Advanced Financial Accounting Vikas

Publishing House

This book has been written specifically for the students of BCom (Hons) of the University of Delhi in accordance with its prescribed syllabus and that of School of Open Learning. Its basic features are the same as the mother book Cost Accounting—Principles and Practice, which is a UGC recommended text for the last many years. Thus, it

gives a thorough grounding in cost concepts, cost behaviour, and costing methods. The subject matter has been organized on 'first things first' basis to sustain the interest of the students. Every discussion involving conceptual difficulties is immediately followed by a numerical example.

Financial Accounting provides a comprehensive coverage to course requirements of students appearing in the paper Financial Accounting at BCom, BCom (Hons) examinations of different Indian universities and Foundation Examination (NS)

of the Institute of Company Secretaries of India. The book is divided into four sections: Section I explains the fundamental principles necessary for understanding the subject. It covers the entire accounting cycle—from recording of financial transactions to the preparation of final accounts. Section II deals with accounting problems related to certain specific types of business transactions. Section III deals with partnership accounts. Section IV provides suggested answers to recent examinations' questions.

Discipline Specific Elective (DSE) Courses 'Accountancy and Financial Management - I' F.Y.B.Com.: Semester - I
Vikas Publishing House

This book is designed to meet specific requirements of Bangalore University curriculum for B.Com - Semester III. It covers the fundamental concepts and

framework of Financial Management in lucid language and simple style, presenting the topics in a systematic and meticulous manner. The book intends to lay a strong foundation for advanced applications and decision making in finance.

'Cost Accounting' is designed for the specific requirements of B.COM/B.B.A IV Semester curriculum of Bangalore University. It represents the core concepts of the subject in a systematic and meticulous manner which intends to provide a strong conceptual background to the readers not only for classroom study, but also for corporate-world applicability. The book has been enriched with 25+ years of experience of the authors and provides a right blend of both- theory and application.

Oswaal ISC Sample Question Papers Class 12, Semester 2 Business Studies Book (For 2022 Exam) Oswaal Books and Learning Private Limited

This book provides a comprehensive and critical overview of learning accounting. It illustrates that when learners need to

mentally integrate two or more distinct items of information, it places unnecessary demands on cognitive load. The book discusses the cognitive load theory, which assumes that the task of mental integration increases the load on already limited working memory, and it does so to such an extent that learning may be severely impeded. The book also investigates how students could deal with cognitive overload when learning introductory accounting using three instructional design formats: the split-attention format, the integrated format, and the self-managed format.
