Contents include: * When a new scene heading is appropriate and when it isn't * How to format shot headings, dialogue, direction and transitions * How to control pace with formatting * How to make a script page visually inviting to the reader * What to capitalize and why * How to get into and out of a POV shot * How to handle text messages and Zoom meetings * How Hollywood's most innovative screenwriters are pushing the boundaries of format * How format for animation differs from live action formats Simply put, Riley knows more about script format than anyone in Hollywood and shares it all in this indispensable guide.

The Scribe Method Cambridge University Press

A career-spanning selection of the legendary reporter David Carr's writing for the New York Times, Washington City Paper, New York Magazine, the Atlantic, and more. Throughout his 25-year journalistic career, David Carr was noted for his sharp and fearless observations, his uncanny sense of fairness and justice, and his remarkable compassion and wit. His writing was informed both by his own hardships as an addict, and his intense love of the journalist's craft. His range--from media politics to national politics, from rock 'n' roll celebrities to the unknown civil servants who make our daily lives function--was broad and often timeless. Whether he was breaking exclusives about Amazon or mourning Philip Seymour Hoffman's death or taking aim at editors who valued political trivia over substance, Carr's voice and concerns remain enormously influential and relevant. In these hundred or so articles, from a range of publications, we read his stories with fresh eyes. Edited by his widow, Jill Rooney Carr, and with an introduction written by one of the many journalists David Carr mentored and promoted, Ta-Nehisi Coates, Final Draft is a singular event in the world of writing news, an art increasingly endangered in these troubled times.

A startling and evocative novel, harkening to both One Day and Gravity, a man and a woman revisit memories of their love affair on a utopian Earth while they are trapped in the vast void of space with only ninety minutes of oxygen left. After the catastrophic destruction of the Middle East and the United States, Europe has become a utopia and, every three years, the European population must rotate into different multicultural communities, living as individuals responsible for their own actions. While living in this paradise, Max meets Carys and immediately feels a spark of attraction. He quickly realizes, however, that Carys is someone he might want to stay with long-term, which is impossible in this new world. As their relationship plays out, the connections between their time on Earth and their present dilemma in space become clear. When their air ticks dangerously low, one is offered the chance of salvation--but who will take it? An original and daring exploration of the impact of first love and how the choices we make can change the fate of everyone around us, this is an unforgettable read.

How do you write a book? Stuart Horwitz helps you do it in three drafts. Three drafts: that's all you need. - The messy draft: which is all about getting it down. - The method draft: which is all about making sense. - The polished draft: which is all about making it good. Finish Your Book in Three Drafts is for outliners who meticulously script every writing session and pantsers who pilot solely by feel. It will help you get past the fear that can land a first draft in the trashcan, and the confusion that can send a second draft into a dizzying tailspin. Because you don't want to be writing the same book for the rest of your life. You can Finish Your Book in Three Drafts provided you approach each draft in the right spirit, and know what action steps to take between drafts. With clarity, honesty, humor, and even videos, Horwitz discusses the best outlook and direction for each of the three drafts so that you can increase your efficiency, satisfaction, and engagement with both your writing process and your final product.

Becoming Strangers Cambridge University Press

NEW YORK TIMES BESTSELLER • An essential volume for generations of writers young and old. The twenty-fifth anniversary edition of this modern classic will continue to spark creative minds for years to come. Anne Lamott is "a warm, generous, and hilarious guide through the writer's world and its treacherous swamps" (Los Angeles Times). "Superb writing advice... Hilarious, helpful, and provocative." -The New York Times Book Review For a quarter century, more than a million readers--scribes and scribblers of all ages and abilities--have been inspired by Anne Lamott's hilarious, big-hearted, homespun advice. Advice that begins with the simple words of wisdom passed down from Anne's father--also a writer--in the iconic passage that gives the book its title: "Thirty years ago my older brother, who was ten years old at the time, was trying to get a report on birds written that he'd had three months to write. It was due the next day. We were out at our family cabin in Bolinas, and he was at the kitchen table close to tears, surrounded by binder paper and pencils and unopened books on birds, immobilized by the hugeness of the task ahead. Then my father sat down beside him, put his arm around my brother's shoulder, and said, 'Bird by bird, buddy. Just take it bird by bird.'"

The Hollywood Standard - Third Edition Cambridge University Press

After more than half a century of marriage, Dorothy and George are embarking on their first journey abroad together. Three decades younger, Jan and Annemieke are taking their last, as illness and incompatibility bring their unhappy union to an end. At first the luxury of a Caribbean resort is no match for the well-worn patterns of domestic life. Then the couples' paths cross, and a series of surprises ensues--a disappearance and an assault, most dramatically, but also a teapot tempest of passions, slights, misunderstandings, and small awakenings that punctuate a week in which each pair struggles to come to terms with what's been keeping them apart. A hit with readers and critics alike when it was published in England last year, *Becoming Strangers* is a different kind of love story, in which there's seldom a happy ending but sometimes a chance to redeem a life half-lived.

Ready to write your book? So why haven't you done it yet? If you're like most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it's bad? Worst of all: what if I publish it, and no one cares? How do I know if I'm even doing the right things? The truth is, writing a book can be scary and overwhelming—but it doesn't have to be. There's a way to know you're on the right path and taking the right steps. How? By using a method that's been validated with thousands of other Authors just like you. In fact, it's the same exact process used to produce dozens of big bestsellers—including David Goggins's *Can't Hurt Me*, Tiffany Haddish's *The Last Black Unicorn*, and Joey Coleman's *Never Lose a Customer Again*. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you'll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, *The Scribe Method* is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and wants to put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great nonfiction book.
