Ryker Powers was the biggest prick I'd ever met. He was also my biggest mistake. He'd taken what he wanted then left, and I detested him for it. Not that the jerk had cared to stick around long enough to know how I felt. Everyone thought he was a perfect gentleman with all his quiet intensity but I knew better. I knew he had a filthy mouth. That he liked things dirty. He may have had people fooled into thinking he was a nice guy but I knew exactly who he was. He was a bad boy who'd ask for a light from the devil himself. And I wanted to see him burn. Until I realized—to my utter horror—that what I really wanted was him. Who was going to get burned now?

New Daily Study Bible: The Gospel of Matthew 2 Finding True Love
Jag Jensen and Ellen Love had been best friends their whole lives until he turned thirteen and started noticing girls his own age, but that didn't mean he stopped watching out for eleven-year-old Ellen. By his senior year in high school, baseball had taken the front seat in his life, with a scholarship to college and a pro career looming on the horizon, when sophomore Ellen caught his attention and they struck up their friendship again. Although Ellen wanted more, Jag didn't want to drag her into what he knew would be a crazy life, but love has a way of deciding one's future, and eventually they became a couple. Ellen followed him to California as he began his pro career, but his wild and hectic lifestyle screwed everything up. Now Jag is lost, realizing he's never been without his best friend in his life. Learning to live without Ellen doesn't settle well with him, so while trying to remain at the top of his career, he also wants to get his girl back, which proves to be more difficult than he thought it'd be. Will Ellen give him another chance or does that sort of thing only happen in the sappy romance novels she always used to read? Jag hopes she's willing to try again as he puts his heart on the line for the woman he knows will always be his forever and a day. This is the second book of the True Love Trilogy. Due to language and sexual content, this book is not recommended for readers under age 17

When things between them gradually develop into something more, Ellen wants to give herself completely to Jag, but he's not so sure he wants to risk their relationship in taking things to the next level. Being White Zondervan

Drake Powers had to be the most infuriating piece of work I'd met in my entire life. Never mind his gorgeous face, body, and tattoos. That was beside the point. The things that came out of the cocky bastard's mouth—directed toward me, of course—had my own mouth falling open in shock. His controlling, bad-boy demeanor should've had me running in the other direction. But there was something behind that dominant presence of his. Something guarded. And I had to find out what it was. I knew it was probably in my best interest to stay away. But when was I ever one to listen?
