Accounting Information for Business

Decisions is a business-focused introduction to Accounting for all students - not just those intending to be Accounting majors. Lead students through the real-world business cycle and how accounting information informs decision-making. Departing from the traditional approach taken by other introductory accounting textbooks, students apply both managerial and financial approaches within the topics examined in each chapter, to see the direct impact that Managerial Accounting decisions make on the Financial Accounting processes (and vice versa). The conversational writing engages students in the theoretical content and how it applies to contemporary real-world scenarios. Students follow a retail coffee business in the relatable Cafe Revive running case study integrated into every chapter, to learn about applying accounting issues in the real world. Scarborough, ON : Nelson

Accounting for Managers explains how accounting information is used by non-financial managers. The book emphasises the interpretation, rather than the construction, of accounting information and encourages a critical, rather than unthinking acceptance, of the underlying assumptions behind accounting. It links theory with practical examples and case studies drawn from real life business situations in service, retail and manufacturing industries.

Financial Accounting for Decision Makers  
Pearson Education

Accounting for Decision Making and Control provides students and managers with an understanding and appreciation of the strengths and limitations of an organization ' s accounting system which allows them to be more intelligent users of these systems. The 6th edition provides a

framework for thinking about accounting systems and a basis for analyzing proposed changes to these systems. The text demonstrates that managerial accounting is an integral part of the firm ' s organizational architecture, not just an isolated set of computational topics. This new edition has improved its readability and accessibility to students.

Financial Accounting Prentice Hall
