#1 New York Times Bestseller *Dare to Lead* The bestselling author of *Give and Take* and *Originals* examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life *Intelligence* is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong,

“ THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In *Think Again*, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I ’ ve never felt so hopeful about what I don ’ t know. ” —Bren é Brown, Ph.D., #1 New York Times bestselling author of

---

and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become.

Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding

principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees

fans to root for the Red Sox. *Think Again* reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

WINNER OF THE 2014  
FOLIO PRIZE AND  
SHORTLISTED FOR THE  
NATIONAL BOOK AWARD

---

2013 George  
Saunders's most wryly  
hilarious and  
disturbing collection  
yet, Tenth of  
December illuminates  
human experience and  
explores figures lost  
in a labyrinth of  
troubling  
preoccupations. A  
family member  
recollects a backyard  
pole dressed for all  
occasions; Jeff faces  
horrifying ultimatums  
and the prospect of  
Darkenfloxx™ in some  
unusual drug trials;

and Al Roosten hides  
his own internal  
monologue behind a  
winning smile that he  
hopes will make him  
popular. With dark  
visions of the future  
riffing against  
ghosts of the past  
and the ever-settling  
present, this  
collection sings with  
astonishing charm and  
intensity.

**The Fear Cure Hay  
House Incorporated  
From New York Times  
bestselling author and  
former Navy SEAL**

Brandon Webb comes a  
simple yet powerful five-  
step guide to  
transforming your life  
by making your fears  
work for you instead of  
against you. Brandon  
Webb has run life-  
threatening missions in  
the world's worst  
trouble spots, whether  
that meant jumping out  
of airplanes, taking  
down hostile ships on  
the open sea, or rolling  
prisoners in the dead of  
night in the mountains  
of Afghanistan. As a

---

Navy SEAL, he learned how to manage the natural impulse to panic in the face of terrifying situations. As media CEO and national television commentator, he has learned how to apply those same skills in civilian life. Drawing on his experiences in combat and business, along with colorful anecdotes from his vast network of super-achiever friends from astronauts to billionaires, Webb shows how people from all walks of life can stretch and transcend their boundaries and learn to use their fears as fuel to achieve more than they ever thought possible. "Fear can be a set of manacles, holding you prisoner," writes Webb. "Or it can be a slingshot, catapulting you on to greatness." The key, says Webb, is not to fight fear or try to beat it back, but to embrace and harness it. In the process, rather than being your adversary, your fear becomes a secret weapon that allows you to triumph in even the most adverse situations. In *Mastering Fear*, Webb and his bestselling coauthor John David Mann break this transformation down into five practical steps, creating a must-read manual for anyone looking for greater courage and mastery in their lives. **Embracing Uncertainty Orbit**

**Feel the Fear and Beyond** Cambridge

University Press

Susan Jeffers has helped millions of people throughout the world overcome their fears, heal their relationships, and move forward in life with confidence and love. In

Opening Our Hearts To Men she shares her own experiences, and offers wisdom, insights and practical advice on how to feel good about yourself and your relationships. Opening Our Hearts To Men is a book for every woman who wants to bring more love into her life. It will help you if: Your relationship is not working out in the way you had hoped. You want to develop greater intimacy in your relationships; You find it difficult to form

---

lasting relationships with men; You are feeling lonely and unloved  
The Power of Knowing What You Don't Know HarperCollins Children's Books  
What is the one quality that all successful people have in common? They have mastered the art of dealing with people! Let this book show you how to: Achieve your goals Handle the human ego Become a master conversationalist Make others feel good about themselves And much more! Skill with people is the one essential ingredient for success and happiness at home and in

business. "The Art of Dealing With People" gives you the skills to take your people skills to a level that you never thought possible! Skill in human relations is similar to skill in any other field, in that success depends on understanding and mastering certain basic general principles. You must not only know what to do, but why you're doing it. As far as basic principles are concerned, people are all the same. Yet each individual person you meet is different. If you attempted to learn some gimmick to deal successfully with each separate individual you met, you would be face

with a hopeless task. Influencing people is an art, not a gimmick. When you apply gimmicks in a superficial, mechanical manner, you go through the same motions as the person who "has a way," but it doesn't work for you. The purpose of this book is to give you knowledge based upon an understanding of human nature: why people act the way they do. The methods presented in this book have been tested on thousands of people who have attended my human relations seminars. They are not just my pet ideas of how you should deal with people, but ideas that have stood the test of how you must

---

deal with people. That is, if you want to get along with them and get what you want at the same time. Yes, we all want success and happiness. And the day is long past, if it ever existed, when you could achieve these goals by forcing people to give you what you want. And begging is no better, for no one has respect for, or any desire to help, the person who constantly kowtows and literally goes around with his hand out, begging other people to like him. The one successful way to get the things you want from life is to acquire skill in dealing with people. Download now and you will learn how. A&C Black

In the ruins of civilization, a young girl's kindness and capacity for love will either save humanity -- or wipe it out in this USA Today bestselling thriller Joss Whedon calls "heartfelt, remorseless, and painfully human." Melanie is a very special girl. Dr Caldwell calls her "our little genius." Every morning, Melanie waits in her cell to be collected for class. When they come for her, Sergeant keeps his gun pointed at her while two of his people strap her into the wheelchair. She thinks they don't like her. She jokes that she won't bite, but they don't laugh.

