"With stories by women from a wide range of religious communities—including Evangelical Christian, Catholic, Jewish, Mormon, Muslim, Calvinist, Moonie, the Unification Church, and Jehovah's Witnesses—the writers in *Beyond Belief* pull back a heavy curtain to reveal what they love about their lives within these communities, along with the pain that comes from the rigid expectations and diminishment of women so often built into religious orthodoxy."—Back cover.

"A courageous and finely crafted portrait of a young woman struggling with her family, her faith, and that awkward space between being a child and growing into adulthood."—Star Tribune (Minneapolis)
"Unimaginable . . . As much an indictment of Christian Science as it is a memoir of her family's experience of loss."—O: the Oprah Magazine
Lucia Ewing had what looked like an all-American childhood, but when it came to accidents and illnesses, her parents didn't take their kids to the doctor's office—they prayed and called a Christian Science practitioner. As a teenager, her visit to an ophthalmologist created a family crisis, and she was a sophomore in college before she had her first annual physical. In December 1985, when Lucia and her siblings, by then young adults, discovered that their mother was sick, they came face-to-face with the reality that they had few—if any—options to save her. Powerless as their mother suffered, they were grief-stricken, angry, and confused. In this haunting, beautifully written book, Lucia pulls back the curtain on the Christian Science faith and chronicles its complicated legacy for her family. At once an essentially American coming-of-age story and a glimpse into the practices of a religion few really understand, *fathermothergod* is an unflinching exploration of personal loss and the boundaries of family and faith.

" Sometimes, a child is born to a parent who can ' t be a parent, and, like a seedling in the shade, has to grow toward a distant sun. Ariel Leve ' s spare and powerful memoir will remind us that family isn ' t everything—kindness and nurturing are. " —Gloria Steinem
Ariel Leve grew up in Manhattan with an eccentric mother she describes as " a poet, an artist, a selfappointed troublemaker and attention seeker. " Leve learned to become her own parent, taking care of herself and her mother ' s needs. There would be uncontrolled, impulsive rages followed with denial, disavowed responsibility, and then extreme outpourings of affection. How does a child learn to feel safe in this topsyturvy world of conditional love? Leve captures the chaos and lasting impact of a child ' s life under siege and explores how the coping mechanisms she developed to survive later incapacitated her as an adult. There were material comforts, but no emotional safety, except for summer visits to her father ' s home in South East Asia—an escape that was terminated after he attempted to gain custody. Following the death of a loving caretaker, a succession of replacements raised Leve—relationships which resulted in intense attachment and loss. It was not until decades later, when Leve moved to other side of the world, that she could begin to emancipate herself from the past. In a relationship with a man who has children, caring for them yields a clarity of what was missing. In telling her haunting story, Leve seeks to understand the effects of chronic psychological maltreatment on a child ' s developing brain, and to discover how to build a life for herself that she never dreamed possible: An unabbreviated life.

How does a woman who grew up in rural Indiana as a fundamentalist Christian end up a practicing Jew in New York? Angela Himsel was raised in a German-American family, one of eleven children who shared a single bathroom in their rented ramshackle farmhouse in Indiana. The Himsels followed an evangelical branch of Christianity—the Worldwide Church of God—which espoused a doomsday philosophy. Only faith in Jesus, the Bible, significant tithing, and the church's leader could save them from the evils of American culture—divorce, television, makeup, and even medicine. From the time she was a young girl, Himsel believed that the Bible was the guidebook to being saved, and only strict adherence to the church's tenets could allow her to escape a certain, gruesome death, receive the Holy Spirit, and live forever in the Kingdom of God. With self-preservation in mind, she decided, at nineteen, to study at The Hebrew University in Jerusalem. But instead of strengthening her faith, Himsel was introduced to a whole new world—one with different people and perspectives. Her eyes were slowly opened to the church's shortcomings, even dangers, and fueled her natural tendency to question everything she had been taught, including the guiding principles of the church and the words of the Bible itself. Ultimately, the connection to God she so relentlessly pursued was found in the most unexpected place: a mikvah on Manhattan's Upper West Side. This devout Christian Midwesterner found her own form of salvation—as a practicing Jewish woman. Himsel's seemingly impossible road from childhood cult to a committed Jewish life is traced in and around the major events of the 1970s and 80s with warmth, humor, and a multitude of religious and philosophical insights. *A River Could Be a Tree: A Memoir* is a fascinating story of struggle, doubt, and finally, personal fulfillment.

