Beautiful Distraction Blue-Collar Billionaires: The Complete Series

USA TODAY BESTSELLER • Lauren Layne brings all the unpredictable heat of *Blurred Lines* to an all-new cast of characters! Country music's favorite good girl is hiding away from the world—only to find herself bunking with a guy who makes her want to be a little bad. Jenny Dawson moved to Nashville to write music, not get famous. But when her latest record goes double platinum, Jenny's suddenly one of the town's biggest stars—and the center of a tabloid scandal connecting her with a pop star she's barely even met. With paparazzi tracking her every move, Jenny flees to a remote mansion in Louisiana to write her next album. The only hiccup is the unexpected presence of a brooding young caretaker named Noah, whose foul mouth and snap judgments lead to constant bickering—and serious heat. Noah really should tell Jenny that he's Preston Noah Maxwell Walcott, the owner of the estate where the feisty country singer has made her spoiled self at home. But the charade gives Noah a much-needed break from his own troubles, and before long, their verbal sparring is indistinguishable from foreplay. But as sizzling nights give way to quiet pillow talk, Noah begins to realize that Jenny's almost as complicated as he is. To fit into each other's lives, they'll need the courage to face their problems together—before the outside world catches up to them. Praise for *Good Girl* “I couldn't read this fast enough! Lauren Layne created witty and well-developed characters who pulled at my heartstrings and had me falling in love over and over again! Discover the breakout bestselling series that took the USA TODAY bestseller list by storm in 2015! For a limited time get all five books bundled in one collection! A compelling saga about a very eccentric billionaire. Series Note: The billionaire genre is enduringly popular despite ignoring the reality that most wealth is inherited not earned. M. Malone breathes life into a familiar trope by asking an intriguing question - what happens when wealth is inherited by a group of rough and tumble, blue-collar guys? And is it possible to have it all without losing your soul? TANK Tank Marshall swore off fighting years ago but everything in his life lately is out of control. His mom's cancer is back and the deadbeat dad he hasn't seen in years is offering an inheritance in exchange for redemption. So he prowls the streets at night, looking for an outlet for the rage. There's only one person that keeps him anchored in the midst of the chaos. One person untouched by violence and money and lies. Emma Shaw. But the one thing that Tank hasn't learned yet is that when billions are at stake, there's no such thing as innocent. Because the only woman he trusts is the last woman he should. Money. Changes. Everything. FINN Finn Marshall survived several tours in Afghanistan before the billionaire father he barely remembers changed everything. Now he has it all: money, cars and most importantly: power. Power to track down the woman who left him for a richer man. Marissa Blake dragged herself out of poverty one client at a time,

so she's thrilled when her company, Maid-4-U, gets a huge contract for a luxury penthouse. Until she sees who owns it. Now to save her struggling business, Finn demands everything she once promised him. Money can't buy him happiness but it can buy him one thing: REVENGE GABE Gabe Marshall is tall, charming and a successful businessman. He's also a skilled con artist. Now that he's heir to the billionaire father he never knew, everyone gives him what he wants. Except Sasha Whitman. After Sasha is humiliated on national television, she seeks solace in her plans to open a jazz lounge. But she's not a businesswoman and no one has time to help her except the last man she would ever trust. Before long Gabe is matching wits with the one woman who can see through his game. And finding out that all the money in the world can't protect you when the sins of the father pass to the son. ZACK Zack Marshall may look like a thug but underneath he's all about family. His brother, Gabe, is the popular one but he's never envied anything he has. Except for Josephine Harlow. From now on Josie Harlow is living life full throttle. First task: find a nude model for her next photo series. Next up: getting rid of her pesky V-card. No more trying to gain her family's approval. They all think she's in love with her high school boyfriend. Instead she dreams of his brother, tattooed, Mohawked mechanic Zachary Marshall. He annoys her and they fight constantly but worst of all, he only sees her as "Gabe's girl". Until Zack makes the most shocking offer of all, to be the model for her show. And the first man in her bed. LUKE Child prodigy Lucas Marshall has written everything from security software to video games. There's only one hacker alive who is better than he is. His online buddy C7pher. Now that he's the heir to a billionaire, he wants his friend to help him build coding schools for underprivileged kids around the country. He isn't prepared for his best friend, his only friend, to say NO. Or for him to drop out of his life completely. Then he's asked to consult on a hacking case for the FBI and the hauntingly beautiful suspect seems to know a lot about Luke. Things he's only told one other person... When the only person you've ever trusted is a liar, everything is fair game.

