*The Case for Christ* McClelland & Stewart

Across the centuries, how have Christians who follow the Prince of Peace responded to the recurring reality of war? And what guidance do they offer for believers today—in the midst of

global conflict? In *When God Says War Is Right*, Dr. Darrell Cole offers thorough and highly readable answers. His expert examination focuses on these topics: • Relating the character of God with the use of force • Relating the character of God with the use of force • Determining when and how Christians ought to fight • Understanding why Christian virtues are vital when using force • Using nuclear weapons for deterrence • Learning lessons from World War II, Vietnam, and the 1991 Gulf War • Responding to today’s war against terrorism Dr. Cole focuses on Romans 13, where Paul commands us to “do what is right” (or “good” or “noble”) in regard to our governing authorities,

who have legitimate war-making authority. In the case of war, what is “right” for the Christian? This book answers that essential question. In today’s war-stricken world, Dr. Cole provides timely, trustworthy, and vitally needed guidance for Christians.

Love Matters More B&H Publishing Group Charis reveals God's stubborn delight in His enemies - how He doesn't just forgive us but actually enjoys us with an unleashed, undomesticated, and scandalous grace first shown on the pages of the Old Testament. **How to Fight Racism** Zondervan

How should Christians respond to war? This age-old question has become more pressing given Western governments' recent overseas military interventions and the rise of extremist Islamist jihadism. Grounded in conservative evangelical theology, this book argues the historic church position that it is inadmissible for Christians to use violence or take part in war. It shows how the church's propensity to support the "just wars," crusades, rebellions, or "humanitarian interventions" of its host nations over time has been disastrous for the reputation of the gospel. Instead, the church's response to war is simply to be the church, by preaching the gospel and making peace in the love and power of God. The book considers challenges to this argument for "gospel peace." What about warfare in the Old Testament and military metaphors in the New? What of church history? And how do we deal with tyrants like Hitler and terrorists like Islamic State? Charting a path between just war theory and liberal pacifism, numerous inspiring examples from the worldwide church are used to demonstrate effective and authentically Christian responses to violence. The author argues that as Christians increasingly drop their unbiblical addiction to war, we may be

entering one of the most exciting periods of church history.

**Making Sense of God** TUMI Press Free Fighting or Mixed Martial Arts allows with a few exceptions, all the martial arts techniques of striking, punching, kicking, throwing, and groundwork. This volume features more than 1,300 photographs that illustrates what you need to know about reach distances, the transition from standing to groundwork, ground techniques, and more.

**The Right Fight** Christian Faith Publishing, Inc.

Based on 1 Timothy 6:12: "Fight the good fight of faith," this was C H Spurgeon's final address to the students at the Pastors' College in 1891.

Identifying the great foes to be false doctrine, worldliness, and sin, he focuses on the Bible as our armoury, the sole authority for believers in all things, the Church as all being involved in the battle, and the Holy Spirit, upon whom we depend entirely for success in the warfare. The preaching

ministry of C H Spurgeon saw thousands converted and he also worked tirelessly to inspire preachers to be valiant for the truth through the Pastors' College. He knew much of the warfare of which he spoke; personal health challenges and his costly stand against doctrinal decline and compromise gave him insights which he shares here. The clarion call to active service in The Greatest Fight in the World is as relevant today as when first delivered.

*The Rage Against God*  
Zondervan

Author and pastor Craig Groeschel helps you uncover who you really are—a man created in the image of God with a warrior's heart—and how to fight the good fight for what's right. You will find the strength to fight the battles you know you need to fight—the ones that determine the state of your

---

heart, the quality of your marriage, and the spiritual health of your family. Craig will also look at examples from the Bible, including our good buddy Samson. Yep, the dude with the rippling biceps and hippie hair and a thing for Delilah. You may be surprised how much we have in common with this guy. By looking at his life, you'll learn how to defeat the demons that make strong men weak. You'll become who God made you to be: A man who knows how to fight for what's right. And don't you dare show up for this fight unarmed. Learn how to fight with faith, with prayer, and with the Word of God It's time to fight like a man. For God's Sake, FIGHT.