[Miscellaneous Writings, 1883-1896 Simon and Schuster](#)

Twelve Extraordinary Women offers a poignant and personal look into the lives of some of the Bible's most faithful women, teaching modern believers that true faith can leave a lasting legacy. These women were ordinary, common, and in some cases even ostracized and rejected by society, yet each was made extraordinary by her life-changing encounter with God. In *Twelve Extraordinary Women*, bestselling author and Bible teacher John MacArthur shows us that the God to whom they were so faithful is the same God who continues to mold and guide us today. As you meet these women in Scripture and get to know more about their lives and characters, they will challenge you, motivate you, encourage you, and inspire you with love for the God whom they trusted, served, and loved, teaching us that: Our personal struggles and temptations are the very same kinds of trials that all believers of all ages have confronted. Even in the midst of our trouble, God remains eternally faithful. Through God, anyone can become extraordinary. From Eve to the Samaritan Woman, these twelve women each serve as reminders of both our frailty and our potential. Together, they all point us to Christ and His grace.

[The Heart Of " I AM " The Point Of Divine Origin \(Parts One, Two and Three\)](#), is an unfolding journey, a study into the path of

realization of the Divinity of Mankind. It reveals the secrets of Divinity, the truth within the Self, God made Manifest as the diversity of all life and as your Immortal Being. *The Heart Of " I AM " The Point Of Divine Origin (Parts One, Two and Three)*, is a journey of the soul ' s awakening evolution through Resurrection and Ascension. The soul ' s journey is taken through Alpha and Omega, the Body and Blood of the Self, as God ' s creation. With the remembrance of all aspects of the Self, we become the realization of the prosperity of the Heart, the understanding of the true Self; perfect creations, a manifestation of God ' s Heart, as seen through his Mind. This journey is the most comprehensive understanding of Alpha and Omega, starting from the Stargate of Father Mother God, through to the dimensions of Space formed forth as the Body through which the Blood, the knowing of the Self flows as Eternal Light. This unfolding fulfills the revelation of God, that all should know the truth of God.

Wealth and abundance are our divine right, learn to embrace prosperity with #1 New York Times bestselling author Marianne Williamson — preorder her latest, *The Mystic Jesus*, picking up where *A Return to Love* left off. In *The Law of Divine Compensation*, revered spiritual guide Marianne Williamson teaches how, with faith in God ' s promise of love and abundance for all, we need never fear the future. There are two realms that we have the ability to inhabit: the physical realm and the spiritual realm. In the physical realm, we find ourselves stressed by debt, unemployment, health bills, and more. While these fears are real, we don ' t have to find ourselves stuck there. Instead, we can enter the spiritual realm, where God has promised to make abundance and prosperity available to us all. We do not need to be worried; we do not need to be preoccupied with our current financial situation; we do not need to fear the future. We just need to have the right mindset, the right faith that the power of God can and will work with the universe to produce miracles in our lives. If we live our lives to the best of our abilities, God will work with the universe to help give us everything we need.

From Pulitzer Prize-winning author and former Christian Scientist Caroline Fraser comes the first unvarnished account of one of America's most controversial and little-understood religious movements. Millions of Americans — from Lady Astor to Ginger Rogers to Watergate conspirator H. R. Haldeman — have been touched by the Church of Christ, Scientist. Founded by Mary Baker Eddy in 1879, Christian Science was based on a belief that intense contemplation of the perfection of God can heal all ills — an extreme expression of the American faith in self-reliance. In this unflinching investigation, Caroline Fraser, herself raised in a Scientist household, shows how the Church transformed itself from a small, eccentric sect into a politically powerful and socially respectable religion, and explores the human cost of Christian Science's remarkable rise. Fraser examines the strange life and psychology of Mary Baker Eddy, who lived in dread of a kind of witchcraft she called Malicious Animal Magnetism. She takes us into the closed world of Eddy's followers, who refuse to acknowledge the existence of illness and death and reject modern medicine, even at the cost of their children's lives. She reveals just how Christian Science managed to gain extraordinary legal and Congressional sanction for its dubious practices and tracks its enormous influence on new-age beliefs and other modern healing cults. A passionate expos é of zealotry, *God's Perfect Child* tells one of the most dramatic and little-known stories in American religious history.

[God's Perfect Child Simon and Schuster](#)

Positive thinking is good for you. You can become healthy, wealthy, and influential by using the power of your mind to attract what you desire. These kooky but commonplace ideas stem from a nineteenth-century new religious movement known as 'mind cure' or New Thought. Related to Mary Baker Eddy's Christian Science, New Thought was once a popular religious movement with hundreds of thousands of followers, and has since migrated into secular contexts such as contemporary psychotherapy, corporate culture, and entertainment. New Thought also pervades nineteenth- and early twentieth-century children's literature, including classics such as *The Secret Garden*, *Anne of Green Gables*, and *A Little Princess*. In this first book-length treatment of New Thought in Anglophone fiction, Anne Stiles explains how children's literature encouraged readers to accept New Thought ideas — especially psychological concepts such as the inner child — thereby ensuring the movement's survival into the present day.

