Wylie's final novel, published posthumously, focuses on man's destruction of the world through his unheeding and willful poisoning of the atmosphere, the land, the seas and rivers, and finally the human race itself.
Unanswered Cries Penguin
In this chilling volume of New York Times bestselling author Ann Rule's Crime Files, discover unforgettable cases of a spouse, lover, family member or helpful stranger who is totally trusted-until it's too late. Whether driven to extreme violence by greed or jealousy, passion or rage, the calculating sociopaths in this true crime collection targeted those closest to them-unwitting victims whose last disbelieving words could well have been "but I trusted you..." Headlining this page-turning anthology is the case of middle-school counselor Chuck Leonard, found shot to death outside his Washington State home on an icy February morning. A complicated mix of family man and wild man, Chuck played hard and loved many...but who crossed the line by murdering him in cold blood? And why? The revelation is as stunning as the shattering crime itself, powerfully illuminating how those we think we know can ingeniously hide their destructive and homicidal designs. Along with other shocking cases, immaculately detailed and sharply analyzed by America's #1 true crime writer, this fourteenth Crime Files volume is essential reading for getting inside the mind of the hidden killers among us.

Watch Craig Bauer discuss the Zodiac Killer's cipher on HISTORY's new miniseries The Hunt for the Zodiac Killer In 1953, a man was found dead from cyanide poisoning near the Philadelphia airport with a picture of a Nazi aircraft in his wallet. Taped to his abdomen was an enciphered message. In 1912, a book dealer named Wilfrid Voynich came into possession of an illuminated cipher manuscript once belonging to Emperor Rudolf II, who was obsessed with alchemy and the occult. Wartime codebreakers tried—and failed—to unlock the book's secrets, and it remains an enigma to this day. In this lively and entertaining book, Craig Bauer examines these and other vexing ciphers yet to be cracked. Some may reveal the identity of a spy or serial killer, provide the location of buried treasure, or expose a secret society—while others may be elaborate hoaxes. Unsolved! begins by explaining the basics of cryptology, and then explores the history behind an array of unsolved ciphers. It looks at ancient ciphers, ciphers created by artists and composers, ciphers left by killers and victims, Cold War ciphers, and many others. Some are infamous, like the ciphers in the Zodiac letters, while others were created purely as intellectual challenges by figures such as Nobel Prize-winning physicist Richard P. Feynman. Bauer lays out the evidence surrounding each cipher, describes the efforts of geniuses and eccentrics—in some cases both—to decipher it, and invites readers to try their hand at puzzles that have stymied so many others. Unsolved! takes readers from the ancient world to the digital age, providing an amazing tour of many of history's greatest unsolved ciphers.

[The End of the Dream](#) Simon and Schuster
Ann Rule brilliantly dissects the convoluted love affairs that all too often end in violence in this unnerving collection drawn from her personal crime files. From traditional courtships to Internet relationships, the passions that rule the heart can also fuel the destructive fires of rage, jealousy and murder. There are stalkers driven by obsession, gay lovers who learn too late that things are not as they appear, and conjugal visits in the shadow of prison walls. Ann Rule goes far beyond the headlines made by these unusual stories to chronicle the downward spiral that begins when promises are broken - a descent that may wrenchingly unfold to a bloody conclusion, or occur so rapidly that the reader wants to cry 'watch out'. The title story deals with an adulterous affair that slashed the trust in a seemingly ideal marriage, the violence that ensued, and a missing-persons search that was ultimately solved with forensic science, computers, and the dedicated kindness of the victim's friends. Powerful because they strike so close to home, the cases in EMPTY PROMISES will leave readers shaken with the realities of love gone terribly wrong. Unsolved! Free Press

Ann Rule dissects a case centered around an alluring young wife and the two men desperate for her love.
The I-5 Killer World Castle Publishing, LLC
USA Today gave it a 4-star rating, the Houston Chronicle called it "by far the best" and the New York Times says the "Hound takes the lead in a blaze of supplemental lists". The new 1996 edition of America's favorite guide to movies on video offers over 22,000 video reviews, including 1,000 new reviews.

