(Book). A half-century after their first single release, "Surfin'," the Beach Boys continue to define California popular culture and the sunshine-infused sound that will forever be its living soundtrack. But beyond innocent harmonies touting the delights of catching waves and cruising to the drive-in, the Beach Boys are responsible for some of the most sophisticated pop/rock music ever made. Brian Wilson's acclaimed production, the 1966 LP Pet Sounds , was both a creative triumph that inspired The Beatles' best work, and a commercial disappointment that was widely misunderstood by the band's U.S. fans. The Beach Boys followed that with perhaps the

greatest three-minute rock single ever, "Good Vibrations," which wowed the critics, was a worldwide number one hit, and ushered Brian Wilson down the path of substance abuse and mental illness. Brian then leapt into the abstract madness of Smile , his epic psychedelic masterpiece that was ultimately scrapped in a 1967 sea of paranoia that nearly drowned the Beach Boys as an act. As the 1970s dawned, the endless summer of nostalgia designated the Beach Boys as its favorite sons. They recorded a critically lauded string of albums even while coping with the knowledge that their creative leader, Brian Wilson, had become a semipermanent recluse and a casualty of his own excess. Still, the Beach Boys continued through controversy, conflict, and death, rising again and again to find more popularity and more commercial peaks into the 1980s and beyond. As the new millennium unfolds, the Beach Boys are still here and continue to be a popular concert attraction and one of rock's most compelling and important stories. In The Beach Boys FAQ , Jon Stebbins explains how the band impacted music and pop culture. This entertaining, fast-moving tome is accompanied by dozens of rare images, making this volume a must-have for fans.

*The Amp Book* Hal Leonard Corporation

Biography of the rock musician's life from his boyhood to his tragic life.

*Three Steps to Heaven* Chronicle Books

Doyle Dykes is one of the premier fingerstyle guitarists in the world. When guitar great Chet Atkins was asked a few years ago who he'd pay money to go see, his answer was, "People like Doyle Dykes, who is just an amazing fingerpicker, I think." He has thrilled secular and church audiences all over the world, from the Grand Ole Opry to Knebworth House in Hertfordshire, England (home of the some of the most famous rock concerts in history) to Shanghai, China; James' Burton's International Guitar Festival, Saddleback Community Church, and Harvest Christian

Fellowship. But this book isn't just about his life as a guitar player. Infused into stories like how he was invited to be part of the Stamps Quartet (Elvis' backup band), why a white rose is on the headstock of his signature-model guitar, and how his worst night at the Opry turned out to be anything but, are accounts of the remarkable ways God has shown up in Doyle's life. His warm, engaging style will draw you into each chapter--and you'll finish the book having been inspired, feeling like Doyle is a new friend, and never viewing God the same way again. Includes DVD with music & interviews.

The definitive biography of Chuck Berry, legendary performer and inventor of rock and roll Best known as the groundbreaking artist behind classics like " Johnny B. Goode, " " Maybellene, " " You Never Can Tell " and " Roll Over Beethoven, " Chuck Berry was a man of wild contradictions, whose motives and motivations were often shrouded in mystery. After all, how did a teenage delinquent come to write so many songs that transformed American culture? And, once he achieved fame and recognition, why did he put his career in danger with a lifetime ' s worth of reckless personal behavior? Throughout his life, Berry refused to shed light on either the mastery or the missteps, leaving the complexity that encapsulated his life and underscored his music largely unexplored—until now. In Chuck Berry, biographer RJ Smith crafts a comprehensive portrait of one of the great American entertainers, guitarists, and lyricists of the 20th century, bringing Chuck Berry to life in vivid detail. Based on interviews, archival research, legal documents, and a deep understanding of Berry ' s St. Louis (his birthplace, and the place where he died in March 2017), Smith sheds new light on a man few have ever really understood. By placing his life within the context of the American culture he made and eventually withdrew from, we

understand how Berry became such a groundbreaking figure in music, erasing racial boundaries, crafting subtle political commentary, and paying a great price for his success. While celebrating his accomplishments, the book also does not shy away from troubling aspects of his public and private life, asking profound questions about how and why we separate the art from the artist. Berry declined to call himself an artist, shrugging that he was good at what he did. But the man's achievement was the rarest kind, the kind that had social and political resonance, the kind that made America want to get up and dance. At long last, Chuck Berry brings the man and the music together.

