From the outset of Fevered Souls 2 S K Falls intends to unnerve her reader as events And the answer is yes, but not like we have grown to know him in the first books! S K Falls takes a different approach with this story, which I think is successful, and whilst the focus is less on the romance between Cara and Dax, their backgrounds are explored separately.

Fevered Souls Book 2 by S.K. Falls - Goodreads

Fevered Souls isn't exactly a book, per say. Instead, it's a collection of novellas bound together as a series with each novella as an episode -- not something I'm quite used to. I've never really been a fan of novellas since a) I finish them too quickly, and b) I usually don't get attached enough to the characters or the writing style to want to read more by the author.
