The Fundamentals of Fashion Design provides a fully illustrated introduction to the key elements of fashion design, from the initial concept of a fashion idea to realizing it in 3D form. Writing with

clarity and precision, Richard Sorger and Jenny Udale explain the entire fashion design process, including research and design, fabrics and their properties, construction methods and how to form and promote a collection. This third edition has been updated to include the latest design and construction techniques and stunning new visual examples. New and updated interviews with practitioners working for leading fashion brands offer key insights into succeeding in the industry today and a preface by fashion designer and instructor Shelley Fox introduces and contextualizes the new edition. Exercises also help readers to discover and experiment with design techniques

American Fashion Designers Paper Dolls Many new or young designers dream of having their own label, but most may not know how to make their dreams a reality and become successful in a competitive marketplace. In her practical guidebook, an experienced fashion designer and entrepreneur provides insight on obstacles, create a business, market a brand, and launch a fashion show. Nila Palacios, owner of Nila Palacios Latin Fashion, begins with introspective questions directed at aspiring fashion designers to help identify strengths, weaknesses, a motto, and specific goals. While encouraging designers to stay true to their individuality, passions, and objectives, Palacios provides step-by-step guidance that teaches specifically how to:

- Find inspiration and bring it to life through designs;
- Look for trends and colors and incorporate them into a collection;
- Design sketches, make a pattern, and select and cut fabrics;
- Match fabrics with specific styles;
- Conduct market research, identify a target market, and find a niche; and
- Compile a collection, market a product, choose models, and organize a show.

Fashion with Passion provides