"What was Jesus ' relationship with Mary Magdalene? What did he teach about the role of women? Is God only male? *Mary Magdalene and the Divine Feminine* explores these questions and much more as it unfolds

Jesus' liberating teaching on Woman and on the true nature and destiny of the soul—teaching that has been lost for thousands of years. With detailed research and penetrating insight, Elizabeth Clare Prophet shows that Jesus actually broke with the tradition of his time and brought a revolutionary and freeing message for women that was later suppressed. She talks about why early Christian leaders denied Jesus' message on reverence for Woman and on the inner feminine potential of both man and woman. She also reveals the true relationship of Jesus and Mary Magdalene and why the concept of original sin, which was not part of Jesus' original teachings, was invented. In these pages, you will also explore the principle and role of the Mother and the Divine Feminine in East and West from ancient times through the teachings of the Hindus, Hebrews, Christians, Gnostics and others. And you will come to see how the story of Mary Magdalene is representative of our own soul's journey and holds valuable keys for your personal spiritual growth and awakening."

Charles Fillmore, the co-founder of the Unity School of Christianity, delves into the metaphysical and spiritual meanings behind a plethora of words in his book *'The Revealing Word'*. Filled with concise definitions and explanations, this book serves as a valuable reference for those seeking to deepen their understanding of spiritual concepts. Drawing from various religious traditions and philosophies, Fillmore's writing style is authoritative and enlightening, making complex ideas accessible to readers. *'The Revealing Word'* is a must-read for those interested in metaphysical studies and spiritual growth. With its detailed exploration of words and their deeper meanings, this book provides invaluable insights for individuals on a spiritual path. Charles Fillmore's profound knowledge and deep spiritual insight shine through in this enlightening work, making it a valuable resource for seekers of spiritual truth and understanding.

Twelve Extraordinary Women W. W. Norton & Company Home Tonight follows the path of Henri Nouwen's spiritual homecoming. More than three years prior to writing his great classic, *The Return of the Prodigal Son*, Nouwen suffered a personal breakdown followed by a time of healing solitude when he encountered Rembrandt's famous painting. Within his solitude he reflected on and identified with the parable's characters and experienced profound and inspiring life lessons. This captivating book was created from never-before-published materials that formed the basis of the small workshop inspired by Nouwen's intimate encounter with Rembrandt's painting. Readers are led to welcome their unique Belovedness through practices of "spiritual listening," journaling, and communing with God, thus connecting personally with the unique, unconditional love of the One who created them. *Home Tonight* is a practical guide for the inner journey home.

IT'S AMAZING WHAT A DEAD WOMAN CAN DO IN JUST 8 MINUTES! "Smart, funny, and profoundly spiritual—a deeply moving experience that skeptics and believers alike can embrace. I loved it!" - Howard Rosenberg, Pulitzer Prize winning former Los Angeles Times columnist and author. If you think a conversation with God couldn't possibly be FUNNY, you're in for a very BIG surprise! Brooke Jones, Breast Cancer Warrior, Political Satirist, and former star of San Francisco and Los Angeles radio died...but her death was short-lived. 8 minutes passed here on Earth while she was busy being dead, but she wasn't on Earth - she was at Heaven's Front Door, having a Question and Answer Session with God! "What is the meaning of life?" "What religion is God?" "Is God male or female?" Brooke asked every question she could think of, and God provided the answers. The first thing she learned was that God has a sense of humor! (Well of course God has a sense of humor - have you ever seen a Platypus?) Was she returned to the Land Of The Living because of the startling final question she asked? Did all that she experienced really happen, or was it just the hallucination of a dying brain? She didn't know, until...she was given proof - absolute proof - proof she could not possibly deny! 'Why Are There Monkeys? (and other questions for God)' is the absolutely TRUE, INSPIRATIONAL, laugh-out-loud FUNNY story of one woman's Near-Death Question and Answer Session with God. "By God, Brooke Jones is a hell of a writer!" - Ben Fong-Torres, former Editor of Rolling Stone Magazine. "Delightful, insightful, spiritual and startlingly funny! It left me, an atheist, more of a believer than I was before. I loved every minute of it!" - Ray Richmond, former columnist with The Hollywood Reporter, Daily Variety, Orange County Register, LA

Herald Examiner.

