First French Kiss And Other Traumas
First French Kiss and Other Traumas is a delightfully entertaining book about one boys life and his adventures through childhood and adolescence. The story is written in the voice of a boy named Will, as he recounts his childhood "traumas" that seem to him to be both major and minor incidents.

First French Kiss And Other
In English informal speech, a French kiss, also known as a deep kiss or a tongue kiss, is an amorous kiss in which the participants' tongues extend to touch each other's lips or tongue. A "kiss with the tongue" stimulates the partner's lips, tongue and mouth, which are sensitive to the touch and induce physiological sexual arousal. The oral zone is one of the principal erogenous zones of the body. The implication is of a slow, passionate kiss which is considered intimate, romantic, erotic or ...

First French Kiss: and Other Traumas: Bagdasarian, Adam ...

This book is called First French Kiss, because the first memory he shares with us is his first kiss with his 6th grade sweetheart. Other than that, there are no more kisses; I think the title had more of a capturing mechanism to it. As soon as I read the title, I wanted to know what it was all about. With witty satire, First French Kiss contains many humorous events and the confusion of growing up.