Gruhn's Guide to Vintage Guitars Bloomsbury Publishing USA

This in-depth, photo-packed look at the history and culture of surfers is “meticulously researched, smartly written . . . required reading” (Outside Magazine). Matt Warshaw knows more about surfing than any other person on the planet. After five years of research and writing, Warshaw, a former professional surfer and editor of Surfing magazine, has crafted an unprecedented, definitive history of the sport and the culture it has spawned. With more than 250 rare photographs, The History of Surfing reveals and defines this sport with a voice that is authoritative, funny, and wholly original. The obsessive nature of Warshaw’s endeavor is matched only by the obsessive nature of surfers, who are brought to life in this book in many tales of daring, innovation, athletic achievement, and the offbeat personalities who have made surfing history happen. “The world’s most comprehensive chronicler of the surfing scene.” —Andy Martin, The Independent

The Stratocaster Manual Routledge

Released when ELP and Elton John were plodding from one packed stadium to the next, Radio City was a radical album influenced by records that were already deemed oldies and yet sounding like a lean electrical jolt from the future. Here, Bruce Eaton examines the key ingredients of Radio City's lasting appeal- and through extensive interviews with all of those involved, gets to the heart of the cult of Big Star.

Jaco Backbeat Books

This visual celebration and musical analysis of Jimi Hendrix, the genius who created modern guitar, includes 300 color and b&w photos--many never before published.

The Strat in the Attic 2 Hal Leonard Corporation

(Book). The sound of rock, blues, country and jazz is not just the sound of electric guitars. It's the sound of electric guitars through amplifiers. For the first time, Guitar Rigs examines the great guitar/amp combinations that have created more than 50 years of fantastic music. Each section includes a full history of guitar and amps and details the construction, components,

performance, qualities and drawbacks of each combination. Guitar Rigs is not just a celebration of the collectable treasures of the guitar and amp world. Along the way it evaluates many more instruments, amps and effects, offering alternatives for those trying to conjure great sounds from less-exalted equipment. And it comes with a CD that demonstrates these and many more combinations so you hear them for yourself.

Chuck Berry Hal Leonard Corporation

Brown Eyed Handsome Man: The Life and Hard Times of Chuck Berry draws on dozens of interviews done by the author himself and voluminous public records to paint a complete picture of this complicated figure. This biography uncovers the real Berry and provides us with a stirring, unvarnished portrait of both the man and the artist. Berry has long been one of pop music's most enigmatic personalities. Growing up in a middle-class, black neighborhood in St. Louis, his first major hit song, "Maybellene," was an adaptation of a white country song, wedded to a black-influenced beat. Thereafter came a string of brilliant songs celebrating teenage life in the '50s, including "School Day," "Johnny B. Goode," and "Sweet Little Sixteen." Berry's career rise was meteoric; but his fall came equally quickly, when his relations with an underage girl led to his conviction. It was not his first (nor his last) run in with the law. He scored his biggest hit in the early '70s with the comical (and some would say decidedly lightweight) song "My Ding-a-Ling." The following decades brought hundreds of nights of tours, with little attention from the recording industry. Bruce Pegg offers the definitive, though not always pretty, portrait of one of the greatest stars of rock and roll, a story that will appeal to all fans of American popular music.

