students why financial accounting is important to their everyday lives, business majors, and future careers. This best-selling financial accounting program is known for a student-friendly writing style, visual pedagogy, the most relevant and easy to understand examples, and teaching the accounting cycle through ...

Kimmel, Weygandt, Kieso: Financial Accounting: Tools for ...

Weygandt's Financial Accounting, 8th Edition, builds upon previous issues by offering a more in-depth introduction to financial accounting with a continued focus on relevant examples based on everyday life. The goal is

to help readers further understand the fundamental concepts necessary to use accounting effectively today, as well as an introduction to IFRS and how to use accounting in the future.
