More information on how to manage farm dams can be found in the Farm Dam handbook (PDF, 2162.59 KB). What you can do.

Use fences to limit or prevent stock access to dams. If stock access to the dam is totally removed, consider using alternative troughs to water stock.

[Farmers.gov: Resources for Farmers and Producers](#)

Farm wineries and farm winery outlets may manufacture and store domestic table wine and domestic fortified wine totaling no more than 100,000 gallons per year. [Subsection (a)(1) of K.S.A. 41-308a] Since that is the primary activity of a winery, all steps of the manufacturing process must take place on the licensed premises.

An employee handbook is a document that communicates your company's mission, policies and expectations.

---

Employers give this to employees to clarify their rights and responsibilities while they're employed with the company. To help you build the best employee handbook, we crafted a template to give you a headstart in creating your own document.