Guitar Player Presents Guitar Heroes of the '70s Hal Leonard Corporation

(Guitar Player Presents). Everyone knows the legends Hendrix, Page, Clapton, Beck, and all the other six-string giants but the evolution of guitarcraft wasn't forged purely by uber-famous players with large cultural footprints. Scores of lesser-known pioneers such as Tommy Bolin, Danny Cedrone, Tampa Red, and Sister Rosetta Tharpe contributed vast numbers of licks, riffs, solos, tones, compositions, techniques, and musical concepts that inspired generations of guitarists and advanced the art of playing guitar. Their stories are as critical to modern guitar music as is electricity or amplification. Any guitarist seeking to devise a unique and individual sound should study the wacky, off-kilter, unfamiliar, and criminally underutilized

creative concepts of the unsung greats, straight from the pages of Guitar Player magazine.

The Les Paul Manual Voyageur Press

This is the ultimate hands-on, how-to manual devoted to the famous Gibson Les Paul, updated with the latest models and guitar tech advice. This book is a step-by-step, heavily illustrated guide to everything about Gibson Les Paul guitars! It shows owners and dreamers the basics of selecting and buying your guitar, how to use it, and how to keep it rocking once you have one. Let world-renowned guitar expert Terry Burrows be your guide to this awesome instrument. Gorgeous shots of Gibson Les Paul guitars and guitar parts, alongside images of well-known musicians playing Gibson Les Pauls, make this a book no fan will want to miss!

Fender Amps Simon and Schuster

(Guitar World Presents). This exciting book from the editors of Guitar World is a treasure trove for any guitarist. Featuring electrifying profiles of everyone from hard rock gods (Wes Borland, Dimebag Darrell, Tony Iommi) to British giants (Eric Clapton, Jimmy Page, even Nigel Tufnel) to trailblazing bluesmen (John Lee Hooker, Reverend Gary Davis) to country gents (Clarence White, Albert Lee) to the founding fathers (Chuck Berry, Dick Dale) as well as jazzmen, progressive rockers, punks and rockabilly superstars, Guitar World's 100 Greatest Guitarists puts all these inspiring masters at your fingertips. But the fun doesn't stop there. Guitar World has also assembled the riveting stories behind the 100 greatest guitar solos. You know them note-for-note, from David Gilmour's transcendent phrasing in "Comfortably Numb" to Jimi Hendrix's rich notes in "Little Wing" to Kurt Cobain's unforgettable melodic turns in "Smells Like Teen Spirit," and now you can get the inside stories of how these magic moments were captured for all time. Rounding off the collection is bonus material such as a lesson with Metallica's Kirk Hammet, a guide to the 12 greatest guitar tones, and 25 guitar masters weighing in on their favorite solos.

Buyer's Guide to the Piano, Organ and General Music Trades Hal Leonard Corporation

(Book). This is the right-hand man for players who live and breathe bass, or for beginners who want an all-in-one guide to the instrument that "shakes the low end" of rock, pop, jazz and more. This handbook details the ins and outs of buying basses and equipment; provides set-up and electronics tips; and explores unique characteristics of landmark bass models. Chapters on technique cover bass basics, theory, fretless playing,

acoustic bass, the essentials of various music styles, recording, gigging, and more. Seminal interviews with great bassists include Jeff Berlin, Stanley Clarke, John Pattitucci, Bill Wyman, and many others.

The Beach Boys FAQ Hal Leonard Corporation

"Gruhn's Guide to Vintage Guitars" is the most extensive and detailed list of specifications ever published for identifying, dating, and establishing the authenticity of an instrument. This new edition is enlarged and updated, making it once again the essential guide enabling collectors, dealers, players, and fans to determine the authenticity, rarity, and relative value of vintage acoustic and electric guitars, basses, mandolins, banjos, and amps. "Gruhn's Guide"'s thoroughness, detail, and clear organization have made it without peer, the must-have tool for discerning an instrument's manufacturer, model, and date - and most importantly, whether it is in original condition. Quote: 'you will not find a better guide, nor one that is so easy to use' - "Vintage Guitar" magazine.

