Now, Stone must clear his own good name and find a killer hiding among the glitterati of New York ' s high society.

The Rabbit Factory

Chatto & Windus
From the critically acclaimed author of the collection Kentucky Straight and memoir My Father the Pornographer, The Good Brother is the finely crafted debut novel from a talent the New

York Times calls "a fierce writer". Virgil Caudill has never gone looking for trouble, but this time he's got no choice—his hell-raising brother Boyd has been murdered. Everyone knows who did it, and in the hills of Kentucky, tradition won't let a murder go unavenged. No matter which way he chooses, Virgil will lose. The Good Brother is the story of a man's struggle to find his real self in the wake of an impossible choice. Traversing the American landscape from the hollows of Eastern Kentucky to the plains of Montana, Offutt explores the hunger for belonging that drives our most passionate beliefs, and in the process shows himself to be one of our most powerful storytellers.

FOREWORD BY RON

RASH AND AN

APPRECIATION BY

DWIGHT GARNER “ One

of the finest books I

know about blue-collar

work in America, its

rewards and frustrations

. . . If you are among the

tens of millions who have

never read Brown, this is

a perfect introduction. ”

—Dwight Garner, The

New York Times On

January 6, 1990, after

seventeen years on the

job, Larry Brown quit the

Oxford, Mississippi, fire

department to try writing

full-time. In *On Fire*, he

looks back on his life as

a firefighter. His

unflinching accounts of

daily trauma—from the

blistering heat of burning

trailer homes to the

crunch of broken glass at

crash scenes—catapult

readers into the hard

reality that drove this

award-winning novelist.

As a firefighter and

fireman-turned-author, as

husband and hunter, and

as father and son, Brown

offers insights into the

choices men face

pursuing their life ’ s

work. And, in the

forthright style we

expect from Larry

Brown, his narrative

builds to the explanation

of how one man who

regularly confronted

death began to burn with

the desire to write about

life.

"All the sizzle, chaos, noise

and scariness of war is clay in

the hands of ace storyteller

Lynch." -- Kirkus Reviews for

the World War II series

Discover the secret missions behind America's greatest conflicts. Fergus Frew thought he knew what to expect when he signed up with the Navy's demolitions team. But as the Korean War rages on, Fergus and his fellow divers -- AKA "frogmen" -- are tasked with more than just scouting mudflats. Soon they're planting mines. And sabotaging tunnels, bridges... and even fishing nets. Strangest of all, it falls to Fergus to transport a spy into the country -- and that means traveling far from Navy-controlled waters. But frogmen are amphibious. And Fergus may not realize it, but he's in a position to change the way the whole world thinks about combat. National Book Award finalist Chris Lynch continues his explosive fiction series based on the real-life, top-secret history of US black ops and today's heroic Navy SEALs.

[Billy Ray's Farm](#) New York

Review of Books

A collection of ten powerful short stories about men and the obsessions that rule them, such as sex, alcohol, fear, and ambition

Squeeze Me St. Martin's Press

"Larry Brown wrote the way the best singers sing: with honesty, grit, and the kind of raw emotion that stabs you right in the heart. He was a singular American treasure."

—Tim McGraw A career-spanning collection, *Tiny Love* brings together for the first time the stories of Larry Brown's previous collections along with those never before gathered. The self-taught Brown has long had a cult following, and this collection comes with an intimate and heartfelt appreciation by novelist Jonathan Miles. We see Brown's early forays into genre fiction and the horror

story, then develop his fictional gaze closer to home, on the people and landscapes of Lafayette County, Mississippi. And what's astonishing here is the odyssey these stories chart: Brown's self-education as a writer and the incredible artistic journey he navigated from "Plant Growin' Problems" to "A Roadside Resurrection." This is the whole of Larry Brown, the arc laid bare, both an amazing story collection and the fullest portrait we'll see of one of the South's most singular artists.

Penguin

All hell breaks loose in Northern Mississippi when the daughter of degenerate sharecroppers runs away from home and lights out across the state with two dollars and a pack of cigarettes to her name.

