Fire and Ash is the last book in the Rot and Ruin series and it's a bittersweet experience. I've been reading this series for years and I'm sad it's over, but happy to see where the characters end up. The thing that strikes me most about the book is just how much the characters have grown, Benny and Nix in particular.

Yes, the weirdo religious theme reaches full force in Fire & Ash, which of course made me very happy: " There is a storm coming, " he said. Fire & Ash (Rot & Ruin, #4) by Jonathan Maberry

Fire & Ash - Book 4 in the series Benny Imura and his friends have found the jet and Sanctuary—but neither is what they expected. Instead of a refuge, Sanctuary is a hospice, and the soldiers who flew the plane seem to be little more than bureaucrats who have given up hope for humanity ' s future.
