From Colleen Hoover, the #1 New York Times bestselling author of *It Ends With Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

FIFTY SHADES OF GREY to the second power meets Keisha and Jada from the Block. Aspiring recording studio owners, Keisha Beale and Jada Jameson, score a rare meeting with venture capitalist Tristan White, and are thrust into a world beyond their wildest imaginations. Lured by Tristan White and his offer of fronting the capital for her business in exchange for an indecent proposal, of sorts, Keisha finds herself with no other option. Tortured by demons from her past, Keisha's inability to come to terms with them threatens to undermine the future of her business and her tumultuous, unconventional relationship with Tristan White. Erotic, amusing, and in places hilarious, the *Jungle Fever Romance Quadrilogy* is a parody with a unique take on a Fifty Shades-type story that will take you even further into the BDSM world, and promises to make the vanilla original Fifty Shades more colorful.

Meeting a friend after many years'

separation, the narrator wonders whether the events they both lived through in Lebanon really took place. Time and distance give a sense of unreality but when the narrator and Ali meet at Heathrow Airport, after seventeen years, the past slowly begins to unfold. Like so many other Palestinians who were born in the Lebanon, they had to leave in the mid-1980s, when it became a battlefield for different militias and armies – Lebanese, Palestinian, Israeli and Syrian. Ali leaves for America and, two years later, the narrator leaves for London. Their memories are concentrated on one fatal night when they and two other friends are together for the last time, before tragedy strikes. But for the narrator, a personal tragedy had struck much earlier, one which he would never forget and could not share.

“Fascinating. Doidge’s book is a remarkable and hopeful portrait of the endless adaptability of the human brain.”—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge’s inspiring guide to the new brain science explains all of this and more An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they’ve transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential. He tries to forget her, but instead is swept up in a storm of emotion he cannot comprehend and cannot resist. Unlike any woman he has known before, shy, unworldly Ana seems to see right through him - past the business prodigy and the penthouse lifestyle to Christian's cold, wounded heart. Or will his dark sexual desires, his compulsion to control, and the self-loathing that fills his soul drive this girl away and destroy the fragile hope she offers him? Darker Their scorching, sensual affair ended in heartbreak and recrimination, but Christian Grey cannot get Anastasia Steele out of his mind, or his blood.

But the horrors of his childhood still haunt him, and Ana's scheming boss, Jack Hyde, clearly wants her for himself. Can Christian's confidant and therapist, Dr. Flynn, help him face down his demons? Or will the possessiveness of Elena, his seducer, and the deranged devotion of Leila, his former submissive, drag Christian down into the past? And if Christian does win Ana back, can a man so dark and damaged ever hope to keep her? Freed You are cordially invited to the wedding of the decade, when Christian Grey will make Anastasia Steele his wife. But is he really husband material? His dad is

unsure, his brother wants to organise one helluva bachelor party, and his fiancée won't vow to obey . . . And marriage brings its own challenges. Their passion for each other burns hotter and deeper than ever, but Ana's defiant spirit continues to stir Christian's darkest fears and tests his need for control. As old rivalries and resentments endanger them both, one misjudgement threatens to tear them apart. Can Christian overcome the nightmares of his childhood and the torments of his youth, and save himself? And once he's discovered the truth of his origins, can he find forgiveness and accept Ana's unconditional love? Can Christian finally be freed?
