## Men's Health Entangled: Scorched

About the series... Shibari is the Japanese-inspired art of tying a subject to not only immobilize them, but to do so elegantly and beautifully - creating an intimate and erotic experience for both the subject and the person tying. Adopted by rope enthusiasts all over the world, shibari (literally "to tie" or "to bind") is a cornerstone of erotic rope art and the subject of captivating performances and photographs. However, in-depth resources for learning the art are difficult to obtain, making shibari intimidating, obscure and difficult to master... Until now. The Complete Shibari series is the most complete and accessible English-language guide to shibari ever published. Author Douglas Kent strips away shibari's mystery and reveals how to create visually stunning compositions with rope and the human form... in your own home or play space. About Complete Shibari: Land Complete Shibari Volume 1: Land explores the essential ground-based ties and forms of shibari. With short, clear explanations and over 450 lavish, step-by-step illustrations and photographs, Douglas Kent introduces the basic "building blocks", then guides you in applying those basics to create a full range of beautiful and exciting ground-based shibari ties. This is not a "knot book" - if you can tie an overhand knot, you already know half the knots you'll ever need. This practical, hands-on guide to doing shibari covers everything from choosing and preparing rope, to scene safety, to the techniques... and the reasoning behind the techniques. Complete Shibari Volume 1: Land is a ground-breaking, must-have book for anyone interested in playing with rope. Buy it today and tie tonight!

Killing the Black Body remains a rallying cry for education, awareness, and action on extending reproductive justice to all women. It is as crucial as ever, even two decades after its original publication. "A must-read for all those who claim to care

about racial and gender justice in America." —Michelle Alexander, author of The New Jim Crow In 1997, this groundbreaking book made a powerful entrance into the national conversation on race. In a media landscape dominated by racially biased images of welfare queens and crack babies, Killing the Black Body exposed America's systemic abuse of Black women's bodies. From slave masters' economic stake in bonded women's fertility to government programs that coerced thousands of poor Black women into being sterilized as late as the 1970s, these abuses pointed to the degradation of Black motherhood—and the exclusion of Black women's reproductive needs in mainstream feminist and civil rights agendas. "Compelling. . . . Deftly shows how distorted and racist constructions of black motherhood have affected politics, law, and policy in the United States." —Ms.

*The Freedmen's Book* Cleis Press

Old habits and loves die hard... When Kate left Boston a year ago for a coveted spot on a research team across the country, she thought she had severed her ties to Boston-and to Ian-for good. But when she returns to finish her dissertation and make a fresh start, she finds the cool, in control silver fox she thought she knew has been replaced by a different man-one she might want to get to know. Ian's carefully ordered life has been in turmoil since the day Kate walked out the door for what should have been the last time. But now that she's back, he'll risk anything, and change everything, for a chance to try again. But while their chemistry in the bedroom has never been better, Kate fears the mountain of unresolved baggage between will come crashing down and destroy their second chance once and for all.

Book of the Artists, American artist life, comprising biographical and critical sketches, etc Penguin Jessie Heaton is a fearless, flame-haired computer hacker. Independent and feisty, she's relied on no-one but herself since the age of sixteen. Working for the Russians, she is finally close to getting the one thing she wants most in life, when she's stopped in her tracks by the notorious Ryan brothers. The Ryans are Irish Mafia. They are unstoppable. No-one stands in their way. And nothing comes between a Ryan and his family. That is, until the hurricane that is Jessie, crashes into their lives. With a world full of secrets and a past that she can't outrun, will she be their salvation or their downfall? Ryan Rule is Book 1 in the New York Ruthless series. A Reverse Harem/ Dark Mafia Romance full of heat and suspense that will keep you turning the pages. Publishers Note: this book deals with mature themes.

The Bondage and Liberation of the Will Univ of North Carolina Press Three of them, one of her, and a remote cabin in the woods. Let the hot, winter nights ensue in this steamy dark romance from New York

Times bestselling author Penelope Douglas, now with bonus material. Tiernan de Haas doesn't care about anything anymore. The only child of a film producer and his starlet wife, she's grown up with wealth and privilege but not love or guidance. And when her parents suddenly pass away, she knows she should be devastated. But she's always been alone, hasn't she? Jake Van der Berg, her father's stepbrother and her only living relative, assumes guardianship of Tiernan. Sent to live in the mountains of Colorado with Jake and his two sons, Noah and Kaleb, Tiernan quickly learns that these men now have a say in what she chooses to care and not care about anymore. As the men take Tiernan under their wing, she slowly finds her place among them. Because lines blur and rules become easy to break when no one else is watching. One of them has her. The other one wants her. But he's going to keep her.

