"Fires" is a dark romance about the proud Celtic lady who is captured by Vikings and given as a slave to Garrick the Hardhearted, a merchant with a deep hatred of women. I say "dark" because "Fires" deals with some tough subjects: marauding and raping, slavery, infanticide, and quite a few deaths (human and animal alike).

Fires Of Winter Haardrad Viking

Fires of Winter Book descriptions Lovely and dauntless,

abducted by invaders from across an icy sea, Lady

Breena vowed vengeance swearing no Viking brute

would be her master no barbarian would enslave her

noble Celtic heart, but then came Garrick Haardrad, the

proud and powerful son of a ruthless Viking chieftain.

Viking Haardrad Family - Book Series In Order

Ulfr the barbarian comes at her hard and fast. He is

determined to brand her body and make her his own

with his sizzling touch. Flames of desire ignite Vicki's

deep yearning for naughty, wanton...

Fires of Winter (Haardrad Viking Family, #1) by Johanna ...

The Fires of Winter is a very absorbing, witty and sensual

historical romance. Breena Carmarham is not some simpering

cowering maid, she has been raised by her father as a son.

She may be a quarter of the size of a Viking but give her a

sword and she might prove a match. Garrick is a Viking

merchant who already had his heart broken by a woman.
