If you've ever been told that “emotions are unreliable,” you may wonder what your innermost feelings have to do with your Christian walk. But in *Feeling Like God*, Chris Tiegreen explains that no matter how much objective truth we've learned, we can't

really relate to God unless we know how he feels. As humans made in God's image, we experience nearly the full range of emotions that our Creator does. And whenever the Holy Spirit shows up in Scripture, it always provokes an emotional response, proving that God himself passionately desires to connect with us on an emotional level. Follow Chris Tiegreen beyond an impersonal, distant faith—and learn what it is to feel like God.

purpose and the satisfying fulfillment you're longing for. One question lies behind every struggle we face: How do I deal with myself? Behind all our stumbles, behind each of our missteps, behind every one of our failings lies an inability to handle what Moody calls the "I-Factor." More than self-worth or self-respect, beyond even character and perception of purpose, the I-Factor is about managing yourself--your whole life--well. In this inspiring book, Moody reveals how to get hold of your I-Factor and finally get out of your own way. In *The I-Factor*, Moody identifies three dynamics essential to winning the battle of the I-Factor: Identity: When you understand your identity you know who you are, setting your foundation for everything Significance: When you understand your significance, you see the purpose and the greatness you were

created for Perspective: When you understand perspective, you can view the problems you face as stepping stones to greatness rather than stumbling blocks Weaving together personal stories, practical principles, and profound biblical truth, *The I-Factor* provides the key to achieving the life of greatness that you are destined for. Praise for *The I-Factor*: "Van Moody takes you on a biblically balanced, often painfully penetrating look--not just a look at the you in you, but a look at the God in you who defines and declares your destiny and worth." --Kenneth C. "Here is a book to be welcomed enthusiastically, to be read carefully, and to be returned to frequently."

—Sinclair B. Ferguson In our world, we use the word heart to refer to our emotions. But the Bible uses the word heart to refer to the governing center of life. We need to grasp the true meaning of the heart in order to better understand ourselves, our sin, and our need for redemption. As we rediscover the heart as the source of all our thoughts, fears, words, and actions, we will discover principles and practices for orienting our hearts to truly love and obey God with all that we are.

In this volume more than twenty of the best pastoral counselors, clinicians, and counselor educators introduce us to the models that they use to integrate the Scriptures and the work of the Holy Spirit into their daily practice.

Faith That Lasts Multnomah

Marriage aims at the glory of God through intimate companionship. God meant husband and wife to walk together, talk together, work together, and sleep together. As the Puritans said, God did not

---

make the woman out of man's head to control him, or out of his feet for him to trample on her, but out of his side to be embraced near to his heart. Here is a book of practical encouragements for two key aspects of marriage: companionship and sex. Dr. Joel Beeke draws upon the wisdom of the Holy Scriptures and over three decades of pastoral ministry to present a dozen practical principles for fanning into flame the fire of love between husband and wife. The Bible has a higher aim than a satisfying marriage, namely, glorying in God forever. Marriage will one day be done, made obsolete by the magnificent relationship between Christ and His people. Even now, marriage is neither the chief purpose nor the highest joy of man. But the Scriptures do call wedded

people to glorify God here and now through their marriages. Dr. Beeke's book aims to assist them in this. In Part I ("Friends"), the book explores the meaning, cultivation, and threats to friendship in marriage. Friendship is that personal bond of shared life that brings people together in delightful harmony. It is rooted God's created order of making men and women in His image. We broke this harmonious order when our first parents sinned against God, simultaneously turning against each other. But Christ is the great peacemaker and friendship-restorer. Cultivating friendship with your spouse is hard work, but profoundly rewarding. It revolves around sharing life together. The book gives guidance in how to share yourself with your spouse through the gifts of time, discussing decisions, listening to