Fight for Your Pastor Simon and Schuster

In a world of violence, how can Christians live out Jesus'

command to "love our enemies"? New York Times bestselling author Preston Sprinkle challenges us to consider a biblical response to violence. **Fight Fair** Wipf and Stock Publishers

Is it ever right to fight? Does the New Testament prohibit all forms of self-defense? What did Jesus mean by "turn the other cheek"? Paul wrote to the Roman Christians, "If it is possible, as far as it depends on you, live at peace with everyone." (Rom. 12: 18) But, what if it is not possible? What if others will not live at peace with us? Does there come a time when force is necessary to resist evil? Is there such a thing as a "just war"? Can war be reconciled with the sacredness of human life? These questions remain as relevant as ever to all who care about the issues of peace, justice, and freedom. In this incisive critique of pacifism, Dr. Robert A. Morey answers such questions in light

of the Bible and church history.

**God against the Revolution**  
Zondervan

Practical Ways to Support and Care for Your Pastor Do you pray for your pastors? Do you encourage them? Do you have realistic expectations for them? The office of pastor is simultaneously a rewarding and draining position. Pastors today have immense pressure on their shoulders and they need the support of their congregations. Peter Orr has written *Fight for Your Pastor* as an exhortation for church members to stand behind their pastors through the difficulties of ministry. Orr specifies ways in which congregations can be intentional in caring for church leaders, including prayer, encouragement, generosity, and forgiveness. Featuring stories from current pastors about their struggles, this book is perfect for thoughtful church members eager

---

to understand the weight of their pastors' positions and support leaders in their important ministry. For Thoughtful Christians: Specifically those wanting to know more about their pastors and how to care for them

Current: Features insight from pastors about their personal experiences in ministry

Applicable: Gives practical examples of how to love and care for pastors, including specific prayers for church leaders and the best ways to encourage them

Truth Grub Street Publishers  
This book presents a clear, biblical viewpoint of the Christian's rights and privileges in Christ and removes common misconceptions about the believer's standing in God.

Spiritual Warfare InterVarsity Press

Truth: The Case Against Satan begins in a courtroom. It is

about each person's responsibility to prepare for the second coming of Jesus Christ. In doing so, we identify the role we play in the battle between good and evil. We all have to choose for ourselves, and we have to know what we have chosen. It is a compelling way for each of us to search our souls. In the end, the choice is clear. This book provides a framework for the first steps toward preparing for the second coming of Jesus Christ and exposing deceptions. It answers many questions people have about the Bible, clears up several myths, and sticks to the written word. In short, it is your guide for the second coming of Christ. We don't have to be concerned about when the rapture is coming, we have to be prepared for it when it does. Get your oil lamps ready, pray that Jesus is with you, pray that you will not be deceived.

*Understanding How to Fight*

*the Good Fight of Faith*  
Macmillan

In this gripping, thought-provoking, and sometimes emotional from-the-trenches account of religious persecution in America, Harvard-trained lawyer David French brings a unique perspective to the culture wars. Fighting the small battles in the small places, French has seen first-hand the real-life consequences of an imbalanced legal system and a Christian political approach that sometimes works against the very freedoms it seeks to protect. Through the use of stories, case studies and personal accounts, French traces precisely how Christians fight battles in church, school, and the workplace to preserve the basic right to share the gospel and worship as they choose. A Season for Justice

---

will challenge and move its readers and force them to think clearly and soberly about the real legal attack on Christianity in America. Future Men Macmillan  
A riveting account of the lives and epic battles of eight Western defenders against violent Islamic jihad that sheds much-needed light on the enduring conflict with radical Islam. In Defenders of the West, the author of Sword and Scimitar follows up with vivid and dramatic profiles of eight extraordinary warriors—some saints, some sinners—who defended the Christian West against Islamic invasions. Discover the real Count Dracula, Spain's El Cid, England's Richard Lionheart, and many other historical figures, whose true and original claim to fame revolved around their defiant

stance against jihadist aggression. An instructive and inspiring read; whereas Sword and Scimitar revolved around decisive battles, Defenders of the West revolves around decisive men. Persecution Penguin  
Over 300,000 Copies Sold There is joy and triumph in the Christian life. But victory often comes through struggle. John White knows this tension well, and he gives us encouragement to persevere. The Fight is an accessible, classic guide to the basics of Christian living: faith, prayer, temptation, evangelism, guidance, Bible study, interpersonal relationships, and work. Beginning with an exploration of what happens at conversion, White offers refreshing insights into the challenges and joys of freedom in Christ that will benefit both new and experienced Christians. Along with numerous

stories from White's own journey of faith, each chapter includes suggested Bible study passages and questions. Now redesigned as part of the IVP Signature Collection, with a new foreword by Tom Lin, The Fight has for more than forty years served as a powerful resource to help thousands of Christians fight the good fight of faith. **In the Name of God** Faith Library Publications  
An anonymous caller tells a detective in a small Oregon town that a woman has just bitten off a man's finger. But the man is not the victim, the caller says. The woman is. She's being held against her will by a group of faith-healing fanatics who are trying to cure her depression with violent exorcisms. The detective rescues her, but she is afraid to press charges against the people in her church. Then the detective gets an even more ominous message: Children in the church have

