High White Notes Simon and Schuster
Previously published in the short story
collected *Screwjack* from legendary
“Gonzo” writer Hunter S Thompson,
“Death of a Poet” chronicles a doomed
rendezvous in a Green Bay trailer park. The
Packers have lost, and the author's friend “a
bad drinker and a junkie for mass

hysteria” has come unhinged. “Welcome to
the night train.”

Hunter S. Thompson's Little
Book of Selected Quotes

Melville House

Hunter S. Thompson was so
outside the box, a new word was
invented just to define him:
Gonzo. He was a journalist who
mocked all the rules, a hell-
bent fellow who loved to stomp
on his own accelerator, the
writer every other writer tried
to imitate. In these brutally
candid and very funny
interviews that range across
his fabled career, Thompson

reveals himself as mad for
politics, which he thought was
both the source of the
country's despair and, just
maybe, the answer to it. At a
moment when politics is once
again roiling America, we need
Thompson's guts and wild wisdom
more than ever.

The Mango Opera Simon and Schuster
The cartoonist's and illustrator's commentary
accompanies selections from his thirty-year
body of work

Hey Rube Simon and Schuster
An almost unnaturally poignant love
story from the father of “Gonzo”
journalism and Fear and Loathing in

Las Vegas Hunter S. Thompson. What makes the romantic short story *Screwjack* so touching, for all its queerness, is the aching melancholy in its depiction of the modern man's burden: that "we are doomed. Mama has gone off to Real Estate School...and after that maybe even to Law School. We will never see her again." Hunter S. Thompson's most searing and unnaturally poignant love story, *Screwjack* is simultaneously eerie and feverish, debauched and affecting. Never before—and perhaps never since—has modern man's melancholia been so vividly revealed in one powerful story.

Fear and Loathing in Las Vegas and Other American Stories Simon and Schuster

The sultry classic of a journalist's sordid life in Puerto Rico, now a major motion picture starring Johnny Depp

Fear and Loathing Minotaur Books

"We had two bags of grass, seventy-five pellets of mescaline, five sheets of high powered blotter acid, a salt shaker half full of cocaine, and a whole galaxy of multi-colored uppers, downers, screamers, laughers... and also a quart of tequila, a quart of rum, a case of Budweiser, a pint of raw ether and two dozen amyls. Not that we needed all that for the trip, but once you get locked into a

serious drug collection, the tendency is to push it as far as you can." -- Hunter S. Thompson Selected Quotes by Hunter S. Thompson now at your fingertips Perfect for casual reading, taking ideas, inspiration Makes for a great gift choice "Life should not be a journey to the grave with the intention of arriving safely in a pretty and well preserved body, but rather to skid in broadside in a cloud of smoke, thoroughly used up, totally worn out, and loudly proclaiming "Wow! What a Ride!" Hunter S. Thompson

Hey Rube Simon and Schuster

Before his mysterious disappearance and probable death in 1971, Oscar Zeta Acosta was famous as a Robin Hood Chicano lawyer and notorious as the real-life model for Hunter S. Thompson's "Dr. Gonzo," a fat, pugnacious attorney with a gargantuan appetite for food, drugs, and life on the edge. Written with uninhibited candor and manic energy, this book is Acosta's own account of coming of age as a Chicano in the psychedelic sixties, of taking on impossible cases while breaking all the rules of courtroom conduct, and of scrambling headlong in search of a personal and cultural identity. It is a landmark of contemporary Hispanic-American literature, at once ribald, surreal, and unmistakably authentic.

Freak Power Univ. Press of Mississippi

A political journalist presents his frankly subjective observations on the personalities and political machinations of the 1972 presidential campaign.

Fear and Loathing at Rolling Stone Ballantine Books

Although he prefers magazine work, freelance photographer Alex Rutledge won't turn down an occasional crime scene shoot for the City of Key West Police Department. But when a string of murders takes his viewfinder into strangely familiar territory, Alex's mellow island lifestyle shatters. One after another, someone is killing women who have intimately crossed Alex Rutledge's path. Maybe it's a coincidence. Maybe it's a conspiracy. Or maybe he's crazy. But the connection marks Alex as the prime suspect in a case so hot it's drawn in the county sheriff, the FBI, and the Bureau of Alcohol, Tobacco, and Firearms. In a desperate race to save his name and his life, Alex dives into a one-man search for the dark, sweltering truth beneath a case that's pounding toward meltdown, in *The Mango Opera* by Tom Corcoran.