**Hard Times** Greenery Press (CA)

Madman, tyrant, animal-history has given Adolf Hitler many names. In *Mein Kampf* (My Struggle), often called the Nazi bible, Hitler describes his life, frustrations, ideals, and dreams. Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich "Beer-hall putsch" was unsuccessful, and Hitler was arrested. During the nine months he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become *Mein Kampf*, the controversial book that is seen as the blue-print for Hitler's political and military campaign. In *Mein Kampf*, Hitler describes his strategy for rebuilding Germany and conquering Europe. It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust.

*Joining Places* University of Illinois Press

David Barry Gaspar and Darlene Clark Hine's *Beyond Bondage* outlines the restricted spheres within which free women of color, by virtue of gender and racial restrictions, were forced to carve out their existences. Although their freedom, represented by the acquisition of property, respectability, and opportunity, always remained precarious, the collection supports the surprising conclusion that women of color often sought and obtained these advantages more successfully than their male counterparts.

Ryan Rule: A Reverse Harem/ Dark Mafia Romance. New York Ruthless Book 1 SCB Distributors

For millennia, seekers have used physical and emotional extremes to achieve transcendence and exaltation. Today, many BDSM and leather practitioners are discovering the potential of SM practice to reach personal, interpersonal and spiritual goals. In *Radical Ecstasy*, bestselling BDSM/sexuality authors Easton and Hardy document their own

journeys into the transcendent realm of kink. With their trademark frankness and humor, they share their own stories and philosophies. They also share techniques that have worked for them - techniques which combine tantric breathing, visualization and movement with a combined half-century of BDSM experience - to create states of transcendence during solo and partnered sexual and BDSM practice. As outrageously revolutionary as any sex book published in the last decade, *Radical Ecstasy* sets the stage for the new millennium in BDSM and sacred-sex practices - a "must" for any kink, tantra, pagan or sacred-sex practitioner. "Amazingly mindful exploration of that which cannot be easily put into words... the ecstatic experience from sex to sadomasochism, from trance to intuition to archetypes and spiritual awakening. Totally real and personal. Not a 'how to' but a nurturing 'can do' book." - Fakir Musafar, father of the modern primitive movement. "Progressive, deliciously honest, and HOT HOT HOT! Dossie and Janet ask difficult questions about the nature of sex, intimacy and ecstasy, then they actually manage to answer the questions, plus turn us on when they do. These two erotically gifted women have a way with words - and sex. They raise the bar on erotic writing and sex education to new heights. I'm in awe." - Annie Sprinkle, Ph.D., prostitute/porn star turned sex guru/sexologist "Fascinating, heartfelt, honest, real stories of the heart/spirit/energy connection experienced in the passionate rituals of intimate consensual power play. These two courageous women write brilliantly of how erotic energies connect us with the big love we all seek from the source." - Cleo Dubois, educator, ritualist, video producer/star

*A Treasury of Foolishly Forgotten Americans* Baker Academic  
 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that

he struggled to cope with family life after being freed.

**Finally Free** Little, Brown

Myfanwy Thomas awakens in a London park surrounded by dead bodies. With her memory gone, she must trust the instructions left by her former in order to survive. She quickly learns that she is a Rook, a high-level operative in a secret agency that protects the world from supernatural threats. But there is a mole inside the organization, and this person wants her dead. Battling to save herself, Myfanwy will encounter a person with four bodies, a woman who can enter her dreams, children transformed into deadly fighters, and terrifyingly vast conspiracy. Suspenseful and hilarious, *The Rook* is an outrageously imaginative thriller for readers who like their espionage with a dollop of purple slime. "Utterly convincing and engrossing -- -totally thought-through and frequently hilarious....Even this aging, jaded, attention-deficit-disordered critic was blown away."-Lev Grossman, *Time*

*Who I Am in Christ* Jazzybee Verlag

THE PHOENIX FILE is written as a satire focusing on the destructive results of religious atheism as it is imposed in the form of law. If it goes unchallenged every citizen will be required to live within THE BARN of a culturalized atheism. The future of freedom is in the balance. A choice lies before our nations. If we want continued freedom we must re-examine and reassert our founding Judeo-Christian values. Failing this our children will be subjected to a fully intolerant and militant atheism. Pragmatic atheism can never take credit for generating our historic religious freedoms, or such things as our system of law, property rights and the guaranteed right to life. Once these God-given rights and freedoms are lost they are only recovered at great cost. So either we stand and insist that our historic values be defended or become nations of slaves. Few, it appears, have the heart for such a struggle. Our children will live with the choice made. May I suggest therefore that you read carefully?

