Applying Anatomy & Physiology Concepts through Active Learning Developed as the companion lab manual to Amerman's Human Anatomy & Physiology, Catharine Whiting's lab manual takes an active learning approach that uses a rich variety of hands-on activities, along with guided questions, to engage students and help them apply concepts learned in lecture to lab. The active learning approach to Whiting's Human Anatomy & Physiology Laboratory Manual: Making Connections includes unique hands-on activities that use different learning modes including labeling, sketching, touching, dissecting, observing, conducting experiments, interacting with groups, and making predictions. Whiting also includes pre-lab assignments to help students better prepare for lab; and post-lab assignments to solidify learning and challenge students to see interrelationships of concepts across topics. Also available with MasteringA&P® This title is also available with MasteringA&P -- an online homework, tutorial, and assessment system proven to help students learn. It helps instructors maximize lab time with customizable, easy-to-assign, automatically graded assessments that motivate students to learn outside of class and to arrive prepared for lab. The powerful gradebook provides unique insight into student and class

And love is definitely out of the question while she works her way through college to earn her occupational therapist certification. Besides, her mother's string of failed relationships and broken promises prove romance is not worth risking her heart--even when she begins to care deeply for single dad Ryan O'Keefe. Four years after his girlfriend, Shana, became pregnant, Ryan still can't believe he's a father...and can't imagine being anything else. His daughter is the light of his life. Now if only Shana could embrace motherhood and the three become a real family.... Then Ryan receives shocking news about Shana, and his world is torn apart as he faces losing his daughter. Suddenly old feelings for Grace resurface, but is a whirlwind marriage of convenience the answer?