Josette, a pretty, vivacious, and personable twelve-year-old, is angry with her mother over a delay in driving her to a girlfriend's house. When her mother returns home from work, Josette is not there or at her girlfriend's house. Friends, neighbors, and family members mount a diligent search and talk to people who might have seen her, but they learn very little. Nobody knows anything about what happened to Josette--or so it seems.

America's #1 true-crime writer fulfills a murder victim's desperate plea with this shattering New York Times bestseller. "If anything ever happens to me...find Ann Rule and ask her to write my story." In perhaps the first true-crime book written at the victim's request, Ann Rule untangles a web of lies and brutality that culminated in the murder of Sheila Blackthorne Bellush—a woman Rule never met, but whose shocking story she now chronicles with compassion, exacting detail, and unvarnished candor. Although happily ensconced in a loving second marriage, and a new family of quadruplets, Sheila never truly escaped the vicious enslavement of her ex-husband, multi-millionaire Allen Blackthorne, a handsome charmer—and a violent, controlling sociopath who subjected Sheila to unthinkable abuse in their marriage, and terrorized her for a decade after their divorce. When Sheila was slain in her home, in the presence of her four toddlers, authorities raced to link the crime to Blackthorne, the man who vowed to monitor Sheila's every move in his obsessive quest for power and revenge.

[A Fever In The Heart](#) Simon and Schuster
OUT OF CONTROL June 26, 2010. A Pennsylvania State Trooper, heading home from work, witnesses a car speeding and crashing into trees. Stopping to help, he finds that the driver, Michael Ballard, is alive—and drenched in blood. When asked what happened, the man answers: "I just killed everybody." OUT OF HIS MIND Not far from the accident, police make a gruesome discovery in the home of Michael's ex-girlfriend, Denise Mehri. Four bodies are found, stabbed repeatedly with a knife: Denise on the kitchen floor; her grandfather, in his wheelchair; her neighbor, who tried to help; and her father, in a room with a blood-smeared obscenity painted on the wall. How could anyone do something so sinister? OUT OF TIME... Michael had already been convicted of murder when he was only eighteen. Despite several misconducts during his time in prison, he was found suitable for parole shortly after his minimum sentence lapsed. But this time, his deadly rampage would not be so easily pardoned. From authors Colin McEvoy and Lynn Olanoff, this is the shocking true story about four innocent people who fell prey to one man's FATAL JEALOUSY. Includes 8 pages of dramatic photographs
[Gorgeous Disaster](#) Simon and Schuster
A brave and beautiful story that will make readers laugh, and break their hearts at the same time. Now with a special note from the author! Steven has a totally normal life (well, almost).He plays drums in the All-City Jazz Band (whose members call him the Peasant), has a crush on the hottest girl in school (who doesn't even know he's alive), and is constantly annoyed by his younger brother, Jeffrey (who is cuter than cute - which is also pretty annoying). But when Jeffrey gets sick, Steven's world is turned upside down, and he is forced to deal with his brother's illness, his parents' attempts to keep the family in one piece, his homework, the band, girls, and Dangerous Pie (yes, you'll have to read the book to find out what that is!).

[Deadly Neighbors](#) Simon and Schuster
Traces the murder of Whidbey Island resident Russ Douglas, who after spending Christmas with his estranged wife and children in 2003 was murdered and whose death implicated several suspects, including an aging beauty queen and her boyfriend.
[But I Trusted You](#) Simon and Schuster
"America's best true-crime writer" (Kirkus Reviews) presents an all-new collection of crime stories drawn from her private files and featuring the riveting case of a fraudulent doctor whose lifelong deceptions had deadly consequences. The inspiration behind the upcoming Lifetime movie event Desperate Hours. Dr. Anthony Pignataro was a cosmetic surgeon and a famed medical researcher whose flashy red Lamborghini and flamboyant lifestyle in western New York State suggested a highly successful career. But appearances can be deceiving—and, for the doctor's wife, very nearly deadly. Now, the motivations of the classic sociopath are plumbed with chilling accuracy by Ann Rule. Along with other shocking true cases, this worldwide headline-making case will have you turning pages in disbelief that a trusted medical professional could sink to the depths of greed, manipulation, and self-aggrandizement where even slow, deliberate murder is not seen for what it truly is: pure evil.