Conversations with Hunter S. Thompson Warner Books (NY)

Few American lives are stranger, more action-packed, or wilder than that of Hunter S. Thompson. Born a rebel in Louisville, Kentucky, Thompson spent a lifetime channeling his energy and insight into such landmark works as *Fear and Loathing in Las Vegas* - and his singular and provocative style challenged and revolutionized writing. Now, for the first time ever, Jann Wenner

and Corey Seymour have interviewed the Good Doctor's friends, family, acquaintances and colleagues and woven their memories into a brilliant oral biography. From Hell's Angels leader Sonny Barger to Ralph Steadman to Jack Nicholson to Jimmy Buffett to Pat Buchanan to Marilyn Manson and Thompson's two wives, son, and longtime personal assistant, more than 100 members of Thompson's inner circle bring into vivid focus the life of a man who was even more complicated, tormented, and talented than any previous portrait has shown. It's all here in its uncensored glory: the creative frenzies, the love affairs, the drugs and booze and guns and explosives and, ultimately, the tragic suicide. As Thompson was fond of saying, "Buy the ticket, take the ride."

[Fear and Loathing in America](#) HarperCollins UK First published in 1990, *Songs of the Doomed* is back in print -- by popular demand! In this third and most extraordinary volume of the *Gonzo Papers*, Dr. Hunter S. Thompson recalls high and hideous moments in his thirty years in the *Passing Lane* -- and no one is safe from his hilarious, remarkably astute social commentary. With Thompson's trademark insight and passion about the state of American politics and culture, *Songs of the Doomed* charts the long, strange trip from Kennedy to Quayle in Thompson's freewheeling, inimitable style. Spanning four decades -- 1950 to 1990 -- Thompson is at the top of his form while fleeing New York for Puerto Rico, riding with the Hell's Angels, investigating Las Vegas sleaze,

grappling with the "Dukakis problem," and finally, detailing his infamous lifestyle bust, trial documents, and Fourth Amendment battle with the Law. These tales -- often sleazy, brutal, and crude -- are only the tip of what Jack Nicholson called "the most baffling human iceberg of our time." *Songs of the Doomed* is vintage Thompson -- a brilliant, brazen, bawdy compilation of the greatest sound bites of Gonzo journalism from the past thirty years.

Generation of Swine Abrams

50th Anniversary Edition • With an introduction by Caity Weaver, acclaimed New York Times journalist This cult classic of gonzo journalism is the best chronicle of drug-soaked, addle-brained, rollicking good times ever committed to the printed page. It is also the tale of a long weekend road trip that has gone down in the annals of American pop culture as one of the strangest journeys ever undertaken. Also a major motion picture directed by Terry Gilliam, starring Johnny Depp and Benicio del Toro.

Songs of the Doomed Taschen America LLC A young reporter's life in the 1950s. Paul Kemp breaks into the profession on a newspaper in Puerto Rico and through his eyes are portrayed colorful characters in the days when newspapers flourished.

Hunter S. Thompson: The Last Interview Virgin

Books Limited

"Gets it all in: the boozing and drugging...but also the intelligence, the loyalty, the inherent decency." —Jonathan Yardley, Washington Post Hunter S. Thompson detonated a two-ton bomb under the staid field of journalism with his magazine pieces and revelatory *Fear and Loathing in Las Vegas*. In *Outlaw Journalist*, the famous inventor of Gonzo journalism is portrayed as never before. Through in-depth interviews with Thompson's associates, William McKeen gets behind the drinking and the drugs to show the man and the writer—one who was happy to be considered an outlaw and for whom the calling of journalism was life.

Fear and Loathing Modern Library

The Gonzo memoir from one of the most influential voices in American literature, *Kingdom of Fear* traces the course of Hunter S. Thompson's life as a rebel—from a smart-mouthed Kentucky kid flaunting all authority to a convention-defying journalist who came to personify a wild fusion of fact, fiction, and mind-altering substances. Brilliant, provocative, outrageous, and brazen, Hunter S. Thompson's infamous rule breaking—in his journalism, in his life, and under the law—changed the shape of American letters, and the face of American icons. Call it the evolution of an outlaw. Here are the formative experiences that comprise Thompson's legendary trajectory alongside the weird and the ugly. Whether detailing his exploits as a foreign correspondent in Rio, his job as night manager of the notorious O'Farrell Theatre in San

Francisco, his epic run for sheriff of Aspen on the Freak Power ticket, or the sensational legal maneuvering that led to his full acquittal in the famous 99 Days trial, Thompson is at the peak of his narrative powers in *Kingdom of Fear*. And this boisterous, blistering ride illuminates as never before the professional and ideological risk taking of a literary genius and transgressive icon.

