Loch (The Powers That Be, Book 3) WestBow Press An important aspect of any Sikh religious service is the reading from the Guru Granth or taking Hukam Nama. The Guru Granth Sahib is a hefty tome of 1,430 pages. Sikh tradition is that from roughly the middle half of the Guru

Granth, usually at the beginning of a randomly selected page (or the previous page if the hymn started there), one hymn is selected. This is read as the Hukam Nama or the Order of the Day. Clearly, many Sikhs living outside the Punjabi ambience would have great difficulty figuring out its meaning. find the courage to dive back in. In this soul-searching book, relationship expert Kate Rose guides readers down the path to a deeper understanding of who they are, what they want, and finally, to the discovery of their Twin Flame. According to Rose, love is a journey of self-discovery and every relationship we have in our lives teaches us something that we need to learn about ourselves and what will make us truly happy. She introduces readers to the three types of love we will all

experience: The Soulmate introduces us to the dream of love, but somehow what seemed like it would be "happily ever after" wasn't meant to last forever. We are so consumed with making The Karmic Love work that we often fail to question whether it should work. As painful as it is to accept, this love that felt so right in the beginning is actually all wrong. The Twin Flame comes into our lives and often we don't even know it's love because . . . it's too easy. This is the love who helps us

to accept ourselves just as we are because this is precisely what they do. In *You Only Fall in Love Three Times*, Kate Rose shows us that happy endings may not happen quite the way they do in fairytales-- but they happen nonetheless. Ryker Powers was the biggest prick I ' d ever met. He was also my biggest mistake. He ' d taken what he wanted then left, and I detested him for it. Not that the jerk had cared to stick around long enough to know how I felt.

Everyone thought he was a perfect gentleman with all his quiet intensity but I knew better. I knew he had a filthy mouth. That he liked things dirty. He may have had people fooled into thinking he was a nice guy but I knew exactly who he was. He was a bad boy who ' d ask for a light from the devil himself. And I wanted to see him burn. Until I realized—to my utter horror—that what I really wanted was him. Who was going to get burned now?