Before the War Algonquin

Books

They busted out of McAlester State Penitentiary--three escaped convicts going to ground in a world unprepared for anything like them.... Lamar Pye is prince of the Dirty White Boys. With a lion in his soul, he roars--for he is the meanest, deadliest animal on the loose.... Odell is Lamar's cousin, a hulking manchild with unfeeling eyes. He lives for daddy Lamar. Surely he will die for him.... Richard's survival hangs on a sketch: a crude drawing of a lion and a half-naked woman. For this Lamar has let Richard live... Armed to the teeth, Lamar and his boys have cut a path of terror across the Southwest, and pushed one good cop into a crisis of honor and conscience. Trooper Bud Pewtie should

have died once at Lamar's hands. Now they're about to meet again. And this time, only one of them will walk away....

Larry Brown and the Blue-Collar South considers the writer's full body of work, placing it in the contexts of southern literature, Mississippi writing, and literary work about the working class.

Collectively, the essays explore such subjects as Brown's treatment of class politics, race and racism, the aftereffects of the Vietnam War on American culture, the evolution of the South from a plantation-based economy to a postindustrial one, and male-female relations. The role of Brown's mentors--Ellen Douglas and Barry Hannah--in shaping his work is discussed, as is Brown's connection to such writers as Harry Crews and Dorothy Allison. The volume is one of the first critical studies of a writer whose depth and influence mark him as one of the most well-regarded Mississippi authors. Jean W. Cash is

professor of English at James Madison University. She is the author of Flannery O'Connor: A Life. Keith Perry is associate professor of English at Dalton State College and the author of The Kingfish in Fiction: Huey P. Long and the Modern American Novel. Rick Bass is the author of novels and collections of nonfiction and short stories, most recently The Lives of Rocks: Stories

Dirty White Boys Univ of South Carolina Press

An ex-jazz drummer wants nothing more than to be a good father in this moving family novel by the New York Times--bestselling author of The Dutch House. When his lover takes away his son, he's left only with his Beale Street, Memphis bar. He hires a young waitress named Fay Taft who brings with her a desperate, dangerous brother, Carl, and the possibility of new intimacy. Nickel finds himself consumed with Fay and Carl's dead

father—Taft—obsessing over and he never met. A stunning artistic achievement, Taft confirms Ann Patchett's standing as one of the most gifted writers of her generation and reminds us of our deepest instincts to protect the people we love. “What could be merely a literary parlor trick—keeping three stories in the air at once—becomes...as resonant as a blues song, each story harmonizing with and answering others.... Expect miracles when you read Ann Patchett’s fiction.”—New York Times “A moving emblem of fatherhood’s rarely explored passion.”—Los Angeles Times “Patchett writes with remarkable conviction and attention to telling detail.... [She] is excellent at portraying the steady love and interest that holds the family members together, even though that love and interest isn't always successful in preserving the

members from danger.”—Jane Smiley, Pulitzer Prize–winning author of *Golden Age* “Strikingly original.”—Kirkus Reviews
Sex and Sexuality in Modern Southern Culture National Geographic Books
Friday Night Lights gone dark with *Southern Gothic*; Eli Cranor delivers a powerful noir that will appeal to fans of Wiley Cash and Megan Abbott. In Denton, Arkansas, the fate of the high school football team rests on the shoulders of Billy Lowe, a volatile but talented running back. Billy comes from an extremely troubled home: a trailer park where he is terrorized by his unstable mother’s abusive boyfriend. Billy takes out his anger on the field, but when his savagery crosses a line, he faces suspension. Without Billy Lowe, the Denton Pirates can kiss their playoff bid goodbye. But the head coach, Trent Powers, who just moved from California with his wife and two children for this job, has more than just his paycheck riding on Billy’s bad

behavior. As a born-again Christian, Trent feels a divine calling to save Billy—save him from his circumstances, and save his soul. Then Billy’s abuser is found murdered in the Lowe family trailer, and all evidence points toward Billy. Now nothing can stop an explosive chain of violence that could tear the whole town apart on the eve of the playoffs. WINNER OF THE PETER LOVESEY FIRST CRIME NOVEL CONTEST

The Campfire Boys Algonquin Books

Rambunctious Rabbit--Rambo to his fans--is an American icon and a theme park's biggest draw. When the actor inside the Rambo costume and two other theme park employees are murdered, LAPD detectives must catch the madman before he brings the family entertainment giant to its knees.

