can't help but see it as a betrayal. That her one true mate imprinted himself on another female was hard enough to accept. Struggling to be at peace with her loveless fate, she doesn't fight the suggestion of entering an arranged mating. Then she meets Dominic, a pack enforcer with a notorious reputation. It's in his very scent. This irresistible

playboy--and delicious badass wolf--is making Mila's fantasies come alive again. Alarming, compelling, and heady with sensual energy, Dominic is an expert at making women shed their inhibitions. Now everything about him--his killer smile, his perfectly sculpted body, and his smooth-as-honey voice--is drawing in a captivating new catch. But for the first time in

his life, Dominic is feeling more than a fling. He finds himself tantalized by a female who makes him think of forever. He wants all of Mila and won't be satisfied until he has it. Montlake Romance
Sam Parker is a
vampire with a gift
so strong and
substantial that she
is invited to partake

in a test for a place in the Grand High Master Vampire's private army. She finds that not only has the army never included a woman, but it has never included a Sventé vampire; a breed that is regarded by the super strong Pagori breed and the hypnotically beautiful Keja breed to be too tame and human-like. Most refuse to take her seriously, especially a Pagori commander named Jared who she craves in spite of herself. The Grand High Master, however, sees her potential and offers her the position of Jared's co-commander to help train the newest squad in time for the impending

attack on his home. Sam has to demonstrate to Jared and the squad of chauvinists why it is incredibly foolish to underestimate a wilful, temperamental, borderline-homicidal Sventé female. Warning: This novel contains an iron-willed female vampire with an energy whip, a sexist male vampire who is determined to have her, explicit vampy sex, and a romance story with real bite. [A Hunger Like No other](#) Feral Sins When female wolf shifter Taryn Warner first encounters Trey Coleman, an alpha male wolf shifter with a dangerous reputation, she's determined to resist

his charms. But Taryn finds herself drawn in by Trey's forceful demeanor and arctic-blue eyes, and she eventually agrees to enter an uneasy alliance with him. If the two succeed in convincing their respective packs that they've chosen each other as mates, Trey will win valuable political allies, while Taryn will escape an odious arranged mating. Will they be able to maintain the clear heads needed to pull off the deception? Wicked Cravings For those readers who are dying for more Suzanne Wright . . . there's FALLEN!
