Library Mouse: A Friend's Tale Univ. Press of Mississippi

A fast-paced, page-turning thriller that contemplates the consequences of motherhood, memory, and crime as a commodity. Black ops specialist Aubrey Sentro may be one concussion away from death. But when pirates seize the cargo ship she's on, she must decide whether to risk her life to save her fellow passengers. Sentro's training takes over, and she's able to elude her captors, leaving bodies in her wake. But her problems are just getting started. Her memory lapses are getting more frequent, symptoms of serial-concussion syndrome. As she plays a deadly game of cat and mouse with the pirates, she pushes herself to survive by focusing on thoughts of her children. She's never told them what she really does for a living, and now she might not get the chance. While her memories make her vulnerable, motherhood makes her dangerous.

Mrs. Noodlekugel and Drooly the Bear

Candlewick Press

Cracking in the desert heat, the sleepy town of Twentynine Palms sits outside the bright blankness that is the sprawl of Los Angeles. For someone on the run like Jack Baylor, who needs a quick exit out of L.A. after a steamy affair with his best friend's wife, Twentynine Palms is the perfect refuge. Standing on the balcony of room 203 at Rancho del Dorotea, Jack plans to lay low for a few days, relax, and enjoy the high desert and the pool. But Jack's best friend, Tory, is already following his trail up Highway 61, and he wants nothing but revenge. Before Jack has a chance to plan his next move, a family disappears from the motel, leaving behind the signs of a gruesome struggle. In the eyes of the Twentynine Palms police, Jack is the only logical suspect. Now Jack has to clear his name and escape his angry best friend. With the unexpected help of a 14-year-old girl, Jack desperately works to evade the police and Tory before his world comes entirely unhinged. With feverish Southern California as the backdrop, Twentynine Palms is a sun-soaked, skittering race toward a surprising truth.

Nick and Maxine have a new babysitter--the eccentric Mrs. Noodlekugel who lives in the funny little house behind their drab high-rise apartment building along with her feline butler, Mr. Fuzzface, and three myopic mice.

Town Mouse Country Mouse Thomas & Mercer With signature wit and whimsy, the inimitable Daniel Pinkwater introduces an eccentric, endearing babysitter every child will wish they could have. Nick and Maxine live in a tall building with one apartment on top of another. So when they look out their window and see a little house they never knew was there, of course they must visit (especially when their parents tell them not to!). Going through the boiler room, they're amazed to find to a secret backyard with a garden, a porch, and a statue of a cat. And they're even more amazed when that cat starts to talk. . . . Welcome to the world of Mrs. Noodlekugel, where felines converse and serve cookies and tea, vision-impaired mice join the party (but may put crumbs up their noses), and children in search of funny adventures are drawn by the warm smell of gingerbread and the promise of magical surprises.

The Play of Daniel Keyes' Flowers for Algernon Candlewick Press

Four farsighted mice get glasses -- and a talking cat solves a family mystery -- as the charmingly eccentric Mrs. Noodlekugel returns. When Mrs. Noodlekugel's four mice make a terrible mess with cookie crumbs at tea, she decides to take them on the bus to visit the eye doctor -- and invites Nick and Maxine to come along! The mice ride on Mrs. Noodlekugel's hat, while Mr. Fuzzface, her talking cat, has the indignity of riding in a carrier. Afterward, the hungry crew head to Dirty Sally's Lunchroom, but the mice overdo their cheesecake and run out the door. Luckily a policeman is at the ready to help with the search -- as is a rough-edged, yarn-spinning alley cat with a surprising connection to Mr. Fuzzface! It's all a day in the life of Daniel Pinkwater's whimsical characters, in a chapter-book series whose comical tone and cozy illustrations are sure to keep young readers coming back for more.

The Guarded Gate Holiday House

Vital Lies Little Brown

As everyone knows by now after reading book five, Peter is not with us any more, he died in San Francisco bay, and his body is lying there as you read this book. Although most people think that the famous rodent passed away at the now destroyed Mother Hen 's Rest Home, near there, his bones, now turning white rest on the bottom of the bay near the Golden Gate Bridge next to the three rocks by the Cliff House, where a group of sea lions hang out. The new stories that appear in this book are adventures that happened to Peter and his guys in earlier days of his life as described by the author, after reading the material given to him and interviewing in real life, Peter before he died and some of his friends. These stories have never been released before, and you will be the first readers to read them. Please take note that some of the stories that appear in the book are of such content that the timid readers should skip over them or seek parental guidance. The chapters will be identified as the reader turns the pages.

Mrs. Noodlekugel and Drooly the Bear Penguin

NAMED ONE OF THE " 100 NOTABLE BOOKS OF THE YEAR " BY THE NEW YORK TIMES BOOK REVIEW From the widely celebrated New York Times bestselling author of Last Call—this " rigorously historical " (The Washington Post) and timely account of how the rise of eugenics helped America keep out " inferiors " in the 1920s is " a sobering, valuable contribution to discussions about immigration " (Booklist). A forgotten, dark chapter of American history with implications for the current day, The Guarded Gate tells the story of the scientists who argued that certain nationalities were inherently inferior, providing the intellectual justification for the harshest immigration law in American history. Brandished by the upper class Bostonians and New Yorkers—many of them progressives—who led the anti-immigration movement, the eugenic arguments helped keep hundreds of thousands of Jews, Italians, and other unwanted groups out of the US for more than forty years. Over five years in the writing, The Guarded Gate tells the complete story from its beginning in 1895, when Henry Cabot Lodge and other Boston Brahmins launched their anti-immigrant campaign. In 1921, Vice President Calvin Coolidge declared that " biological laws " had proven the inferiority of southern and eastern Europeans; the restrictive law was enacted three years later. In his trademark lively and authoritative style, Okrent brings to life the rich cast of characters from this time, including Lodge 's closest friend, Theodore Roosevelt; Charles Darwin 's first cousin, Francis Galton, the idiosyncratic polymath who gave life to

eugenics; the fabulously wealthy and profoundly bigoted Madison Grant, founder of the Bronx Zoo, and his best friend, H. Fairfield Osborn, director of the American Museum of Natural History; Margaret Sanger, who saw eugenics as a sensible adjunct to her birth control campaign; and Maxwell Perkins, the celebrated editor of Hemingway and Fitzgerald. A work of history relevant for today, The Guarded Gate is " a masterful, sobering, thoughtful, and necessary book " that painstakingly connects the American eugenicists to the rise of Nazism, and shows how their beliefs found fertile soil in the minds of citizens and leaders both here and abroad.