The 1972 NFL Player of the Year discusses his ghetto

youth in Pittsburgh, college days, and success with the Washington Redskins
Angie's Story Algonquin Books
For the first time in trade paperback: the fifth novel in the #1 New York Times bestselling series from Laurell K. Hamilton. When Branson, Missouri, is hit with a death wave 'four unsolved murders' it doesn't take an expert to realize that all is not well. But luckily for the locals, Anita Blake is an expert in the kinds of preternatural goings-on that have everyone spooked. And she's got an 'in' with the creature that can make sense of the slayings-the sexy master vampire known as Jean-Claude.

Some Go Home Rowman & Littlefield

The story of the author's Grandmother, her life, her character and her times in tribute to a most remarkable woman.

Missing women & others
Algonquin Books

Facing the Music, Larry Brown’s first book, was originally published in 1988 to wide critical acclaim. As the

St. Petersburg Times review pointed out, the central theme of these ten stories “is the ageless collision of man with woman, woman with man--with the frequent introduction of that other familiar couple, drinking and violence. Most often ugly, love is nevertheless graceful, however desperate the situation.” There’s some glare from the brutally bright light Larry Brown shines on his subjects. This is the work of a writer unafraid to gaze directly at characters challenged by crisis and pathology. But for readers who are willing to look, unblinkingly, along with the writer, there are unusual rewards.

Dirty Work Algonquin Books She's had no education, hardly any shelter, and you can't call what her father's been trying to give her since she grew up "love." So, at the ripe age of seventeen, Fay Jones leaves home. She lights out alone, wearing her only dress and

rotting sneakers, carrying a purse with a half pack of cigarettes and two dollar bills. Even in 1985 Mississippi, two dollars won't go far on the road. She's headed for the bright lights and big times and even she knows she needs help getting there. But help's not hard to come by when you look like Fay. There's a highway patrolman who gives her a lift, with a detour to his own place. There are truck drivers who pull over to pick her up, no questions asked. There's a crop duster pilot with money for a night or two on the town. And finally there's a strip joint bouncer who deals on the side. At the end of this suspenseful, compulsively readable novel, there are five dead bodies stacked up in Fay's wake. Fay herself is sighted for the last time in New Orleans. She'll make it, whatever making it means, because Fay's got what it takes: beauty, a certain kind of innocent appeal, and the instinct for survival. Set mostly in the seedy beach bars, strip joints, and massage parlors of Biloxi, Mississippi, back before the casinos took over, Fay is a novel that only Larry Brown, the

reigning king of Grit Lit, could have written. As the New York Times Book Review once put it, he's "a writer absolutely confident of his own voice. He knows how to tell a story."

[A Girl of the Gulf](#) Algonquin Books

Winner of the 2021

Mississippi Institute of Arts and Letters Award for Fiction

A searing debut novel that follows three

generations—fractured by murder, seeking

redemption—in fictional

Pitchlynn, Mississippi. An

Iraq War veteran turned small-town homemaker, Colleen

works hard to keep her deployment behind her—until

pregnancy brings her buried trauma to the surface. She

hides her mounting anxiety

from her husband, Derby, who is in turn preoccupied with the

retrial of his father, Hare

Hobbs, for a decades-old, civil rights-era murder. Colleen

and Derby's community,

including the descendants of the murder victim, still grapple

with the fallout; corrections

officer Doc and his wife,

Jessica, have built their life in the shadow of this violent act.

As a media frenzy builds,

questions of Hare's guilt—and

of the townfolks' potential

complicity in the crime—only magnify the ever-present

tensions of class and race, tied always to the land and who can

call it their own. At the center

of these lingering questions is

Wallis House, an antebellum

estate that has recently passed

to new hands. A brick-and-

mortar representation of a town trying to erase its past, Wallis

House is both the jewel of a

gentrifying 2010s Pitchlynn,

and the scene of the 1964

murder itself. When fresh

violence erupts on the property

grounds, the battle between old

Pitchlynn and new, between

memorial site and moving on,

forces a reckoning and

irreparable loss. Some Go

Home twists together personal and collective history, binding north Mississippi to northside Chicago, in a richly textured, explosive depiction of both the American South and our larger cultural legacy.

Minesweeper (Special Forces, Book 2) University of Georgia Press

Selected by E. Annie Proulx for inclusion in *The Best American Short Stories of 1997*, and winner of the Willa Cather Award, June Spence is one of the most original new voices in fiction today. In her collection of short stories, Spence offers us rare glimpses into the hidden lives of so-called ordinary people, those people we think we know: our neighbors, our co-workers, our relatives, ourselves?
