Visa and the National

Football League have

teamed up to help teach

financial concepts with

Financial Football, a fast-

paced, interactive game that engages students while teaching them money management skills. The fall 2018 release features new 3D graphics and game changing opportunities with audibles, blitzes and game breaking plays. Financial Football
How it is calculated: $72 \div \text{interest rate} = \text{years}$
Therefore, if you have a 10% interest rate and want to know how long it will take to double your money, the equation would

be: $72 \div 10 = 7.2$ years. Types of savings and how to choose one.
