In many stories you hear how 'The Chosen One' appeared to save the day. Every wonder what

would happen if the one doing the choosing bungled the job? In *Ring of the Or'tux*, that's exactly what happens. Hunter was on his way to a Three Stooges' marathon when in mid-step, he went from the lobby of a movie theater to a charred tangle of stone and timber that once had been a place of worship. From there it only gets worse for the hapless Chosen One. First, an attempt to flee those he initially encounters (who by the way are the ones he was sent there to save), lands him into the merciless clutches of an invading army (those whom he was supposed to defeat). Together, he and two newfound companions set about to save the people of Casdra, but for different reasons. Hunter just wants to go home, Father Thomas to save his people, and Larus hopes that by seeing Hunter fulfill the destiny of The Chosen One, he may be restored to his former self and leave behind this earthbound existence. Signs, prophecies, and several implanted visions (which by the way leave Hunter stark raving mad for a short duration afterward), offer guidance. Unfortunately, the only hope for the people of Casdra rests upon a man who is not particularly ready for the job. head in a hotly contested baking competition, Henry triumphantly reveals his top tips in *Horrid Henry's Extra Horrid Guide to Perfect Parents*, he reads an interesting book about Evil Evie, a really naughty girl not too dissimilar to himself in *Horrid Henry's Bad Book*, and conjures up an ancient cannibal's curse to deal with his enemies and small, annoying brother in *Horrid Henry's Cannibal Curse*. *Horrid Henry* is illustrated by Tony Ross, who also illustrates David Walliams' children's books, as well as his own picture books.
