A less-expensive grayscale paperback version is available. Search for ISBN 9781680922936. *Principles of Accounting* is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

Selected Material from Financial and Managerial Accounting: The Basis for Business Decisions, 14th Edition (Volume 2 (Chapters 14-26; Appendices A-C; Index))

Cengage Learning

Give your students a solid foundation in core accounting concepts while helping learners develop a true appreciation for why accounting is important to business and a prosperous society. Warren/Reeve/Duchac's **FINANCIAL AND MANAGERIAL ACCOUNTING, 14E** clearly demonstrates how accounting is much more than simply data and black and white rules. Instead, students see how accounting provides key information used to make critical business decisions. A new chapter schema provides context for how each chapter's content fits into the big picture. The book focuses on why accounting is important and consistently reinforces connections to the big picture by connecting journal entries to the accounting equation. Fresh organization progresses from the simplest to the more complex topics with reorganized and fully integrated coverage of the new Revenue Recognition standard, reorganized coverage of adjustments, and reorganized managerial accounting chapters. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Corporate Financial Accounting Thomson South-Western

Warren/Reeve/Duchac's **MANAGERIAL ACCOUNTING 14E** provides a solid foundation in managerial accounting fundamentals, while motivating students to learn by showing how accounting is important to business. Business examples and a new chapter schema provide context for readers, demonstrating how each chapter's content fits into the big picture, connecting fundamental concepts with real businesses. [Core Concepts of Accounting Information Systems](#) Bookboon

Get refreshed with Horngren/Sundem/Stratton's *Introduction to Management Accounting, 14th Edition*. This best-selling book offers a relevant, real-world decision-making approach to management accounting. Readers develop a solid understanding of costs and cost behavior and the use of cost information for planning and control decisions, not just inventory valuation. This book emphasizes the

notion that "You need to understand the business first, before you can understand the accounting of business." Updated to cover the most recent methods in management accounting, topics include: cost behavior, cost management systems, and activity-based costing; marketing and product decisions; the master budget; flexible budget and variance analysis; management control systems; capital budgeting; cost allocation; and job-costing and process-costing systems; basic accounting concepts, techniques, and conventions; corporate financial reports and basic financial statements; and consolidated financial statements. An excellent reference resource for managerial accountants.

Printed Access Card for Porter/Norton's Financial Accounting South Western Educational Publishing

Introduction to Managerial Accounting, 4/e by Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. However, this is not simply a briefer book with chapters removed; B/G/N has been rethought and retooled to meet the needs of the market. B/G/N 4/e is a more accessible, yet thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course: cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material.

Managerial Accounting Pearson Higher Ed

For over ten years, Weygandt, Kieso, Kimmel, Trenholm, Kinnear Accounting Principles has been praised by both students and instructors across the country for its outstanding visual design, its carefully integrated pedagogy, and its excellent writing style and clarity of presentation. Our main focus continues to be 'Student Success in Accounting' and the new fifth edition package further enables both instructors and students to achieve successful learning outcomes. It introduces challenging accounting concepts with examples that are familiar to the student with a stepped-out pedagogy that breaks down complex topics making the material more manageable. This connection to their everyday lives helps build student motivation, a key driver of student time spent on assignments and ultimately their mastery of the concepts. Weygandt Accounting Principles, Fifth Canadian Edition enables students to become independent and successful learners by including a variety of additional resources, more opportunities to use technology, and new features that empower students to apply what they have learned in the classroom to the world outside the classroom. The seamlessly integrated digital and print resources to accompany Accounting Principles, Fifth Canadian Edition offer additional tools for both instructors and students in order to help students experience success.