Awaken the Power Within HarperCollins Australia

An extraordinary story of a girl, her grandfather and one of nature's most mysterious and beguiling creatures: the honeybee. Meredith May recalls the first time a honeybee crawled on her arm. She was five years old, her parents had recently split and suddenly she found herself in the care of her grandfather, an eccentric beekeeper who made honey in a rusty old military bus in the yard. That first close encounter was at once terrifying and exhilarating for May, and in that moment she discovered that everything she needed to know about life and family was right before her eyes, in the secret world of bees. May turned to her grandfather and the art of beekeeping as an escape from her troubled reality. Her mother had receded into a volatile cycle of madness and despair and spent most days locked away in the bedroom. It was during this pivotal time in May's childhood that she learned to take care of herself, forged an unbreakable bond with her grandfather and opened her eyes to the magic and wisdom of nature. The bees became a guiding force in May's life, teaching her about family and community, loyalty and survival and the unequivocal relationship between a mother and her child. Part memoir, part beekeeping odyssey, *The Honey Bus* is an unforgettable story about finding home in the most unusual of places, and how a tiny, little-understood insect could save a life. 'If Meredith May's book was simply an ethology of bees I would devour every word; her prose is tender, thoughtful and transporting. But *The Honey Bus* is so much more - a memoir of aching loneliness, reckoning and redemption. Beautiful and brave.' - Domenica Ruta, New York Times bestselling author of *With or Without You: A Memoir* Secret Daughter Macmillan + ORM

In the tradition of *Kitchen Confidential* and *Waiter Rant*, a rollicking, eye-opening, fantastically indiscreet memoir of a life spent (and misspent) in the hotel industry. "Highly amusing."—New York Times Jacob Tomsky never intended to go into the hotel business. As a new college graduate, armed only with a philosophy degree and a singular lack of career direction, he became a valet parker for a large luxury hotel in New Orleans. Yet, rising fast through the ranks, he ended up working in "hospitality" for more than a decade, doing everything from supervising the housekeeping department to manning the front desk at an upscale Manhattan hotel. He's checked you in, checked you out, separated your white panties from the white bed sheets, parked your car, tasted your room-service meals, cleaned your toilet, denied you a late checkout, given you a wake-up call, eaten M&Ms out of your minibar, laughed at your jokes, and taken your money. In *Heads in Beds* he pulls back the curtain to expose the crazy and compelling reality of a multi-billion-dollar industry we think we know. *Heads in Beds* is a funny, authentic, and irreverent chronicle of the highs and lows of hotel life, told by a keenly observant insider who's seen it all. Prepare to be amused, shocked, and amazed as he spills the unwritten code of the bellhops, the antics that go on in the valet parking garage, the housekeeping department's dirty little secrets—not to mention the shameless activities of the guests, who are rarely on their best behavior. Prepare to be moved, too, by his candor about what it's like to toil in a highly demanding service industry at the luxury level, where people expect to get what they pay for (and often a whole lot more). Employees are poorly paid and frequently abused by coworkers and guests alike, and maintaining a semblance of sanity is a daily challenge. Along his journey Tomsky also reveals the secrets of the industry, offering easy ways to get what you need from your hotel without any hassle. This book (and a timely proffered twenty-dollar bill) will help you score late checkouts and upgrades, get free stuff galore, and make that pay-per-view charge magically disappear. Thanks to him you'll know how to get the very best service from any business that makes its money from putting heads in beds. Or, at the very least, you will keep the bellmen from taking your luggage into the camera-free back office and bashing it against the wall repeatedly.

Leaving Christian Science Penguin

An initiatic journey into the Mysteries of the Goddess and humanity's return to an age of peace and celestial light • Details the ceremonies and rituals of initiation into the Fellowship of Isis • Reveals the lost teachings of Jesus about the Divine Mother and Father and how the goddess Sophia is connected to Mary Magdalene as the Female Christ • Explores the many archetypes of the Goddess, including Isis, Brigit, and the Black Madonna, and how we can transform into Homo luminous, spiritual beings of light Called through her dreams by the Priestesses of Isis, Tricia McCannon set out on a spiritual journey into the Mysteries of the Goddess. After a fateful encounter with a high initiate of the ancient Fellowship of Isis, she began researching the history of Judaism and Christianity to find out how and when the Divine Feminine became lost. She discovered a forgotten age when the Creator was honored as female and humanity lived in peaceful societies completely free of war. She shows how we can return to an age of peace and celestial light if we work to bring the masculine and feminine energies of the world back into balance. Sharing her journey into the heart of the Divine Mother, McCannon details her initiation into the Fellowship of Isis, a process rich with ceremony, ritual, and myths of the Goddess from ancient Egyptian, Celtic, Greek, Hebrew, and Native American

traditions. She reveals how the many archetypes of the Goddess, including Isis, Ishtar, Brigit, and the Black Madonna, can become our allies for self-transformation. She explores Mysteries at the heart of Christianity that have remained hidden for nearly 2,000 years and how the Gnostic goddess Sophia is tied to the Second Coming, Mary Magdalene, and the Female Christ. She reveals the lost teachings of Jesus about the Divine Mother and Father and about the Divine Daughter and Son. Through her story and her in-depth research, McCannon takes us on a journey to awaken the creative power of the Divine Feminine within each of us. Equipped with the teachings of the Goddess, we gain the mastery to overcome the deeply rooted masculine-feminine imbalance of the patriarchy and to embark into the future as Homo luminous, beings of light.
