required and recommended

materials and equipment for
each task * Critical safety
issues relevant to the task *
Student Notes boxes
offering vital information
the student needs to
consider while performing
the task * Time Card
feature to allow students to
track the time they spend
on each task * Performance
rating and instructor sign-
off for each task * A
correlation guide cross-
referencing the tasks with
their NATEF task numbers
Peugeot Diesel Engine
Service and Repair Manual
Haynes Publishing
"Chest pain can be

terrifying. Many people panic, or hope that if they ignore it, it will go away. But angina must be taken seriously - and in addition to taking medical advice, it's important to find out what you can do about it, and what you can do to help yourself reduce the risk of a heart attack." "This book answers key questions for anyone worried about angina: What is it, and why is it happening? Does it mean I'm going to have a heart attack? What should I do when I have chest pain? How

do I tell if it's serious?" "Living with Angina is also packed with useful advice about what you can do to deal with high cholesterol or high blood pressure, develop a sensible exercise program, and make crucial lifestyle changes that will help you live life to the full."--BOOK JACKET.
