Fierce leadership is a  
practice, a way of life, a  
way of thinking and behaving  
that a leader can bring into  
his or her life everyday. In  
Fierce Leadership we are  
pointing out some so-called  
"best practices" of leaders  
today and showing that they  
are actually far more  
problematic than they are  
positive and providing an  
alternative.
