Fatal Jealousy Simon and Schuster

This first installment in the New York Times bestselling Crime Files series is a chilling collection of shocking crimes and the ensuing struggles to

bring the perpetrators to justice—from the #1 New York Times bestselling author of *The Stranger Beside Me*. The “country’s premier true crime author” (*Library Journal*) brings her clear-eyed, compassionate writing and investigative skills to this unputdownable anthology. Distinguished by the former Seattle police officer’s razor-sharp eye for detail and her penetrating analysis of the criminal mind, the featured case in this collection is the twisted story of Randy Roth—a man who married,

and murdered, for profit.

Following are compelling tales of bloody vengeance, estranged relationships that turn deadly, and fateful encounters. With her trademark “unwavering voice” (*Publishers Weekly*), Ann Rule exposes the darkness that lurks among us. *Bind, Torture, Kill Samuel French Limited*

A gripping and shocking story of a serial killer mother, and the brave daughter who brought her to justice. Dulcie Bodsworth was the unlikeliest serial killer. She was loved everywhere she went,

---

and the townsfolk of Wilcannia, which she called home in the late 1950s, thought of her as kind and caring. The officers at the local police station found Dulcie witty and charming, and looked forward to the scones and cakes she generously baked and delivered for their morning tea. That was one side of her. Only her daughter Hazel saw the real Dulcie. And what she saw terrified her. Dulcie was in fact a cold, calculating killer who, by 1958, had put three men in their graves - one of them the father of her four children, Ted Baron - in one of the most infamous periods of the state's history. She

would have got away with it all had it not been for Hazel. Written by award-winning journalist Janet Fife-Yeomans together with Hazel Baron, *My Mother, A Serial Killer* is both an evocative insight into the harshness of life on the fringes of Australian society in the 1950s, and a chilling story of a murderous mother and the courageous daughter who testified against her and put her in jail.

It's a chilling reality that homicide investigators know all too well: the last face most murder victims see is not that of a stranger, but of someone familiar. These doomed relationships are the focus of Ann Rule's sixteenth all-new Crime Files collection.

HELLBOUND Macmillan

From America's most celebrated true-crime writer comes the heartbreaking real-life drama of

a doomed young woman hopelessly trapped in a web of sexual intrigue, political manipulation, and emotional deception by her charming and successful—but ultimately deadly—lover. The author of fifteen New York Times national bestsellers, Ann Rule, a former Seattle policewoman, has researched thousands of homicides and understands every facet of murder investigation. Now, in the most complex and shocking book of her long career, she delves into the motivation that drove a seemingly successful man to kill, and she explores heretofore

unknown aspects of a fatal affair between a beautiful young woman who moved confidently in the heady world of the upper echelons of government and a widely admired millionaire attorney who was an immensely popular political figure. On June 27, 1996, thirty-year-old Anne Marie Fahey, who was the scheduling secretary for the governor of Delaware, had dinner with a man she had been having a secret affair with for more than two years. "Tommy" Capano, forty-seven, was perhaps the most politically powerful man in Wilmington. Son of a wealthy contractor,

---

former state prosecutor, partner in a prestigious law firm, advisor to governors and mayors, Tom Capano had a soft-spoken and considerate manner that endeared him to many. Although recently estranged from his wife, he was a devoted father to his four beautiful young daughters, the trusted son of his widowed mother, and the backbone of his extended family. But sometime after 9:15 that night when Anne Marie and Tom left a Philadelphia restaurant, something terrible happened to Anne Marie. It would be forty-eight hours before her brothers and sisters

realized that she had disappeared entirely. Ann Rule brilliantly traces the lives of both Fahey and Capano as she discloses the intimate details of their ill-fated bonding. A vulnerable, trusting woman becomes spellbound by a charming, duplicitous married man, and what begins as a seemingly unremarkable affair is slowly transformed into an obsessive, convoluted, and deadly relationship. Through her impeccable research, Rule peels away layer after layer of deception to reveal a man who lived a secret life for decades, a man so greedy that he would sacrifice anyone to gain what he

desired. One of his many mistresses—all of whom were unknown to one another—was Deborah MacIntyre, an attractive and wealthy member of one of Wilmington's oldest families and an administrator of an elite private school. She, too, would become part of the mystery surrounding Anne Marie's disappearance. As three prominent families are destroyed to satisfy one man's jealous obsessions, this unfathomable tragedy becomes a tale that few would believe if it were presented as fiction. Shockingly, it is all true. Destined to become a classic, *And Never Let Her Go* is

---

a riveting account of forbidden love and murder among the rich and powerful, and a chilling insight into the evil that sometimes hides behind even the most charming façade. Bitter Harvest Simon and Schuster

For thirty-one years, a monster terrorized the residents of Wichita, Kansas. A bloodthirsty serial killer, self-named "BTK"—for "bind them, torture them, kill them"—he slaughtered men, women, and children alike, eluding the police for decades while bragging of his grisly exploits to the media. The nation was shocked when the

fiend who was finally apprehended turned out to be Dennis Rader—a friendly neighbor . . . a devoted husband . . . a helpful Boy Scout dad . . . the respected president of his church. Written by four award-winning crime reporters who covered the story for more than twenty years, Bind, Torture, Kill is the most intimate and complete account of the BTK nightmare told by the people who were there from the beginning. With newly released documents, evidence, and information—and with the full cooperation, for the very first time, of the Wichita Police

Department's BTK Task Force—the authors have put all the pieces of the grisly puzzle into place, thanks to their unparalleled access to the families of the killer and his victims.

Heart Full of Lies Lennex America's #1 true-crime writer fulfills a murder victim's desperate plea with this shattering New York Times bestseller. "If anything ever happens to me...find Ann Rule and ask her to write my story." In perhaps the first true-crime book written at the victim's request, Ann Rule untangles a web of lies and brutality that

---

culminated in the murder of Sheila Blackthorne Bellush—a woman Rule never met, but whose shocking story she now chronicles with compassion, exacting detail, and unvarnished candor. Although happily ensconced in a loving second marriage, and a new family of quadruplets, Sheila never truly escaped the vicious enslavement of her ex-husband, multi-millionaire Allen Blackthorne, a handsome charmer—and a violent, controlling sociopath who subjected Sheila to unthinkable abuse in their marriage, and terrorized her for a decade after their divorce. When

Sheila was slain in her home, in the presence of her four toddlers, authorities raced to link the crime to Blackthorne, the man who vowed to monitor Sheila's every move in his obsessive quest for power and revenge.

Empty Promises Simon and Schuster

In May 2016, a team of hackers cracked into a site on the dark web - and unknowingly uncovered evidence that would eventually help investigators with the FBI solve the murder of a woman named Amy Allwine. "If you want to kill

someone, or to beat the shit out of him, we are the right guys," read the homepage of Besa Mafia, a website that was supposedly affiliated with an Albanian organized crime ring. In exchange for bitcoin, they claimed they would arrange beatings and even assassinations. The site had appealed to many potential clients, including a user named "dogdaygod." The FBI determined that "dogdaygod" was responsible for arranging the murder of Amy Allwine, a church-going Midwestern woman. "Dogdaygod" wanted

---

the slaying to "look like an accident," according to the emails sent to Besa Mafia. The user claimed Amy Allwine "tore my family apart by sleeping with my husband, and is stealing clients from my business." However, this portrayal of Amy Allwine didn't fit with the victim's life. Who was "dogdaygod" and who killed Amy Allwine?
