IT certification exams require a lot of study and practice. Many of our customers spend weeks, if not months preparing for the exam. While most classroom training and certification preparation software do a good job of covering exam material and providing practice questions, summarization of the highlights and key study points is often missing. This book is intended to bridge the gap between preparation and the final exam. It is designed to be an easy reference that

will walk you through all the exam objectives with easy to remember key points required to successfully pass the certification exam. It reinforces the key points, while helping you focus on the exam requirements. The benefits are multifold and can help you save hours of exam review, while keeping key concepts fresh in your mind before the exam. This critical review will help you with the final exam preparation touches and give you the confidence needed for the big day. Benefits of this exam countdown and quick review guide: 1. Focused approach to reviewing exam material - review what you must know 2. All key exam concepts highlighted and reinforced 3. Time saving - must know facts at your finger tips in one condensed version 4. Detailed explanations of all possible answers to practice questions to ensure your grasp of the topic 5 A full length simulation exam to determine your exam readiness

Anyone can take and pass a CLEP test. What are you waiting for? \*\*\*\* Testimonials\*\*\*\*I bought you principles of macroeconomics and I passed with the highest score I have ever had on a clep and I need a stats study guide that can do the same thing. Thanks for your time, your material was worth more than I paid for it! - Mike B. \*\*\*\*I just wanted to drop you guys a line and tell you that I passed my final CLEP exam last Monday which gives me all of the credits I need to graduate. I have taken 30 credits worth of CLEP exams and I've passed them all by using your study guides. I actually purchased one of your study guides and failed my first test. I didn't fail because of your guide though, I failed because I didn't manage my time effectively and I ran short. I looked at your study guide after failing though, and a lot of the information on your study guide was very relevant to what was on the test. So, I tried again with a different test and a different study guide of yours. I passed. This pattern continues for 30 credits. I graduate on June 9th thanks to you guys, so I wanted to say thank you. The guides were worth every penny. Thanks, -John S.\*\*\*\*

The Boston Institute of Finance Stockbroker Course Princeton Review YOU WILL PASS THE OSHA 511 WITH THIS STUDY GUIDE.....This study guide is from the notes of participants in the OSHA 511 General Industry course. What we have done is clean up our notes and put them in order so that you can be prepared for the final exam. For the most part if you understand the concept of the items listed you will have a chance to make a 90% or better on the exam. Obviously studying and class participation is key. But if you are like me you want to know what you are walking into ahead of time. So what you will

find is a list of statements, terms, and explanations to follow. Some of the notes YOU WILL SEE ON THE EXAM; easily 80%. Research these terms and learn the context of what they are asking for with the OSHA standards book, or if you are computer savvy, Google. These notes are all I used for the exam and passed quickly with an impressive score. Gre Subject Exam Review for the Graduate Record Examination John Wiley & Sons Are You Ready to Ace the Pharmacology Final Exam?
