Based on a groundbreaking in-depth survey of 22,000 Christian women, *The Great Sex Rescue* unlocks the secrets to what makes some marriages red hot while others fizzle out. Generations of women have grown up with messages about sex that make them feel dirty, used, or invisible, while men have been sold such a cheapened version of sex, they don't know what they're missing. *The Great Sex Rescue* hopes to turn all of that around, developing a truly biblical view of sex where mutuality, intimacy, and passion reign. *The Great Sex Rescue* pulls back the curtain on what is happening in Christian bedrooms and exposes the problematic teachings that wreck sex for so many couples--and the good teachings that leave others breathless. In the #metoo and #churchtoo era, not only is this book a long overdue corrective to church culture, it is poised to free thousands of couples from repressive and dissatisfying sex lives so that they can experience the kind of intimacy and wholeness God intended.

Transforming Homosexuality Harper Collins

Helps readers move beyond the wounds and baggage of bitterness, disagreements, and broken relationships. "True or false: most Christian pastors and counselors agree on what forgiveness is and how it should take place." This question is part of Chris Brauns's Forgiveness Quiz that draws readers into his book and gets them thinking about the subject of forgiveness. The truth is, pastors and counselors disagree profoundly on this subject. *Unpacking Forgiveness* combines sound theological thinking and honesty about the complicated questions many face to provide

readers with a solid understanding of biblical forgiveness. Only God's Word can unpack forgiveness. The wounds are too deep for us to find healing on our own, and the questions are too complex to be unraveled by anything but the wisdom of God. This book goes beyond a feel-good doctrine of automatic forgiveness, balancing the beauty of God's grace and the necessity of forgiveness with the teaching that forgiveness must take place in a way that is consistent with justice.

All men face some degree of temptation or discontentment. Here is your guide to get you past frustration into freedom. We live in a culture where 55% of married men and 70% of single men look at porn at least once a month and over half of all marriages end in divorce. To understand why that is we have to look beyond the battle to the root of both the problem and the solution...

Most books for men on how to defeat lust and improve their relationships with the women in their lives preach a plan for trying harder, thinking better, and battering their behavior into submission. The problem with this approach: no matter how strong we are today, the battle continues tomorrow, and nothing ever seems to change in the long run. In *Beyond the Battle*, author and pastor Noah Filipiak shows you why symptom-based behavior management approaches offer short-term solutions. Instead, he unpacks the keys to a gospel-centered, long-term victory, helping you win the war against temptation and entitlement. *Beyond the Battle* is an accessible, effective, man-to-man resource for individual or small group use that will guide you toward freedom from sexual temptations by connecting you more deeply to Jesus—to his sacrifice and sufficiency. Filipiak addresses deep questions of marriage, singleness, and sexual temptation like: What's really the worst enemy in a man's marriage? How are my assumptions about my wife contributing to the problem? How does a corrected understanding of God's grace change my outlook on marriage or singleness? This book turns typical "purity" strategies on their head by addressing head-on our sense of self-entitlement and our self-seeking tendencies, showing how to look to God—instead of to women—for intimacy, approval, acceptance, and validation. Includes free access to 7-week small group video curriculum plus an option 40-day devotional.

The Encouraging Truth about Christians and Sexual Purity Crossway

The music we listen to, the movies we watch—they're all telling us to keep chasing love, and that we'll finally be happy when we find it. But is love really all we need? The love that the world tells us to pursue is all about self, about following your heart's desires. But what is the Christian worldview on love? When we follow Jesus, we realize that he invites us to reorient the focus of our lives, so instead of chasing love primarily for our own happiness, we are first and foremost to give love—to God and to others. In *Chasing Love*, Sean McDowell will invite readers into Jesus' radical, upside-down approach to love, and in doing so, he'll answer some of the toughest questions we're asking about love today: How does Jesus speak to singleness? What does the gospel say about LGBTQ issues? Can sexual sin truly be forgiven? What if I'm not happy in my marriage?

Sick of porn? Time to detox. A huge percentage of men need a porn detox, a moral and psychological reset. Do you? If so, whether you know it or not, pornography has corrupted your thinking, weakened your conscience, warped your sense of right and wrong, and twisted your understanding and expectations of sexuality. You need a reset by the One who created sex. In this book, I hope to help you reorient your understanding of sex, both in the big picture and in the act itself, according to God's plan for this great gift. I want to help you detox from all the junk you've seen, all the lies you've believed. This is not an easy process. It is rarely a quick process. It involves a letting go of old realities and an embrace of a new normal. To be willing to go through it you need to see how bad your current situation really is, and how the path you are on leads no place good. You need to see that the path of porn leads only to more isolation, guilt, alienation, and pain. Whether single or married, such a reset to normal is the only thing that can ever equip you to become a pure, loving, attentive, sacrificial husband. But you already know you need to change. Few Christian men indulge in porn without realizing they need to quit. Every Christian guy who looks at porn wants to stop, but many of us want to stop just a little bit less than we want to keep going. The problem isn't knowledge-it's desire and ability. So sin prevails. Here's a promise. You'll never stop until you begin to see the monstrous nature of the sin you're committing. You'll never stop until the sin is more horrifying to you than the commission of the sin is enjoyable. You'll need to hate that sin before you can find freedom from it. That means you need more grace. You need to cry out to be changed and to see the monstrous nature of this sin. And then you need to behave in faith that God will meet you with grace as you act to cut off the porn and begin the reset. -Tim Challies
