Fundamentals of Financial Management Cengage Learning

Give future and current managers a thorough understanding of the financial theory that is essential for developing and implementing effective financial strategies in business today. Brigham/Ehrhardt's leading FINANCIAL MANAGEMENT: THEORY AND PRACTICE, 13E is the only text that presents a striking balance between solid financial theory and practical applications. Your students gain a strong working knowledge of today's financial environment as this edition examines recent financial crises; the global economic crisis; and role of finance in the world, business, and your students' personal lives. This book's relevant and engaging presentation, numerous examples, and emphasis on using Excel spreadsheets prepare students to make sound financial decisions in business. The book progresses from an early presentation of fundamentals to specific techniques and discussions that guide students in maximizing the value of a firm. This text is not only the ideal choice for today's introductory MBA course, but also serves as a complete reference tool for students throughout their academic and business careers. Integrated practice using Thomson ONE-Business School Edition gives students hands-on experience with the same research tool Wall Street professionals use daily. The book's comprehensive support, including best-selling Aplia Finance for homework management and numerous online resources, helps you establish the strong financial foundation and skills students need for long-term business success. Principles of Finance John Wiley & Sons

Brigham/Houston: A Classic, redefined...because a classic never goes out of style. The market leader, Brigham/Houston, continues to grow in reputation and amount of users as the most effective approach for teaching the first undergraduate corporate finance course. The seamless, integrated ancillary package, still painstakingly prepared by the authors, is a hallmark of the Brigham/Houston package which reduces course preparation time for instructors and makes the subject more accessible for learners. New for this edition is the addition of iLrn Finance, an online student assessment and tutorial resource to help improve student performance. Additionally, access to Thomson ONE - Business School Edition, an online financial database that students can use to complete projects or select end of chapter exercises, is included with each new text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Financial Management: Theory & Practice Cengage Learning

Continuing the four goals from the first edition, i.e. helping students to make good financial decisions, providing a solid text for the introductory MBA course, motivating students by demonstrating finance is relevant and interesting, and presenting the material clearly, this Tenth Edition promises to be the best yet. Written by a highly-acclaimed, best selling, author team, this text remains the only MBA-level text to present a balance of financial theory and applications.

Fundamentals of Financial Management, Concise Edition South-Western Pub

The only textbook written specifically for Intermediate or Advanced Corporate Finance courses, Brigham/Daves' INTERMEDIATE FINANCIAL MANAGEMENT, 13E equips readers with a solid understanding of both conceptual theories and practical financial skills. With corporate valuation as a unifying theme, the text emphasizes the theoretic groundwork for value maximization, while actual business examples, integrated cases and Excel spreadsheet models demonstrate how financial theory in practice leads to solid financial decisions. Combining a clear, focused presentation with the most current coverage available, the 13th Edition delivers an in-depth introduction to core financial theories as well as emerging financial management developments and issues. Financial Management Cengage Learning

The bold and innovative McGraw-Hill Taxation series is now the most widely adopted code-based Tax title across the country. It's apparent why the clear, organized, and engaging delivery of content, paired with the most current and robust tax code updates, is used by more than 600 schools. The breadth of the topical coverage, the storyline approach to presenting the material, the emphasis on the tax and non-tax consequences of multiple parties involved in transactions, and the integration of financial and tax accounting topics make this book ideal for the modern tax curriculum. Story line Approach: Each chapter begins with a story line that introduces a set of characters or a business entity facing specific tax-related situations. Examples related to the story line allow students to learn the code in context. Integrated Examples: In addition to providing examples in-context, we provide "What if" scenarios within many examples to illustrate how variations in the facts might or might not change the answers. More than 100 Videos: Guided Example hint videos provide students with on-demand walk-throughs of key

Tax topics, offering narrated, animated, step-by-step solutions to algorithmic variants for select exercises similar to those assigned. Conversational Writing Style, Superior Organization, and Real-World Focus

CFIN Harcourt Brace College Publishers

This textbook emphasizes the actions that a manager can and should take to increase the intrinsic value of the firm, by combining theory and practical applications. The collapse of the sub-prime mortgage market, the financial crisis, and the global economic crisis make it more important than ever for students and managers to understand the role that finance plays in a global economy, in their own companies, and in their own lives.
