From award-winning male/male author Josh Lanyon: a librarian finds himself in a plot right out of one of his favorite mystery novels Librarian Carter Matheson is determined to enjoy himself on a Scottish bus tour for fans of mystery author Dame Vanessa Rayburn. Sure, his ex, Trevor, will also be on the trip with his new boyfriend, leaving Carter to share a room with a stranger, but he can't pass up a chance to meet his favorite author. Carter's roommate turns out to be John Knight, a figure as mysterious as any character from Vanessa's books. His strange affect and nighttime wanderings make Carter suspicious. When a fellow traveler's death sparks rumors of foul play, Carter is left wondering if there's anyone on the tour he can trust. Drawn into the intrigue, Carter searches for answers, trying to fend off his growing

attraction toward John. But as unexplained tragedies continue, the whole tour must face the fact that there may be a murderer in their midst—but who? This book is approximately 60,000 words One-click with confidence.

Murder Takes the High Road
JustJoshin Publishing, Inc.

What do you do when your marriage is so unhappy that you begin to fantasize about your husband's funeral? That's how bad it got for Alisa Bowman. . . So she launched a last-ditch effort to save her marriage.

Project: Happily Ever After is her fearlessly honest and humorous account of how she went from being a "divorce daydreamer" to renewing her wedding vows -- and all of the steps in between. From bikini waxes to erotica, romance instruction manuals to second honeymoons, the silent treatment to power struggles, she goes where many marriage-improvement gurus have feared to tread. Equal parts funny, poignant, and most importantly,

useful, Bowman's story will give other miserably-married folks courage and hope. And in addition to telling her own story, she packs straightforward prescriptive guidance, including a "10-Step Marital Improvement Guide." Readers will laugh. They'll cry. And they can start on the road toward their own happy ending!

Washington Post She has been

hailed by Michael Chabon as

“the most darkly playful voice

in American fiction” and by Neil Gaiman as “a national treasure.” Now Kelly Link’s eagerly awaited new collection—her first for adult readers in a decade—proves indelibly that this bewitchingly original writer is among the finest we have. Link has won an ardent following for her ability, with each new short story, to take readers deeply into an unforgettable, brilliantly constructed fictional universe. The nine exquisite examples in this collection show her in full command of her formidable powers. In “The Summer People,” a young girl in rural North Carolina serves as uneasy caretaker to the mysterious, never-quite-glimpsed visitors who inhabit the cottage behind her house. In “I Can See Right Through You,” a middle-aged movie star makes a disturbing trip to the Florida swamp where his former on- and off-screen love interest is shooting

a ghost-hunting reality show. In “The New Boyfriend,” a suburban slumber party takes an unusual turn, and a teenage friendship is tested, when the spoiled birthday girl opens her big present: a life-size animated doll. Hurricanes, astronauts, evil twins, bootleggers, Ouija boards, iguanas, The Wizard of Oz, superheroes, the Pyramids . . . These are just some of the talismans of an imagination as capacious and as full of wonder as that of any writer today. But as fantastical as these stories can be, they are always grounded by sly humor and an innate generosity of feeling for the frailty—and the hidden strengths—of human beings. In *Get in Trouble*, this one-of-a-kind talent expands the boundaries of what short fiction can do. Praise for *Get in Trouble* “Ridiculously brilliant . . . These stories make you laugh while staring into the void.”—The Boston Globe

“When it comes to literary magic, Link is the real deal: clever, surprising, affecting, fluid and funny.”—San Francisco Chronicle

Love is in the Salt Sea Air--and So is Murder! Ellery Page, aspiring screenwriter,

reigning Scrabble champion, and occasionally clueless owner of the village's only mystery bookstore, the Crow's Nest, is both flattered and bemused when he's invited to the annual Marauder's Masquerade, the best and biggest social event of the season in the quaint seaside village of Pirate's Cove, Rhode Island. The event is hosted by the wealthy Marguerite Bloodworth-Ainsley—a descendant of the famed pirate Tom Blood. Ellery doesn't even know Mrs. Bloodworth-Ainsley—nor, it turns out—does Mrs. Bloodworth-Ainsley know him. But Marguerite's son, Julian wants to know Ellery. Julian, handsome, rich and engaging, is a huge mystery buff. In fact, he's bought quite a few books at the Crow's Nest bookstore, but never quite worked up the nerve to ask Ellery out. As his relationship with Police Chief Carson

seems to be dead in the water, Ellery is grateful for a little flattering attention from the village's most eligible bachelor, but any hopes of romance hit the shoals when Julian is accused of murdering his mother's unlikable second husband during the Masquerade's annual ghost hunt in the family's spooky cemetery.