Down Beat Backbeat Books

(Book). Outrageously talented, remarkably handsome, internationally renowned, and dead at the age of 21. More than 40 years after the tragic car crash that killed him, Eddie Cochran remains one of rock and roll's most lamented "What Ifs." A trailblazing guitarist, gifted vocalist, hit-making composer and arranger, and budding whiz-kid producer, Cochran quickly ascended from Midwestern obscurity in the late '50s to become one of nascent rock and roll's leading lights. He penned or recorded many of the most recognized songs in rock history "Summertime Blues," "Nervous Breakdown," "Somethin' Else," "C'mon Everybody," "Twenty Flight Rock," "Sittin' in the Balcony" songs whose distinctive sound and defiant, often wryly humorous lyrics have been eagerly digested, analyzed and lovingly reinterpreted by generations of rockers after him, from The Beatles to the Sex Pistols, The Who to U2. Three Steps to Heaven: The Eddie Cochran Story co-authored by Cochran's nephew, also a gifted musician is the first American biography of this uniquely American rock legend, who was among the first to be inducted into the Rock and Roll Hall of Fame. The book is a detailed portrait of Cochran's personal and professional triumphs and travails, with fascinating insight into the rock pioneer's life that only a family member can provide. 33 B/W photographs; Hardcover.

The Soul of Tone Hal Leonard Corporation

To summarize this story, it tells a story of an individual who started out in 1960 in rock ' n ' roll and took it all the way in his field, to the top, and became the most famous road manager in the United States of the time. I was in trade magazines, on TV shows and received fan mail. It got to the point where I had to deal with my fans and their mania wherever I went, like the rock stars I worked with. The only other road manager at the time that was in this category was Malcolm Evans, who worked for the Beatles. Paul Revere had told me I was even like a sixth

Raider. Here I was, a kid from Olympia, and now in Hollywood living the fast lane with the after burner on, and the G forces pushing my skin back on my face. The jet pilots are not the only ones that do that. I lived it. From band boy, to roadie, to road manager, tour manger, and body guard. It tells the true-life story of groups starting out, and the excitement of making it all the way to the top. And I was the only one that went everywhere the band did, having the same experiences. The changes in the way we tour on the ground and in the air, changes in sound equipment, show productions, TV shows, touring, recording, business and instruments. It tells of the fun, the hard work, the excitement, the danger and the responsibility of touring. I would go up against anybody in history that thinks they saw a lot of rock ' n ' roll bands in that time. I literally saw thousands and thousands. No one else alive can tell this story but me, because of the unique position I was in at the time. After 18 years on the road working with top American and top British groups, and having the business almost kill me a few times, I definitely have a very unique one of a kind story to tell. I have played Madison Square Garden's, Yankee Stadium, Dick Clark Caravan Star Tours, USO Tours, College tours, promotional tours, and other Country tours. I have done it all. Keep in mind that out of the entire population of the United States, 25% are baby boomers. And they were teenyboppers at that time. Looking back, I have no regrets except for one: THE ROCK ' N ' ROLL EVOLUTION WILL NEVER HAPPEN AGAIN. I was right in the middle of it! There were no set standards or proven ways until we blazed a trail into the new world of Rock " n " Roll. EBook coming soon in February 23, 2011

Grateful Dead Gear Voyageur Press (MN)

This book is chock-full of great photos and details on buying and maintaining the legendary Fender Stratocaster, with Terry Burrows leading the way.

Guitar World Presents the 100 Greatest Guitarists of All Time! Rowman & Littlefield

(Book). A fitting tribute to the troubled genius who revolutionized electric bass playing and bridged the gaps between jazz, R&B, rock and funk. From his early days in R&B club bands through his international stardom with fusion group Weather Report and on to his solo career and tragic death at age 35, this book portrays the life and music of Jaco Pastorius, the self-proclaimed "world's greatest bass player." This special

anniversary edition features new interviews with Jaco's childhood friends, prominent bass players of Jaco's era and afterward, and girlfriend Teresa Nagell, who was with Jaco in the last few years of his life. Some incidents from the first edition have been further researched and expanded to become full chapters. Exclusive to this edition, the CD features newly revealed music tracks from Jaco's early years along with spoken testimonials from Jaco's friends and colleagues. The book also contains new, never-before-seen photos acquired from the Pastorius estate.
