Acclaimed church leader, blogger, founder and chief strategic officer of The Unstuck Group, Tony Morgan unpacks the lifecycle of a typical church, identifies characteristics of each phase, and provides practical next steps a church can take to move towards sustained health. Think about your church for a moment. Is it growing? Is it diminishing? Is it somewhere in between? Acclaimed church leader, blogger, and founder and chief strategic officer of The Unstuck Group, Tony Morgan has identified the seven stages of a church's lifecycle that range from the hopeful and optimistic days of launch, to the stagnating last stages of life support. Regardless of the stage in which

you find your church, it carries with it the world's greatest mission—to "go and make disciples of all the nations . . ." With eternity at stake the Church should be doing most everything within its power to see lives changed forever. The Church should strive for the pinnacle of the lifecycle, where they are continually making new disciples and experiencing what Morgan refers to as "sustained health." In *The Unstuck Church*, Morgan unpacks each phase of the church lifecycle, and offers specific and strategic next steps the church leader can take to find it's way to sustained health . . . and finally become unstuck. *The Unstuck Church* is a call for honest an assessment of where your church sits on the

lifecycle, and a challenge to move beyond it. *Authentic Examination Papers* Oxford University Press, USA
