Fascism: A Warning / AvaxHome

Fascism is back in fashion. That, at least, is the message that former secretary of state Madeleine Albright wants to convey with her new book, "*Fascism: A Warning*." In many places, she notes, we see strongmen on the rise, and this authoritarian resurgence is accompanied by a conspicuous surge of ideas from the far right.

Book Marks reviews of Fascism: A Warning by Madeleine Albright

Fascism: A Warning is her sixth book and is perhaps her most important work to date, as the world seems to face what many fear could be a long period of darkness. Albright is careful to warn against the indiscriminate use of the term

"fascism," and she very properly begins this book with a discussion of its proper usage and meaning.
