Finding Eden is the

continuation and
conclusion to
Becoming Calder..
When the world as
you know it has
ended, when all that
you love has been
washed away,
where do you find
strength? When the
new world you've
stepped into is as
isolating as the last,
when your heart is
broken and your
future is unclear,
where do you find
hope?

FINDING EDEN
is the conclusion
to BECOMING
CALDER and will
leave the readers
feeling blissfully
sated! I had some
cry out loud
moments as well
as some " please,

Finding Eden
was emotional, it

was sweet and it was very satisfying. I love Love and I got that in spades here. Mia Sheridan is one of my favorite authors in the genre, rivaling only Colleen Hoover. I have never read a book by here and felt let down. Her books always make me feel hopeful and joyous because Love always wins.

The conclusion, Finding Eden, is available now. There is a place in modern day America with no electricity, no plumbing, and no modern conveniences. In this place, there is no room for dreams, no space for self-expression, and no tolerance for ambition.