---

each other's feelings, talking about how God is at work in your lives, praying together, building trust, laughing together, giving thanks, pleasing your spouse, and finding shared interests. It also walks the reader through the minefields of giving and receiving correction, honoring in-laws, having balanced friendship with others, and supporting on another in crises. Above all, we must remember that our most important friendship is with our Lord Jesus Christ, who alone can walk with us through life, death, and eternity. In Part II ("Lovers"), Dr. Beeke sets forth several ways in which the gospel energizes married Christians to enjoy sex in holy delight. The words "gospel," "sex," and "holy," may not seem to go together. This book shows that in reality sexual love between husband and

wife is both a holy duty pleasing to God and blessed privilege empowered by Christ's grace. Rather than splitting our lives into different compartments such as sex and religion, God calls us to respond to Christ's mercies by offering our whole existence to Him as a living sacrifice. The Bible teaches us doctrines like the image of God in man, the creation mandate God laid upon the human race, the moral law for marriage, forgiveness of sins by faith in Christ, sanctification by divine grace, Christ's call to take up our cross, adoption by God, and turning from idols to give thanks to God. All these doctrines have massive implications for our sexual relationship with our spouses. However these doctrines must do more than sit in our minds; they must sink into our hearts. In Reformed, experiential

fashion, Dr. Beeke leads the reader to know, believe, feel, and act based upon God's Word applied by God's Spirit. *The Gospel for Disordered Lives* Crossway

Are you loving, joyful, peaceful, patient, kind, good, faithful, gentle, AND self-controlled? Most of the time? Sometimes? How about when life gets hard or marriage gets tough? Whatever your answer may be, the good news is that you are not alone. Best-selling author, mother, and wife Hayley DiMarco understands the challenges we all face and answers the question at hand: How can you be the woman God is calling you to be, a woman who bears the fruit of the Spirit in your marriage and in the daily grind of life? To help you grow, Hayley explores the biblical significance of all 9 fruits of the Spirit,

explaining how each fruit first begins to grow and then how each impacts your day-to-day life and marriage. She writes like a wise friend and is readily transparent about her own failures to be spiritually fruitful as well as her relational struggles for control, authority, and respect. An excerpt from the foreword by Joni Eareckson Tada: “With the book you are holding, you have stumbled upon the best of guides. I should know. I first read *The Cry of the Soul* decades ago when I was still sorting through a lot of hurt and frustration connected with my quadriplegia (yes, I read it on that music stand holding a mouth stick). *The Cry of the Soul* showed me what to do with my anger and hurt—not stuff it under the carpet of my conscience, or minimize it, but actually do something good with it.” All emotion—whether positive or negative—can give us a glimpse of the true nature of God. We want to control our negative emotions and dark desires. God wants us to recognize them as the cry of our soul to be made right with Him. Beginning with the Psalms, *Cry of the Soul* explores what Scripture says about our darker emotions and points us to ways of honoring God as we

faithfully embrace the full range of our emotional life.

Today's neurological research has placed habit at the center of human behavior; we are what we do repetitively. When we want to add something to our life, whether it's exercise, prayer, or just getting up earlier in the morning, we know that we must turn an activity into a habit through repetition or it just won't stick. What would happen if we applied the same kind of daily dedication to faith? Could faith become a habit, a given--automatic? With vulnerable storytelling and insightful readings of both Old and New Testament passages, Jen Pollock Michel invites the convinced and the curious into a 40-day Bible reading experience. Vividly translating ancient truths for a secular age, Michel highlights how the biblical text invites us to see, know, live, love, and obey. The daily reflection

questions and weekly discussion guides invite both individuals and groups, believers and doubters alike, to explore how faith, even faith as small as a mustard seed, might grow into a life-defining habit.

"Do not be anxious about anything." When it comes to stress and worry, that's all we really need to say, right? Just repent of your anxiety, and everything will be fine. But emotional life is more complex than this. In *The Logic of the Body*, Matthew LaPine argues that Protestants must retrieve theological psychology in order to properly understand the emotional life of the human person. With classical and modern resources in tow, LaPine argues that one must not choose between viewing emotions exclusively as either cognitive and volitional on the one hand, or simply a feeling of bodily change on the other. The two "stories" can be

---

reconciled through a robustly theological analysis. In a culture filled with worry and anxiety, *The Logic of the Body* offers a fresh path within the Reformed tradition.

How do you feel about how you feel? Our emotions are complex. Some of us seem able to ignore our feelings, while others feel controlled by them. But most of us would admit that we don't always know what to do with how we feel. The Bible teaches us that our emotions are an indispensable part of what makes us human—and play a crucial role in our

relationships with God and others. Exploring how God designed emotions for our good, this book shows us how to properly engage with our emotions—even the more difficult ones like fear, anger, shame, guilt, and sorrow—so we can better understand what they reveal about our hearts and handle them wisely in everyday moments.