[The Cultivator & Country Gentleman](#) Hachette UK
The shocking true crime story of one of the most bizarre mass murders ever recorded—and the girl who escaped with her life. In the fall of 2010, in the all-American town of Apple Valley, Ohio, four people disappeared without a trace: Stephanie Sprang; her friend, Tina Maynard; and Tina's two children, thirteen-year-old Sarah and eleven-year-old Kody. Investigators began scouring the area, yet despite an extensive search, no signs of the missing people were discovered. On the fourth day of the search, evidence trickled in about neighborhood "weirdo" Matthew Hoffman. A police SWAT team raided his home and found an extremely disturbing sight: every square inch of the place was filled with leaves and a terrified Sarah Maynard was bound up in the middle of it like some sort of perverted autumn tableau. But there was no trace of the others. Then came Hoffman's confession to an unspeakable crime that went beyond murder and defied all reason. His tale of evil would make Sarah's survival and rescue all the more astonishing—a compelling tribute to a young girl's resilience and courage and to her fierce determination to reclaim her life in the wake of unimaginable trauma.
Practice to Deceive Macmillan

In July 2011, billionaire Jonah Shacknai's Coronado, California, mansion was the setting for two horrifying deaths only days apart--his young son's plunge from a balcony and his girlfriend's ghastly hanging. What really happened? Baffling questions remain unanswered. Rule looks at the closed cases through the eyes of a relentless crime reporter. The second probe began in Utah when Susan Powell vanished in a 2009 blizzard. Her controlling husband, Josh, proved capable of a blind rage that was heartbreakingly fatal to his innocent young sons almost three years later in a tragedy that shocked America as the details unfolded. If anyone had detected the depth of depravity within Josh Powell, perhaps the family that loved and trusted him would have been saved. In these and seven other riveting cases, Ann Rule exposes the twisted truth behind headlined and little-known homicides and speaks for vulnerable victims who relied on the wrong people.
[It's Worth It](#) Gallery Books
Ann Rule presents a collection of fascinating and disturbing true-crime stories—drawn from her real-life personal files—in this seventeenth volume in the #1 New York Times bestselling Crime Files series. In this gripping collection of investigative accounts from her private archives, "America's best true-crime writer" (Kirkus Reviews) exposes the most frightening aspect of the murderous mind: the waiting game. Trusted family members or strangers, these cold-blooded killers select their unsuspecting prey, wait for the perfect moment to strike, then turn normality into homicidal mayhem in a matter of moments. Ann Rule will have you seeing the people and places around you with heightened caution as you read these shattering cases, including: • New mothers murdered, their infants kidnapped, in an atrocious baby-selling scheme • The man who kept his criminal past hidden from his wife—and his wife from his mistress—until he coldly disposed of one of them • The beautiful daughter of a State Department official ran away from the privileged world she knew and hitched a ride with a man she didn't...with fatal consequences • For months, a vicious, rage-filled serial rapist eluded police and terrorized Seattle's women—when would he strike next, and how far would his violence escalate? • A criminal known for his Houdini-like escapes is serving time for murder in a botched robbery—now the convict is being served dinner in a civilian's home, where he has one more trick up his sleeve • A long-lost relative who came home to visit, leaving a bloody trail through Washington and Oregon; no one realized how dangerous he and his ladylove were—until it was far too late... With her ability to translate the most complex cases into storytelling—as dramatic and chilling as a bedroom window shattering at night" (The New York Times), Rule expertly analyzes the thoughts and deeds of the sociopath, in this seventeenth essential Crime Files volume.
Rougarou III Samuel French Limited

