[Guided Reading Program](#) WaterBrook

Discusses the use of leveled texts in kindergarten through eighth-grade classrooms, examines the "text base" needed for effective language literacy instruction, provides guidelines for creating a high-quality leveled book collection and matching books to readers, and explains how to analyze and level books.

[The Reading Strategies Book](#) Dark Horse Comics

It's the day of Emma's big relay race, and Dixie's come to watch. Emma tells Dixie that her job is to "sit, stay, and cheer." Dixie is disappointed that she can't race, too, but she's determined to be good. But when Emma trips and falls before the finish line, will Dixie obey her best friend and stay where she is or rush in to help? Find out in this lovable I Can Read book, the fifth book starring Dixie!

[Your Guide to Every Day Literacy Teaching: Grade 3](#) Scholastic Inc.

A dark and masterful portrait of a generation in crisis, from one of the most exciting young voices in international literature The world had been theirs in the late 90s: they were the young provocateurs behind a countercultural scene, digital bohemians creating a new future. But fifteen years later, Duke, the leader and undisputed genius of their group, has been murdered, and the three remaining members of their circle reunite to piece together what became of their lives and how they fell so short of their expectations. Now in their thirties, Aurora, Antero, and Emiliano have succumbed to the pressures of adulthood, the exigencies of carving out a life in a country that is fraying at the seams. Reunited after years of long-held grudges and painful crushes, the three try to resurrect the spirit of the all-night parties and early morning trysts, the protests and pornography of their youths. Lurking over them, as they puzzle out their fates, is the question of whether or not there is a future for them to believe in, or if the end has already arrived. Twenty After Midnight is a portrait of the first generation of the digital age, a group that was promised everything but handed a fractured world. Daniel Galera has written a pre-apocalyptic tale of millennial longings.

Geared towards primary school teachers to understand the foundation for literacy development

On the First Day of First Grade Simon and Schuster

This warmhearted and moving prequel to the "heart-tugging and emotional" (RT Book Reviews) #1 New York Times bestselling Baxter Family Series follows the family members as they face rising tensions during a wedding and a colossal storm. A terrible storm builds in the early morning sky over Bloomington, Indiana, as Elizabeth Baxter prepares to celebrate her daughter Kari's wedding to Tim Jacobs. It's supposed to be the happiest of days, but Elizabeth can't shake a growing sense of dread. Is the storm a sign? Something bad is about to happen. Elizabeth knows it. Indeed, there are dark currents of conflict and doubt coursing through the Baxter family. In the midst of them, Kari Baxter is starting to panic. Is marrying Tim a mistake? And what about her family? Her brother Luke is angry and resentful of their sister Ashley, who has recently returned from Paris, a single mom with a son she too often leaves with their parents. At the same time, Ashley and their sister Brooke have lost the faith that is the family's glue. Against all this, Kari sees Ashley rejecting her longtime love, Landon Blake, who clearly cares for her, no matter what happened in Paris. When the storm reaches a terrifying crescendo, a shocking moment of danger brings important truths to light. At the end of the long day, can the Baxters remain a family, tested but stronger? From an author who "writes with seemingly effortless poetic elegance" (Booklist), The Baxters is an unforgettable testament to the power of love, family, and faith.

[Ready to Go Guided Reading: Summarize, Grades 1 - 2](#) Simon and Schuster

Ham-let is a fun and endearing graphic novel reimagining of a classic Shakespearean tale! This satirical story stars a cast of anthropomorphic animals based on characters from Shakespeare's greatest plays! The eponymous Pig Prince himself returns home from college to find that his uncle Claude betrayed and murdered his father to seize the throne! But this familiar fable veers into the zany and adventurous when Ham-let calls upon his best friend Horatio and a troupe of rowdy, self-centered actors to aid him in halting his uncle's evil plans. Ham-let and the troupe must cast aside their egos and work together as a team to have any chance of saving the village from falling to King Claude's corrupt rule!

First Little Readers Parent Pack: Guided Reading Level A Turtleback

#1 New York Times Bestseller "THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In Think Again, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've never felt so hopeful about what I don't know." —Brené Brown, Ph.D., #1 New York Times bestselling author of Dare to Lead The bestselling author of Give and Take and Originals examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity

to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of Originals and Give and Take, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. Think Again reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

A Case Study Guilford Publications

"Engages students in inquiry that leads to the discovery and understanding of a general principle they can apply to their own independent reading" --

[I Know Your Secret](#) Heinemann Educational Books

Leveled Books (K-8) Random House Books for Young Readers

Fergus and his little brother, Dink, love collecting the things that wash up on the beach, especially if it means that Fergus doesn't actually have to go in the water. Then one day, they spy the greatest treasure of all--an abandoned surfboard. When no one comes to claim it, they make it the star of their collection and name it "Dave." But when Dave accidentally (on purpose?) gets cast back into the ocean, can Fergus find the courage to rescue him? Whimsically brought to life with Jennifer Sattler's bright, comedic style, here's a story about bravery and brotherhood that little kahunas (and their parents) are sure to love.

Lia Park and the Missing Jewel Independently Published

NULL

[Guided Reading](#) Penguin

In the third exhilarating novel in this dazzling epic fantasy series, a young outcast will fight against staggering odds to save her world. On the planet Abeth, a narrow Corridor of green land is surrounded on all sides by ice plains where only the strong survive. Ice triber Yaz has completed a perilous journey and arrived at the Corridor, and it exceeds and overwhelms all of her expectations. Everything seems different but some constants remain: her old enemies are still two steps ahead, bent on her destruction. She makes her way to the Convent of Sweet Mercy, where nuns train young girls who show the old gifts, but like the Corridor itself the convent is packed with peril and opportunity. Yaz has much to learn from the nuns—if they don't decide to execute her. The fate of everyone squeezed between the Corridor's vast walls, and ultimately the fate of those laboring to survive out on ice itself, hangs from the moon, and the battle to save the moon centers on the Ark of the Missing, buried beneath the

---

emperor ' s palace. Everyone wants Yaz to be the key that will open the Ark – the one the wise have sought for generations. But sometimes wanting isn ' t enough.

[Learn Korean - Must-Know Korean Slang Words & Phrases](#) Guilford Press

Perfect for fans of the Storm Runner and Aru Shah series, this thrilling middle grade fantasy follows a young girl who must venture to the undersea kingdom of the Dragon King in Korea to save her parents from an evil diviner spirit. Twelve-year old Lia Park just wants to fit in. Her parents work with a mysterious organization that makes them ridiculously overprotective. Lia ' s every move has been scrutinized since she was born, and she ' d love to have the option of doing something exciting for once. So when she gets invited to the biggest birthday party of the year—and her parents say she can ' t go—Lia sneaks out. But her first act of rebellion not only breaks her parents ' rules, but also an ancient protection spell, allowing an evil diviner spirit to kidnap and ransom her parents for a powerful jewel that her family has guarded for years. With just the clothes on her back and some very rusty magical skills, Lia finds herself chasing mysterious clues that take her to her grandmother ' s home in Korea. From there, she has to make their way to the undersea kingdom of the Dragon King, the only person who knows where the powerful jewel might be. Along with her friend, Joon, Lia must dig deep and find courage to stand up for those who are weak—and become the hero her parents need.
