It definitely won't be the last. The story of a 11-year old boy, Landon, who can't remember the events of a particular night despite the fact that he holds the key to his friend Emily's disappearance, and possible survival. *Little Fires Everywhere: A Novel - Kindle edition by Ng ...*

Brooke - Fort Worth, TX (118 books) I quite liked the story "Firefly" by author Cory Toth. I was intrigued to see how all the characters fit together as the story progressed. The title of the book seems appropriate and fits the story well. The characters and plot are written rather light and do not go into so much detail as to bog down the story-line.