The book is based on actual murders committed in St. Augustine Florida in 1974. The episodes have been fictionalized but the settings are real. The author is familiar with St. Augustine having spent much time there with her parents. The narrator slowly related the horror of the murders to the author; his depression and frustration, his desire to take justice into his own hands. Healed though the nature he was devoted to, the piney woods and the beach, the author was introduced to "old timey" St. Augustine and a now vanished way

of life.This is a story of healing and the start a new life.
Lying in Wait St. Martin's Paperbacks
Young people have been disappearing from their homes in Saint Anthony Parish, Louisiana, for years. However, now that both Jonathan and Rafael are dead and thrown into hell, there should be no more danger. Except, Lawrence Hindel is not about to forget it was Detectives Hays and Olivier' who helped make this happen. Now the only focus on Lawrence Hindel's mind is the young son of Jack Olivier' whose fault it is that Jonathan has not been reborn back onto this plane. Evil will always find a way to extract payment for what it believes is its just due. Especially when that evil lives in the body of a Rougarou. “ A Chilling passage into the nether world for readers who explore the dark side of myth. ” —Ann Rule, Author of Fatal Friends, Deadly Neighbors and Don't Look Behind You.
Green River, Running Red Simon and Schuster
"Previously publisher under the pseudonym Andy Stack."--Title page verso.

You Belong to Me and Other True Crime Cases Createspace Independent Publishing Platform
This suspenseful true story of a drug cartel hitman who got away with murder after murder in California's Central Valley over three decades reveals how the criminal justice system fails our most vulnerable immigrant communities. On the surface, fifty-eight-year-old Jose Martinez didn't seem evil or even that remarkable—just a regular neighbor, good with cars and devoted to his family. But in between taking his children to Disneyland and visiting his mom, Martinez was also one of the most skilled professional killers police had ever seen. He tracked one victim to one of the wealthiest corners of America, a horse ranch in Santa Barbara, and shot him dead in the morning sunlight, setting off a decades-long manhunt. He shot another man, a farmworker, right in front of his young wife as they drove to work in the fields. The widow would wait decades for justice. Those were murders for hire. Others he killed for vengeance. How did Martinez manage to evade law enforcement for so long with little more than a slap on the wrist? Because he understood a dark truth about the criminal justice system: if you kill the "right people"—people who are poor, who aren't white, and who don't have anyone to speak up for them—you can get away with it. Melding the pacing and suspense of a true crime thriller with the rigor of top-notch investigative journalism, The Devil's Harvest follows award-winning reporter Jessica Garrison's relentless search for the truth as she traces the life of this assassin, the cops who were always a few steps behind him, and the families of his many victims. Drawing upon decades of case files, interrogation transcripts, on-the-ground reporting, and Martinez's chilling handwritten journals, The Devil's Harvest uses a gripping and often shocking narrative to dig into one of the most important moral questions haunting our politically divided nation today: Why do some deaths—and some lives—matter more than others? "Meticulously researched and tightly woven, The Devil's Harvest is an important story because it tells us that if [this] can happen in one place, then it can happen in any place. And that's damn scary." —Michael Connelly, New York Times bestselling author of The Closers, The Lincoln Lawyer, and The Night Fire
Mortal Danger FriesenPress

The #1 New York Times bestselling author and true crime master Ann Rule presents her fifteenth volume of the acclaimed Crime Files series focusing on disturbing stories of people in danger, sometimes from strangers and sometimes from the people they know and love. Walking home on a dark night, you hear footsteps coming up behind you. As they get closer, your heart pounds harder. Is it a dangerous stranger or someone you know and trust? The answer is as simple as turning around, but don ' t look behind you...run. With her signature in-depth research and compelling writing, Ann Rule chronicles fateful encounters with the secret predators hiding in plain sight. First in line is a stunning case that spanned thirty years and took one determined detective to four states—ending, finally, in Alaska—where he unraveled not one but two murders. A second case appears to begin and end with the hunt for the Green River Killer, focusing on a Washington State man who was once cleared as a suspect in that deadly chain of homicides. In another true story, a petite woman went to a tavern, looking only for conversation and fun. Instead, she met violent death in the form of a seven-foot tall man who had seemed shy and harmless. You ' ll feel a chill as you uncover these and numerous other cases of unfortunate victims who made one tragic mistake: trusting the wrong person—even someone they thought they knew.
