The funny romantic comedy about an unlikely law student with big dreams that inspired the blockbuster movie and the Broadway musical. Elle Woods, California University senior, seems to have it all. President of Delta Gamma sorority, a star in the classroom (her major: sociopolitical jewelry design)—and is on the verge of becoming the much-envied Mrs. Warner Huntington III. Too bad Warner, bound for Stanford Law, dumps her with the explanation that he now needs a more “serious” woman at his side. Faced with this unexpected reversal of fortune, Woods doesn't get depressed, she gets busy. Thanks to a creative application and a demand for “diversity” at Stanford Law, Elle gets her acceptance letter. Soon she's packing up her convertible—as well as her miniature

Chihuahua—determined to win back her man, and to prove to herself that dreaming big is the only way to dream. Smart, fast, and funny. Legally Blonde proves just how much fun blondes really can have.

[Fender Amps](#) Hal Leonard Corporation From his early rise to fame to battles with his health, this revelatory memoir by legendary guitarist Peter Frampton celebrates the life of a rock icon. *Do You Feel Like I Do?* is the incredible story of Peter Frampton's positively resilient life and career told in his own words for the first time. His monumental album *Frampton Comes Alive!* spawned three top-twenty singles and sold eight million copies the year it was released (more than seventeen million to date), and it was inducted into the Grammy Hall of Fame in January 2020. Frampton was on a path to stardom from an early age, first as the lead singer and guitarist of the Herd and then as cofounder—along with Steve Marriott—of one of the first supergroups, Humble Pie. Frampton was part of a tight-knit collective of British '60s musicians with close ties to the Rolling Stones, the Beatles, and the Who. This led to Frampton playing on George Harrison's solo debut, *All Things Must Pass*, as well as to Ringo Starr and Billy Preston appearing on Frampton's own solo debut. By age twenty-two, Frampton was touring incessantly and finding new sounds with the talk

box, which would become his signature guitar effect. Frampton remembers his enduring friendship with David Bowie. Growing up as schoolmates, crossing paths throughout their careers, and playing together on the Glass Spider Tour, the two developed an unshakable bond. Frampton also shares fascinating stories of his collaborative work with Harry Nilsson, Stevie Wonder, B. B. King, and members of Pearl Jam. He reveals both the blessing and curse of Frampton Comes Alive!, opening up about becoming the cover boy he never wanted to be, his overcoming sub-stance abuse, and how he has continued to play and pour his heart into his music despite an inflammatory muscle disease and his retirement from the road. Peppered throughout his narrative is the story of his favorite guitar, the Phenix, which he thought he'd lost in a fiery plane crash in 1980. But in 2011, it mysteriously showed up again—saved from the wreckage. Frampton tells of that unlikely reunion here in full for the first time, and why the miraculous reappearance is emblematic of his life and career as a quintessential artist.

Following on the success of his 2005 bestseller *Hot Rod Pin-ups*, ace photographer David Perry offers an all-new collection of images winningly riffing on the timeless theme of girls ' n ' cars—specifically, girls ' n ' hot rods. In the garage, on the road, at the race, these sumptuous pictures by the acknowledged master of contemporary hot rod pin-up photography recall classic 1950s illustrators like Vargas and Elvgren. But the beauties in Perry ' s photographs have been transported to--and, it seems, transported by--the cluttered chop shops, deafening drag strips, and dusty highways that hot rods call home. Sharing top billing are the cars of many of today ' s top builders, as well as painstakingly perfect wardrobes and settings. Essays by male and female stars of the hot rod world round out this delightful book.

The history of hot rodding is filled with stories of cars that were lost for a wide variety of reasons. Some were crashed, others lost in accidents, and others simply faded away. It's the third group that *Lost Hot Rods II* focuses on. Many great hot rods that were once famous were simply hidden away. Some of

them have been tracked down and are now found once again. As a solid follow-up to the success of the original *Lost Hot Rods*, this book continues the fun of discovering whatever happened to many of the great rods and customs built in the early days of the sport. *Lost Hot Rods II* shares the full story of each car, including how it was originally built, when it dropped off the radar, and how it was ultimately found. Photos from the past and present are included to showcase the story behind each and every one of these great cars. Industry veteran and celebrated historian Pat Ganahl once again opens the archives and pounds the pavement in order to bring you the stories on some of the coolest cars ever to appear in shows or grace the pages of automotive magazines. A perfect companion to the best-selling *Lost Hot Rods: Remarkable Stories of How They Were Found*.