HER SICILIAN BABY REVELATION CrushStar Romance The only thing Trent's best friend has ever asked of him is to keep an eye on his twin sister while he's deployed. Keeping her company on her birthday shouldn't be too hard. He just has to remember the promise he made to himself in college to keep his hands off her. Which is getting harder and harder by the day. Ever since Mara walked into her brother's dorm room freshman year and came face to face with a shirtless Trent, she's known he was The One. He's been right there with her twin brother as her biggest supporter or shoulder to cry on, whichever she needs most. The problem? Trent has no idea how she feels. Well, it's her first birthday without her twin and Trent's coming over to keep her company. It's the perfect time to tease him a little. A skimpy yoga outfit and a few glasses of wine later, she plans to finally have Trent exactly where she wants him. In her bed, for as long as she can keep him there. If Mara has her way, she'll get a whole

Her Billionaires Springer

#1 NEW YORK TIMES BESTSELLER • A bold work from the author of *The Black Swan* that challenges many of our long-held beliefs about risk and reward, politics and religion, finance and personal responsibility In his most provocative and practical book yet, one of the foremost thinkers of our time redefines what it means to understand the world, succeed in a profession, contribute to a fair and just society, detect nonsense, and influence others. Citing examples ranging from Hammurabi to Seneca, Antaeus the Giant to Donald Trump, Nassim Nicholas Taleb shows how the willingness to accept one's own risks is an essential attribute of heroes, saints, and flourishing people in all walks of life. As always both accessible and iconoclastic, Taleb challenges long-held beliefs about the values of those who spearhead military interventions, make financial investments, and propagate religious faiths. Among his insights: • For social justice, focus on symmetry and risk sharing. You cannot make profits and transfer the risks to others, as bankers and large corporations do. You cannot get rich without owning your own risk and paying for your own losses. Forcing skin in the game corrects this

asymmetry better than thousands of laws and regulations. • Ethical rules aren't universal. You're part of a group larger than you, but it's still smaller than humanity in general. • Minorities, not majorities, run the world. The world is not run by consensus but by stubborn minorities imposing their tastes and ethics on others. • You can be an intellectual yet still be an idiot. “Educated philistines” have been wrong on everything from Stalinism to Iraq to low-carb diets. • Beware of complicated solutions (that someone was paid to find). A simple barbell can build muscle better than expensive new machines. • True religion is commitment, not just faith. How much you believe in something is manifested only by what you're willing to risk for it. The phrase “skin in the game” is one we have often heard but rarely stopped to truly dissect. It is the backbone of risk management, but it's also an astonishingly rich worldview that, as Taleb shows in this book, applies to all aspects of our lives. As Taleb says, “The symmetry of skin in the game is a simple rule that's necessary for fairness and justice, and the ultimate BS-buster,” and “Never trust anyone who doesn't have skin in the game. Without it, fools and crooks will benefit, and their mistakes will never come back to haunt them.”

Trophy Husband Simon and Schuster

When Finnegan McCullough gets a flat tire he bumps into a woman he's never seen before. After a stern lecture on trespassing, he offers her a ride and a friendship takes shape. Mallory Fenton is unlike any girl he's ever met. She's funny, sexy as hell, and sweet as pie, but she doesn't see herself that way. After literally crashing into Finnegan McCullough, Mallory is a hot, tongue-tied, mess. A true lumberjack, he wears his flannel well and possesses the sexiest smile she's ever had thrown her way. Unfortunately, men like that don't look at girls like her. When Finn confesses his desire to be more than friends, Mallory is shocked. After years of being the 'fat girl' she knows better than to believe a man like Finn could ever find her attractive. But she's gotten under his skin and Finn is determined to show Mallory how beautiful she truly is. A realistic and heartwarming romance that proves love and beauty come in all shapes and sizes.

