moment I first started reading it,
I knew it was going to be
incredible. For me, it was one of
those once-in-a-lifetime reading
experiences that you cherish
forever. It inspired me as a writer

Amy Tan 's beloved, New
York Times bestselling tale of
mothers and daughters, now the
focus of a new documentary
Amy Tan: Unintended Memoir
on Netflix Four mothers, four

daughters, four families whose
histories shift with the four winds
depending on who's "saying" the
stories. In 1949 four Chinese
women, recent immigrants to
San Francisco, begin meeting to
eat dim sum, play mahjong, and
talk. United in shared
unspeakable loss and hope, they
call themselves the Joy Luck
Club. Rather than sink into
tragedy, they choose to gather to
raise their spirits and money. "To
despair was to wish back for
something already lost. Or to
prolong what was already
unbearable." Forty years later the
stories and history continue.
With wit and sensitivity, Amy
Tan examines the sometimes
painful, often tender, and always
deep connection between
mothers and daughters. As each
woman reveals her secrets, trying
to unravel the truth about her
life, the strings become more
tangled, more entwined.
Mothers boast or despair over
daughters, and daughters roll
their eyes even as they feel the
inextricable tightening of their
matriarchal ties. Tan is an astute
storyteller, enticing readers to
immerse themselves into these

lives of complexity and mystery.

Attila the Hun - godless barbarian and near-mythical warrior king - has become a byword for mindless ferocity. His brutal attacks smashed through the frontiers of the Roman empire in a savage wave of death and destruction. His reign of terror shattered an imperial world that had been securely unified by the conquests of Julius Caesar five centuries before. This book goes in search of the real Attila the Hun. For the first time

it reveals the history of an astute politician and first-rate military commander who brilliantly exploited the strengths and weaknesses of the Roman empire. We ride with Attila and the Huns from the windswept steppes of Kazakhstan to the opulent city of Constantinople, from the Great Hungarian Plain to the fertile fields of Champagne in France. Challenging our own ideas about barbarians and Romans, imperialism and civilisation, terrorists and superpowers, this is the absorbing story of an extraordinary and complex individual who helped to bring down an empire and forced the map of Europe to be redrawn forever.

After the attack on Pearl Harbor, everything changed for Yoshiko Uchida. Desert Exile is her autobiographical account of life before and during World War II. The book does more than relate the day-to-day experience of living in stalls at the Tanforan Racetrack, the assembly center just south of San Francisco, and in the Topaz, Utah, internment

camp. It tells the story of the courage and strength displayed by those who were interned. Replaces ISBN 9780295961903 *Touching Spirit Bear* Simon and Schuster

Three voices. Three acts of defiance. One mass injustice. The story of camp as you've never seen it before. Japanese Americans complied when evicted from their homes in World War II -- but many refused to submit to imprisonment in American concentration camps without a fight. In this groundbreaking graphic novel, meet JIM AKUTSU, the inspiration for John Okada's *No-No Boy*, who refuses to be drafted from the camp at Minidoka when classified as a non-citizen, an enemy alien; HIROSHI KASHIWAGI, who resists government pressure to sign a loyalty

oath at Tule Lake, but yields to family pressure to renounce his U.S. citizenship; and MITSUYE ENDO, a reluctant recruit to a lawsuit contesting her imprisonment, who refuses a chance to leave the camp at Topaz so that her case could reach the U.S. Supreme Court. Based upon painstaking research, *We Hereby Refuse* presents an original vision of America's past with disturbing links to the American present.

Where the Wind Leads

Houghton Mifflin Harcourt PBS's *The Great American Read* named it one of America's best-loved novels. *A Separate Peace* has been a bestseller in the United States for nearly thirty years, and it is ageless in its depiction of youth during a time when the entire country was losing its innocence to World War II. *A Separate Peace* is a horrific and brilliant fable about the dark side of adolescence set at a boys' boarding school in New England during the early years of World War II. Gene is an introverted, lonely intellectual.

Phineas is a reckless athlete who is attractive and taunts others. Like the war itself, what happens between the two friends one summer robs these guys and their world of their innocence.

"Readers who choose the book for the attraction of Navajo code talking and the heat of battle will

come away with more than they ever expected to find."—Booklist, starred review Throughout World War II, in the conflict fought against Japan, Navajo code talkers were a crucial part of the U.S. effort, sending messages back and forth in an unbreakable code that used their native language. They braved some of the heaviest fighting of the war, and with their code, they saved countless American lives. Yet their story remained classified for more than twenty years. But now Joseph Bruchac brings their stories to life for young adults through the riveting fictional tale of Ned Begay, a sixteen-year-old Navajo boy who becomes a code talker. His grueling journey is eye-opening and inspiring. This deeply affecting novel honors all of those young men, like Ned, who dared to serve, and it honors the culture and language of the Navajo Indians. An ALA Best Book for Young Adults "Nonsensational and accurate, Bruchac's tale is quietly inspiring..."—School Library Journal
