Financial Edge Records Guide for Fixed Assets

Because records are such an important part of The Financial Edge, we have placed all record types for Fixed Assets in one area so you can quickly access them. Think of Records as a filing cabinet. You open a filing cabinet to pull out a record or file. When you open Records, you can directly access several record types, including asset records.

1 Install the included earth ground wire to the control-ler ' s earth ground spade lug, and

terminate the other end to a nearby earth ground. 2 Unplug the controller ' s 2-position power

connector plug and terminate the 24V supply source (AC or DC) to the connector. Leave

connector unplugged for now.