Radical Ecstasy Zondervan

"This first English translation of an important work of John Calvin is a welcome supplement to his teachings in his Institutes."--E. Earle Ellis, *Southwestern Journal of Theology*

This volume provides Calvin's fullest treatment of the relationship between the grace of God and the free will of humans. It offers insight into Calvin's interpretations of the church fathers, especially Augustine, on the topics of grace and free will and contains Calvin's answer to Pighius's objection that preaching is unnecessary if salvation is by grace alone. This important work, edited by renowned scholar A. N. S. Lane, contains material not found elsewhere in Calvin's writings and will be required reading for students of Calvin and the

Protestant Reformation.

**Killing the Black Body** Bondage in Boston

It's friends-with-benefits, but with rope... Domi has a secret escape from her life as a single mom. On nights when she's alone, she heads to Marquis, a sinfully hot club for those who like pain with their pleasure. When Master Mitch proposes a friends-with-benefits arrangement, it sounds perfect - she can have her cake and eat it too. Mitch doesn't believe in happily-ever-afters, not after his parents' nasty divorce and the way they still play games with each other. But the more time he spends with Domi, the harder it is to send her home alone at the end of the night. The only question is, how can he convince another commitment-phobe to give a relationship a real chance? An opposites attract, grumpy-sunshine, friends with benefits BDSM club romance between a playboy Dom and a single mom. Masters of Marquis Series 1. Bondage Buddies 2. Master Chef 3. Law & Disorder 4. Switch Play 5. Legally Bound 6. Shallow Submission 7. Hidden Away 8. Giant Tamer 9. Third Wheel

**Sudden Terror** University of Georgia Press

**Tied Up** Harper Collins

Tired of overpriced, poorly made sex toys? Can your wallet not keep up with your desires? The Better Built Bondage Book is the only guide you'll ever need to create high-quality sex toys yourself. You'll learn how to make toys by following easy-to-understand directions that let you succeed the first time. And all toys use only easy-to-find parts. If you can tie a knot, you can already make many of the 100+ toys. But not all the toys are basic! From simple designs you can make in a few minutes to portable furniture you can build in an afternoon, you'll be making toys that could turn seasoned experts green with envy! Douglas Kent's clear, casual writing style makes learning the skills and techniques easy. And it's loaded with pictures, too! Where other books boast of having a few hundred images, The Better Built Bondage Book packs an astonishing 1,400+ sexy photos, images, and professionally drawn illustrations into its 400 pages. If there's a special toy that you've been dreaming of, The Better Built Bondage Book lets you make it better, cheaper, and quicker.

Annual Report of the Board of Directors of the Los Angeles Public Library and Report of Librarian Lindhardt og Ringhof

This book is based on the actual case of the East Area Rapist, later also known as the Original Night Stalker, a masked man who terrorized California communities for ten years; 1976 through 1986, and possibly to this day. Because I was not involved in the initial rape investigations, they are written from hundreds of reports, notes, memos, newspaper clippings, conversations and interviews with those who were involved. The crimes are factual. The crimes are real. While all characters and events have direct counterparts in the telling of the story, I have created some dialogue in the interest of readability. The cops in the initial rapes are not factual, their

actions are. Their names and descriptions are completely fictitious. The names of the victims, witnesses and suspects are fictitious; the terror, the dialogue during the crimes, and the investigations are real. The cops involved in the cases after I was involved are real, their names and dialogue is factual, the investigations are real. The pain and terror may have diminished in the minds of the victims, I hope that the pain does not return. My intent is to tell the story without endangering the privacy or the dignity of the victims. They have suffered enough.

**Pennsylvania School Journal** Penguin

This is the extended and annotated edition including \* an extensive annotation of more than 10.000 words about the history and basics of Buddhism, written by Thomas William Rhys Davids The Book of Tea by Okakura Kakuzo (1906), is a long essay linking the role of tea (Teaism) to the aesthetic and cultural aspects of Japanese life. Addressed to a western audience, it was originally written in English and is one of the great English Tea classics. Okakura had been taught at a young age to speak English and was proficient at communicating his thoughts to the Western mind. In his book, he discusses such topics as Zen and Taoism, but also the secular aspects of tea and Japanese life. The book emphasizes how Teaism taught the Japanese many things; most importantly, simplicity. Kakuzo argues that this tea-induced simplicity affected art and architecture, and he was a long-time student of the visual arts. He ends the book with a chapter on Tea Masters, and spends some time talking about Sen no Rikyū and his contribution to the Japanese Tea Ceremony. (from wikipedia.com)