**Fierce Joy St. Martin's**

Press

"The Bestselling Hardcover Novel of the Year."--Publishers Weekly From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. "My land

---

tells its story if you listen. The story of our family.” Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman’s only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one

respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa’s tenuous marriage; each day is a

desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. The Four Winds is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that

---

divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

[Do I Have to Give Up Me](#)

[to Be Loved by You Workbook](#) Random House Lose weight. Act confident. Play hard to get. This approach to dating doesn't lead to love, it leads to insecurity and loneliness. In *Deeper Dating*, psychotherapist Ken Page offers a new path to finding meaningful and lasting relationships. Learn how to attract people who love you for who you really are, become more self-assured and emotionally available, and lose your

taste for relationships that diminish your self-esteem. With exercises, practical tools, and inspiring stories, *Deeper Dating* will guide you on a journey to find the love—and personal fulfillment—you long for.

[Poetry and Prose](#) Mango Media Inc. Internationally renowned author, Susan Jeffers, has helped millions of people round the globe to overcome their fears and heal the pain in their lives. Her now classic work, *Feel the Fear and Do It Anyway*, has been a huge worldwide

---

success and continues to ride high in the bestseller charts because it showed us all, in simple terms, how to transform our anxieties into confidence, action and love. *Feel the Fear...and Beyond* is a practical companion to this important book - yet it also stands alone as a must-have for facing life and facing fears in the twenty-first century. Filled with valuable exercises, it is designed to teach us that we can handle whatever life brings us in a powerful and life-affirming way. Susan Jeffers encourages us to

make full use of these valuable tools when we are fearful of making changes or confronting new situations in our lives.

*A Message from Chief Seattle* McGraw Hill Professional

David Crystal's classic *English as a Global Language* considers the history, present status and future of the English language, focusing on its

role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an

---

expert both for specialists in the subject and for general readers interested in the English language.

### **How to create a superb relationship for life**

Harcourt Childrens Books

Not many people in the medical world are talking about how being afraid can make us sick—but the truth is that fear, left untreated, becomes a serious risk factor for conditions from heart disease to diabetes to cancer. Now Lissa Rankin, M.D., explains why we need to heal ourselves from the fear that puts our health at

risk and robs our lives of joy—and shows us how fear can ultimately cure us by opening our eyes to all that needs healing in our lives. Drawing on peer-reviewed studies and powerful true stories, *The Fear Cure* presents a breakthrough understanding of fear's effects and charts a path back to wellness and wholeness on every level. We learn:

- How a fearful thought translates into physiological changes that predispose us to illness
- How to tell true fear (the kind that arises from a genuine

threat) from false fear (which triggers stress responses that undermine health) • How to tune in to the voice of courage inside—our "Inner Pilot Light" • How to reshape our relationship to uncertainty so that it's no longer something to dread, but a doorway to new possibilities • What our fears can teach us about who we really are

At the intersection of science and spirituality, *The Fear Cure* identifies the Four Fearful Assumptions that lie at the root of all fears—from the sense that we're alone in the universe

---

to the belief that we can't handle losing what we love—and shifts them into Four Courage-Cultivating Truths that pave our way to not only physical well-being, but profound awakening. Using exercises from a wide range of mind-body practices and spiritual traditions, Dr. Rankin teaches us how to map our own courage-cultivating journey, write a personalized Prescription for Courage, and step into a more authentic life.

NEW YORK TIMES BEST SELLER • Celebrated food

blogger and best-selling cookbook author Deb Perelman knows just the thing for a Tuesday night, or your most special occasion—from salads and slaws that make perfect side dishes (or a full meal) to savory tarts and galettes; from Mushroom Bourguignon to Chocolate Hazelnut Crepe. “Innovative, creative, and effortlessly funny.” —Cooking Light Deb Perelman loves to cook. She isn’t a chef or a restaurant owner—she’s never even waitressed. Cooking in her tiny Manhattan kitchen was,

at least at first, for special occasions—and, too often, an unnecessarily daunting venture. Deb found herself overwhelmed by the number of recipes available to her. Have you ever searched for the perfect birthday cake on Google? You’ll get more than three million results. Where do you start? What if you pick a recipe that’s downright bad? With the same warmth, candor, and can-do spirit her award-winning blog, Smitten Kitchen, is known for, here Deb presents more than 100 recipes—almost entirely new,

---

plus a few favorites from the site—that guarantee delicious results every time. Gorgeously illustrated with hundreds of her beautiful color photographs, *The Smitten Kitchen Cookbook* is all about approachable, uncompromised home cooking. Here you'll find better uses for your favorite vegetables: asparagus blanketing a pizza; ratatouille dressing up a sandwich; cauliflower masquerading as pesto. These are recipes you'll bookmark and use so often they become your own, recipes you'll slip to a friend who wants to impress her new in-laws, and recipes with simple ingredients that yield amazing results in a minimum amount of time. Deb tells you her favorite summer cocktail; how to lose your fear of cooking for a crowd; and the essential items you need for your own kitchen. From salads and slaws that make perfect side dishes (or a full meal) to savory tarts and galettes; from Mushroom Bourguignon to Chocolate Hazelnut Crepe Cake, Deb knows just the thing for a Tuesday night, or your most special occasion.
