BURN BLAZE ASHES EMBERS SHADOWS OMENS, *Wild Hunger* Sourcebooks, Inc. New York Times bestselling author Nalini Singh is back in the shadows of a deadly, beautiful world where angels rule, vampires serve, and one female hunter must crawl out of the darkness to survive. The severed head marked by a

distinctive tattoo on its cheek should have been a Guild case, but dark instincts honed over hundreds of years of life compel the vampire Dmitri to take control. There is something twisted about this death, something that whispers of centuries long past...but Dmitri's need to discover the truth is nothing to the vicious strength of his response to the hunter assigned to decipher the tattoo. Savaged in a brutal attack that almost killed her, Honor is nowhere near ready to come face to face with the seductive vampire who is an archangel's right hand, and

who wears his cruelty as boldly as his lethal sensuality...the same vampire who has been her secret obsession since the day she was old enough to understand the inexplicable, violent emotions he aroused in her. As desire turns into a dangerous compulsion that might destroy them both, it becomes clear the past will not stay buried. Something is hunting...and it will not stop until it brings a blood-soaked nightmare to life once more...

Fierce Obsessions

Montlake Romance

A new paranormal romance from Wall Street Journal and USA Today bestseller Jaymin Eve. My father made a terrible mistake. One I'm left paying for. As a wolf shifter growing up in a strong pack, I should be living my best life. But after my father tried to kill our leader, I'm labelled an outcast, traitor, less than dirt. When I can't take pack life any longer, I run, but apparently they don't like losing their punching bag.

Torin, the leader's son, drags me back before my first shift... a shift that will reveal my true mate. I never could have predicted who mine would be, but the moment my wolf looks upon him, I'm filled with hope for a brighter future. After all, no one ever rejects their true mate, right? Wrong. Very wrong. When the wolves attack, my soul screams for vengeance, and somehow I touch the shadow world. Somehow I bring him to our lands. The Shadow Beast. Our shifter god. The devil himself. Turns out being rejected by my mate was only the

beginning. *If you like sexy, dark paranormal romances, with humor, steam, action, a tough heroine and an antihero, this is for you. Sam Parker is a vampire with a gift so strong and substantial that she is invited to partake in a test for a place in the Grand High Master Vampire's private army. She finds that not only

has the army never included a woman, but it has never included a Svent é vampire; a breed that is regarded by the super strong Pagori breed and the hypnotically beautiful Keja breed to be too tame and human-like. Most refuse to take her seriously, especially a Pagori commander named Jared who she craves in spite of herself. The Grand High Master, however, sees her potential and offers her the position of Jared's co-commander to help train

the newest squad in time for the impending attack on his home. Sam has to demonstrate to Jared and the squad of chauvinists why it is incredibly foolish to underestimate a wilful, temperamental, borderline-homicidal Svent é female. Warning: This novel contains an iron-willed female vampire with an energy whip, a sexist male vampire who is determined to have her, explicit vampy sex, and a romance story with real bite.
