs, tells the story of the thousands of lives unalterably shattered by racial hatred brought on by the passions of war. A San Francisco Chronicle Best Book of 2006.

A New York Times Best Mystery Novel of 2021 Set in 1944 Chicago, Edgar Award-winner Naomi Hirahara ' s eye-opening and poignant new mystery, the story of a young woman searching for the truth about her revered older sister's death, brings to focus the struggles of one Japanese American family released from mass incarceration at Manzanar during World War II. Chicago, 1944: Twenty-year-old Aki Ito and her parents have just been released from Manzanar, where they have been detained by the US government since the aftermath of Pearl Harbor, together with thousands of other Japanese Americans. The life in California the Itos were forced to leave behind is gone; instead, they are being resettled two thousand miles away in Chicago, where Aki ' s older sister, Rose, was sent months earlier and moved to the new Japanese American neighborhood near Clark and Division streets. But on the eve of the Ito family ' s reunion, Rose is killed by a subway train. Aki, who worshipped her sister, is stunned. Officials are ruling Rose ' s death a suicide. Aki cannot believe her perfect, polished, and optimistic sister would end her life. Her instinct tells her there is much more to the story, and she knows she is the only person who could ever learn the truth. Inspired by historical events, Clark and Division infuses an atmospheric and heartbreakingly real crime with rich period details and delicately wrought personal stories Naomi Hirahara has gleaned from thirty years of research and archival work in Japanese American history.

"A Farewell to Arms" is Hemingway's classic set during the Italian campaign of World War I. The book, published in 1929, is a first-person account of American Frederic Henry, serving as a Lieutenant ("Tenente") in the ambulance corps of the Italian Army. It's about a love affair between the expatriate American Henry and Catherine Barkley against the backdrop of the First World War, cynical soldiers, fighting and the displacement of populations. The publication of "A Farewell to Arms" cemented Hemingway's stature as a modern American writer, became his first best-seller, and is described by biographer Michael Reynolds as "the premier American war novel from that debacle World War I."

Teaching Mockingbird presents educators with the materials they need to transform how they teach Harper Lee's novel To Kill a Mockingbird. Interweaving the historical context of Depression-era rural Southern life, and informed by Facing History's pedagogical approach, this resource introduces layered perspectives and thoughtful strategies into the teaching of To Kill a Mockingbird. This teacher's guide provides English language arts teachers with student handouts, close reading exercises, and connection questions that will push students to build a complex understanding of the historical realities, social dynamics, and big moral questions at the heart of To Kill a Mockingbird. Following Facing History's scope and sequence, students will consider the identities of the characters, and the social dynamics of the community of Maycomb, supplementing their understanding with deep historical exploration. They will consider challenging questions about the individual

choices that determine the outcome of Tom Robinson's trial, and the importance of civic participation in the building a more just society. Teaching Mockingbird uses Facing History's guiding lens to examine To Kill a Mockingbird, offering material that will enhance student's literary skills, moral growth, and social development.

A Farewell to Arms HarperCollins

The New York Times bestselling graphic memoir from actor /author /activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. THEY CALLED US ENEMY is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

Daughter of Moloka'i Penguin

From the bestselling, award-winning author of The Buddha in the Attic and The Swimmers, this commanding debut novel paints a portrait of the Japanese American incarceration camps that is both a haunting evocation of a family in wartime and a resonant lesson for our times. On a sunny day in Berkeley, California, in 1942, a woman sees a sign in a post office window, returns to her home, and matter-of-factly begins to pack her family's possessions. Like thousands of other Japanese Americans they have been reclassified, virtually overnight, as enemy aliens and are about to be uprooted from their home and sent to a dusty incarceration camp in the Utah desert. In this lean and devastatingly evocative first novel, Julie Otsuka tells their story from five flawlessly realized points of view and conveys the exact emotional texture of their experience: the thin-walled barracks and barbed-wire fences, the omnipresent fear and loneliness, the unheralded feats of heroism. When the Emperor Was Divine is a work of enormous power that makes a shameful episode of our history as immediate as today's headlines.

Teaching Mockingbird National Geographic Books

Engrossing true stories of the pioneers of epidemiology who risked their lives to find the source of deadly diseases—now revised to include updated information and a new chapter on Covid-19. More people have died in disease epidemics than in wars or other disasters, but the process of identifying these diseases and determining how they spread is often a terrifying gamble. Epidemiologists have been ignored, mocked, or silenced all while trying to protect the population and identify “patient zero” —the first person to have contracted the disease, and a key piece in solving the epidemic puzzle. Patient Zero tracks the gripping tales of eight epidemics and pandemics—how they started, how they spread, and the fight to stop them. This revised edition combines a brand-new design with updated information and features diseases such as Spanish Influenza, Ebola, and AIDS, as well as a new chapter on Covid-19.
