The Finale 2012 Trailblazer Guide is in the tradition of Finale's reputation; a great product

with a huge learning curve. The Trailblazer is certainly not an "idiot's guide". You really need to read it front to back to be most useful. It is difficult to use as a reference manual when you need to find how to accomplish a specific task. *Additional Information about Finale 2012b for Windows* The Finale End User License Agreement allows the registered user to install Finale® on a maximum of two operating systems for that user only(Site Licenses excluded). To use Finale after installing it on a computer, you'll need to authorize each installation. To authorize, you'll need to use your license's unique serial number.
