Before The Perfect Storm, before In the Heart of the Sea, Steven Callahan's dramatic tale of survival at sea was on the New York Times bestseller list for more than thirty-six weeks. In some ways the model for the new wave of adventure books, Adrift is an undeniable seafaring classic, a riveting firsthand account by the only man known to have survived more than a month alone at sea, fighting for his life in an inflatable raft after his small sloop capsized only six days out. "Utterly absorbing" (Newsweek), Adrift is a must-have for any adventure library.

The history of Philadelphia's Boathouse Row is both wide and deep. Doty Brown, an avid rower and former editor at the Philadelphia Inquirer, immersed herself in boathouse archives to provide a comprehensive history of rowing in Philadelphia. She takes readers behind the scenes to recount the era when rowing was the spectator sport of its time—and the subject of Thomas Eakins' early artwork—through the heyday of the famed Kelly dynasty, and the fight for women to get the right to row. (Yes, it really was a fight, and it took generations to win.) With more than 160 photographs, a third of them in full color, Boathouse Row chronicles the "waves of change" as various groups of different races, classes, and genders fought for access to water and the sport. Chapters also discuss the architectural one-upmanship that defined Boathouse Row after Frank Furness designed the stunning and eclectic Undine Barge Club, and the regattas that continue to take place today on the Schuylkill River, including the forgotten forces that propelled high school rowing. Beautifully written and illustrated, Boathouse Row will be a keepsake for rowers and spectators alike.

Donncha O'Callaghan is one of Ireland's leading international rugby players, and a stalwart of the Munster side. He was a key figure in the Irish team which won the IRB 6 Nations Grand Slam in 2009, and has won two Heineken Cup medals and two Magners League titles with Munster. But that success did not come easy. For such a well known player with a larger-than-life reputation, his long battle to make a breakthrough at the highest level is largely unknown. In this honest and revealing autobiography, Donncha talks in detail about the personal setbacks and disappointments at Munster and the unconventional ways he dealt with the frustration of not making the team for four of five years in his early 20s. He had a parallel experience with Ireland where it took him nearly six years to

get from fringe squad member to established first choice player. Here he talks candidly about how he brought discipline to his game, and about his relationships with the coaches who had overlooked him and the second row rivals who had kept him on the bench. Donncha talks also with great warmth about a hectic childhood that was shaped by the death of his father when he was only six years old. One of the heroes of his story is his mother Marie who showed incredible strength and resourcefulness to rear a family of five on her own. Often deservedly regarded as 'the joker in the pack', what is often less well known is the serious attitude and intensely professional approach Donncha brings to his rugby. Joking Apart gives the full picture, showing sides of the man that will be unfamiliar to followers of Irish rugby and will surprise the reader.