The Hell You Say Anchor Murder: Live and in Technicolor Working undercover allows FBI Art Crime Team agent Jason West the illusion of safety as he investigates the supposed discovery of a legendary lost 1950s private eye movie known as Snowball in Hell. But the complicated relationship between film preservation and piracy is nothing to preserving the delicate balance of Jason's ongoing relationship with BAU Chief Sam Kennedy. Sam is hunting the man hunting Jason, and until Dr. Jeremy Kyser is caught, the possibility of a real relationship between Sam and Jason has to be put on pause. Then Jason learns

of another legendary lost flick, the reader will discover a definition of subject darker than any film noir, and he's drawn into the secret, sinister world of snuff films. A world where the line between fantasy and felony—a line as thin and deadly as a strand of piano wire—means the difference between life and death.

"Wendy Lesser's extraordinary alertness, intelligence, and curiosity have made her one of America's most significant cultural critics," writes Stephen Greenblatt. In *Why I Read*, Lesser draws on a lifetime of pleasure reading and decades of editing one of the most distinguished literary magazines in the country, *The Threepenny Review*, to describe her love of literature. As Lesser writes in her prologue, "Reading can result in boredom or transcendence, rage or enthusiasm, depression or hilarity, empathy or contempt, depending on who you are and what the book is and how your life is shaping up at the moment you encounter it." Here the

literature that is as broad as it is broad-minded. In addition to novels and stories, Lesser explores plays, poems, and essays along with mysteries, science fiction, and memoirs. As she examines these works from such perspectives as "Character and Plot," "Novelty," "Grandeur and Intimacy," and "Authority," *Why I Read* sparks an overwhelming desire to put aside quotidian tasks in favor of reading. Lesser's passion for this pursuit resonates on every page, whether she is discussing the book as a physical object or a particular work's influence. "Reading literature is a way of reaching back to something bigger and older and different," she writes. "It can give you the feeling that you belong to the past as well as the present, and it can help you realize that your present will someday be someone else's past. This may be disheartening, but it can also be strangely consoling at times." A book in the spirit of E. M. Forster's *Aspects of the Novel* and Elizabeth Hardwick's *A View of My Own*, *Why I Read* is

iconoclastic, conversational, and full of insight. It will delight those who are already avid readers as well as neophytes in search of sheer literary fun.

The Ghost Had an Early Check-Out Doubleday Canada
Joyce Sparks has lived the whole of her 86 years in the small community of Balsden, Ontario. As a girl, Joyce allowed herself to imagine a future of adventure in the arms of her friend Freddy Pender, whose chin bore a Kirk Douglas cleft and who danced the cha-cha divinely. Though troubled by the whispered assertions of her sister and friends that he wasn't 'normal,' Joyce adored Freddy for all that was un-Balsden in his flamboyant ways. When Freddy led the homecoming parade down the main street, his expertly twirled baton and outrageous white suit gleaming in the sun, Joyce fell head over heels in unrequited love. Years later, Joyce married Charlie, who was nothing like Freddy, and bore a son who very much reminded her of Freddy. Tragic news of her childhood

love arrived and Joyce was forced to face how far she should go to protect the fate and life of her son and the implications her decision had. Today, as her life ebbs away in the bed at Chestnut Park Nursing Home, Joyce ponders the terrible choices she made as a mother and wife and doubts that she can be forgiven, or that she deserves to be. When a young nursing home volunteer named Timothy appears, so much like her long lost son, Joyce wonders if there be some grace in her life after all. Voiced by an unforgettable and heartbreakingly flawed narrator, *Natural Order* is a masterpiece of empathy, a wry and tender depiction of the end-of-life remembrances and reconciliations that one might undertake when there is nothing more to lose, and no time to waste.

A Novel Justjoshin

"I did not go to Nicaragua intending to write a book, or, indeed, to write at all: but my encounter with the place affected me so deeply that in the end I had no choice." So notes Salman Rushdie in his first work of nonfiction, a book as imaginative and meaningful as his acclaimed novels. In *The Jaguar Smile*, Rushdie paints a brilliantly sharp and haunting portrait of

the people, the politics, the terrain, and the poetry of “a country in which the ancient, opposing forces of creation and destruction were in violent collision. Recounting his travels there in 1986, in the midst of America’s behind-the-scenes war against the Sandinistas, Rushdie reveals a nation resounding to the clashes between government and individuals, history and morality.
