There's just one problem.
Michael has made it his

her in time, this fight isn't over. Unholy Ground Audrey Barrett tries to play hero while filming Project Demon Hunters but fails — at a terrible cost. Now the network has pulled the plug on the show, and they're all out of a job. At least she still has Michael safely at her side. But as they tie up loose ends, they come across clear signs that the demon that's been making their lives miserable isn't through with them after all. Now they have no choice but to confront evil on its own turf...and not even an ocean of holy water will help them. The New monthly magazine, and literary journal. [American ed.]

“ One New Year ' s Eve, four people with very different reasons but a common purpose find their way to the top of a fifteen-story building in London. None of them has calculated that, on a date humans favor for acts of significance, in a place known as a local suicide-jumpers ' favorite, they might encounter company. A Long Way Down is the story of what happens next, and of what doesn ' t. ” —The New York Times Book Review A wise, affecting novel from the beloved, award-winning author of Dickens and Prince, Funny Girl and High Fidelity Nick Hornby mines the hearts and psyches of four lost souls who connect just when they ' ve reached the end of the line. In four distinct and riveting first-person voices, Hornby tells a story of four

individuals confronting the limits of choice, circumstance, and their own mortality. This is a tale of connections made and missed, punishing regrets, and the grace of second chances.