Gonzo Ballantine Books

An anthology of top-selected Rolling Stone articles offers insight into both the late Thompson's early career and the magazine's fledgling years, in a volume that includes the stories of his infamous Freak Party sheriff campaign and his observations about the Bush-versus-Kerry presidential rivalry. By the best-selling author of *The Rum Diary*. 100,000 first printing.

Fear and Loathing on the Campaign Trail '72
Simon and Schuster

From the bestselling author of *Fear and Loathing in Las Vegas*, the legendary Hunter S. Thompson's second volume of the "Gonzo Papers" is back. *Generation of Swine* collects hundreds of columns from the infamous journalist's 1980s tenure at the San Francisco Examiner. Here, against a backdrop of late-night tattoo sessions and soldier-of-fortune trade shows, Dr. Thompson is at his apocalyptic best—covering emblematic events such as the 1987-88 presidential campaign,

with Vice President George Bush, Sr., fighting for his life against Republican competitors like Alexander Haig, Pat Buchanan, and Pat Robertson; detailing the GOP's obsession with drugs and drug abuse; while at the same time capturing momentous social phenomena as they occurred, like the rise of cable, satellite TV, and CNN—24 hours of mainline news. Showcasing his inimitable talent for social and political analysis, *Generation of Swine* is vintage Thompson—eerily prescient, incisive, and enduring.

Fear and Loathing in Las Vegas Ballantine Books

Sports, politics, and sex collide in Hunter S. Thompson's wildly popular ESPN.com columns. From the author of *Fear and Loathing in Las Vegas* and father of "Gonzo" journalism comes *Hey Rube*. Insightful, incendiary, outrageously brilliant, such was the man who galvanized American journalism with his radical ideas and gonzo tactics. For over half a century, Hunter S. Thompson devastated his readers with his acerbic wit and uncanny grasp of politics and history. His reign as "The Unabomber of contemporary letters" (*Time*) is more legendary than ever with *Hey Rube*. Fear, greed, and action abound in this hilarious, thought-provoking compilation as Thompson

doles out searing indictments and uproarious rants while providing commentary on politics, sex, and sports—at times all in the same column. With an enlightening foreword by ESPN executive editor John Walsh, critics' favorites, and never-before-published columns, *Hey Rube* follows Thompson through the beginning of the new century, revealing his queasiness over the 2000 election ("rigged and fixed from the start"); his take on professional sports (to improve Major League Baseball "eliminate the pitcher"); and his myriad controversial opinions and brutally honest observations on issues plaguing America—including the Bush administration and the inequities within the American judicial system. *Hey Rube* gives us a lasting look at the gonzo journalist in his most organic form—unbridled, astute, and irreverent. *Fear and Loathing in Las Vegas* Simon and Schuster

Fear and Loathing creates a sharp and savvy profile of one of the most provocative voices and distinctive personalities of our time. To Hunter S. Thompson, being a Gonzo journalist means doing whatever it takes to get to the truth; everything from dropping acid with Ken Kesey and the Merry Pranksters in the 60s, to participating in wild orgies and getting his nose broken while chronicling life

with the Hell's Angels, to founding the Freak Power Party and running for sheriff of Aspen in 1970. A virtual icon, Thompson has regularly trashed the prime directives of reporting—accuracy and objectivity—yet he nonetheless always produces some of the sharpest political and cultural analysis around. Surrounded by submachine guns, fistfuls of colorful pills, and the ubiquitous Wild Turkey, Thompson careens through his life and career, unfolded in this book in all its decadence. New art by Ralph Steadman and over 20 black-and-white photographs are featured.

50 Years of Rolling Stone Houghton Mifflin
Harcourt

Presents a collection of writings from the author's column "Hey Rube" on ESPN.com, covering such topics as retaliation for September 11th, his suggestions for "fixing" baseball, and other thoughts on politics, sports, and gossip.