---

been dying mysteriously for years, and now several more are in immediate peril, facing blindness, disability, and death. Unwilling to stand by and allow more children to suffer, the anonymous caller -- a church insider -- risks everything to work with three detectives and a lone prosecutor to fight faith-based child abuse, and to change the laws that protect its perpetrators. They are joined by a mother who'd suffered a faith-healing tragedy herself, and afterwards dedicated her life to saving others from the same fate. Masterfully written by author Cameron Stauth, *In the Name of God* tells the true story of their heroic mission, which resulted in a historic series of sensational trials that exposed the darkest secret of American fundamentalism, and revealed the shameful political deals that have allowed thousands of children to die at the hands of their own parents

-- legally. Though the battle against faith-healing abuse continues around the country, the victory in Oregon has lit the path to a better future, in which no child need die because of a parent's beliefs.

The Greatest Fight in the World Christian Scholars Press

Partly autobiographical, partly historical, "The Rage Against God," written by the brother of prominent atheist Christopher Hitchens, assails several of the favorite arguments of the anti-God battalions and makes the case against fashionable atheism. *A Season for Justice* Simon and Schuster

In this New York Times bestseller, David Limbaugh exposes the liberal hypocrisy of promoting political correctness while discriminating against Christianity. From the elimination of school prayer to

the eradication of the story of Christianity from history textbooks, this persuasive book shows that our social engineers inculcate hostility toward this religion and its values in the name of "diversity," "tolerance," and "multiculturalism." Through court cases, case studies, and true stories, Limbaugh details the widespread assault on the religious liberties of Christians in America today and urges believers to fight back in order to restore their First Amendment right of religious freedom.

*With God on Our Side* Princeton University Press

The story of the untimely death of Terri Schiavo, why it should not have happened, and its meaning for life in the legal and political arenas.

Fighting for Dear Life Counted Faithful

John Warwick Montgomery is considered to be one of the foremost living apologists for classical, biblical Christianity.

---

A renaissance scholar with a flair for controversy, he lives in France, England and the United States. His international activities have brought him into personal contact with some of the most exciting events of our time: not only was he in China In June 1989, but he was In Fiji during its 1987 bloodless revolution, was involved in assisting East Germans to escape during the time of the Berlin Wall, and was in Paris during the revolutionary "days of May" 1968. He has had personal contact with world leaders such as President Anwar Sadat of Egypt and English Prime Minister Tony Blair. He has been centrally involved in evangelical and Lutheran church affairs such as the Wenham conference on the authority of Scripture and the inerrancy controversies in the Lutheran Church-Missouri Synod. His public debates with atheist Madalyn Murray O'Hair, Bishop James Pike, death-of-God advocate Thomas Altizer, and situation-ethicist Joseph Fletcher are historic. His wife is the internationally-celebrated orchestral harpist Lanalee de Kant. Dr. Montgomery is

the author or editor of more than fifty books in five languages. He holds ten earned degrees, Including a Master of Philosophy in Law from the University of Essex, England, a Ph.D. from the University of Chicago, a Doctorate of the University in Protestant Theology from the University of Strasbourg, France, and the higher doctorate in law (LL.D.) from the University of Cardiff, Wales. He is an ordained Lutheran clergyman, an English barrister, an avocat au Barreau de Paris, France, and is admitted to practise as a lawyer before the Supreme Court of the United States. He obtained acquittals for the "Athens 3" missionaries on charges of proselytism at the Greek Court of Appeals in 1986 and won the leading religious liberty cases of Larissis v. Greece and Bessarabian Orthodox Church v. Moldova before the European Court of Human Rights. Professor Montgomery's autobiography offers an opportunity for the reader to meet one of the most fascinating figures in the contemporary church—to understand how he attained his influence in so many

diverse areas of modern life—and to comprehend the Christ-centered philosophy of life that has motivated all of his activities. This autobiography manifests the author's willingness to speak frankly about those with whom he has agreed and disagreed and is lightened with his well-known sense of humour Readers have a remarkable—and unique—treat in store for them.

### **Faith in the Fight**

ReadHowYouWant.com