The fads, fashions, and media in popular consumer culture frequently make recreational and ideological “fun” of poverty and lower class living. In this book, Halnon delineates how incarceration, segregation, stigmatization, cultural and social consecration, and carnivalization work in the production and consumption of inequality.

The Exclusive Method You Can Use to Learn—Not Just Memorize—Essential Words A powerful vocabulary expands your world of opportunity. Building your word power will help you write more effectively, communicate clearly, score higher on standardized tests like the SAT, ACT, or GRE, and be more confident and persuasive in everything you do. Using the exclusive Fiske method, you will not just memorize words, but truly learn their meanings and how to use them correctly. This knowledge will stay with you longer and be easier to recall—and it doesn't take any longer than less-effective memorization. How does it work? This book uses a simple three-part system: 1. Patterns: Words aren't arranged randomly or alphabetically, but in similar groups based on meaning and origin that make words easier to remember over time. 2. Deeper Meanings, More Examples: Full explanations—not just brief definitions—of what the words mean, plus multiple examples of the words in sentences. 3. Quick Activities: Frequent short quizzes help you test how much you've learned, while helping your brain internalize their meanings.

INTERNATIONAL BEST SELLING AUTHOR Julia Lyle will have nothing to do with domineering men, no matter how tall, dark, and sexy. But Dom Marcus Cavendish will be satisfied with nothing less than collaring the fiercely independent Julia. Nothing could have shocked her more... Julia Lyle is invited to her best friend's wedding and is stunned when Lana kneels to accept her husband's collar. When Julia starts to object, firm, relentless hands land on her shoulders. The man behind her threatens to turn her over his knee if she interrupts. She's outraged, but there's no doubt he's serious. After the ceremony, he offers her a glimpse into her friend's lifestyle, if she's brave enough to accept. Master Marcus Cavendish is everything she doesn't want in a man—dominant, self-assured and arrogant. So why can't she resist him? Telling herself that learning about the lifestyle will make her a better friend, Julia agrees to submit to Master Marcus, but only for the evening. Firm and unrelenting in his handling of her, he introduces her to his tawse and the pleasure/pain of a spanking delivered by a competent Dom. The experience unnerves her, making her question everything she thought she knew about relationships, and his forced orgasms leave her shattered. No doubt the scene seduced her, and that makes her doubly determined to avoid him. She has fought hard for her freedom and vowed only to date nice men, and Master Marcus is anything but safe. Marcus is undeterred. Julia is a natural sub. The way she responded to his touch, his voice, his punishment proved it. Now he has to convince her to yield to him, submitting to his tawse as she kneels to accept his collar.

Elijah Wolfe CrushStar Romance

ElijahWhen I step inside the courtroom, things happen. Opposing counsel cringes and the judges take in a deep breath because they know what they're in for. They have held me in contempt more times than I can count, and I've never lost a case. They don't call me the

"Wolfe" for nothing. I'm decisive, aggressive and strong, both in the courtroom and in the bedroom. I like order and control, and everyone knows it. Everyone except for Aspen Michaelson, the new associate my mother hired to work at our firm. Her interview wasn't the first time I laid eyes on her and her sexy body. We shared one magical night together in Hawaii. We were two strangers who only knew each other's first names. She left in the middle of the night without a word. I never forgave her for that. I was the one who always left, not the other way around. Now that she worked for me, I would do everything in my power to make her pay for that night, to show her I was the boss both in the office and in the bedroom. But I found myself losing all control being around her and her quirky ways and I didn't know how to stop it. AspenAfter my father passed away, I moved from Connecticut to New York City where my sister and her husband lived. Working at a prestigious law firm in New York had always been a dream of mine. Caitlin Wolfe made that dream come true when she hired me to work at her top law firm. Little did I know, Elijah Wolfe, the man I had one amazing night with in Hawaii, was her son, senior partner, and future CEO of Wolfe & Associates. He looked just as sexy in New York as he did in Hawaii, but he was different. He was cold and calculating. Not the man who seduced me and brought me back to his suite. He was my boss, and he was setting me up to fail. The one thing he didn't know about me was that I played the game just as good as he did, if not better. I needed to stay in control of both my body and my mind, but he made it very difficult with his tailored designer suits and the cologne he wore that sent my pheromones into overdrive. Let the games begin..18+
